"REVELATIONS II"

FADE IN:

EXT. JERUSALEM - SUNRISE

The city is quiet as the Sabbath is being celebrated. We SEE several Orthodox Jews praying at the Temple Wall. A small group of Palestinian boys TAUNT some of them.

Subtitle: "May 1981. Jerusalem."

The SOUND of MUSIC can be heard in the distance along with the LAUGHTER of women preparing for a Jewish wedding ceremony.

INT. SYNAGOGUE - BRIDESMAID'S CHAMBERS

Bridesmaids are attending to EVA, thirty-five. KATY, now fifty-two, admires her daughter. Both are very attractive.

KATY

Your father would've been so proud to see you dressed in your wedding gown. God knows it took you long enough.

EVA

Mom... you know the reason I held out this long.

KATY

I know... you didn't want to be heartbroken like me. I'm just glad you found a good man.

EVA

Me too. Levi is a very good man.

One of the bridesmaids adds the veil to Eva's long hair.

EVA

(continuing)

You know... Johnny still has feelings for you. I can see it in his eyes.

KATY

Anyone can see that. I think he's just being dutiful to David's memory... taking care of us. Remember, he's paying for your honeymoon.

EVA

I know. I can hardly wait. I've always wanted to go the Bahamas.

Katy adds finishing touches to Eva's hair. She takes her own necklace off, which has David's old watch hanging from it. She dangles the watch from behind and underneath her veil.

KATY

There... something borrowed.

EVA

Mom, are you sure? I know how much that watch means to you.

KATY

David should be part of your special day, don't you think?

A tear rolls down Katy's cheek, noticed by her daughter. Eva breaks down and begins to cry as she hugs her mother.

INT. SYNAGOGUE SANCTUARY - MOMENTS LATER

Processional MUSIC PLAYS as a little girl tossing rose petals walks down the aisle. A little boy carrying rings on a heart-shaped pillow follows her. Everyone stands as the bride enters. JOHNNY, now fifty-seven, stands next to Katy. LEVI stands in front under a canopy or chupah as he watches her. As Eva joins her fiancé under the canopy, the RABBI begins.

RABBI

Blessed be you who come here in the name of the Lord.

Katy begins to cry as she is overcome with joy for her daughter. Through her tears, we

DISSOLVE TO:

LATER

The ceremony is concluding as an empty wineglass is placed on the floor where the groom stomps on it, BREAKING it. Everyone shouts "Mazel Tov" as they APPLAUD the newlyweds. While Katy admires her daughter, she has a

FLASHBACK - 1945 - DAVID'S HIDEOUT

Katy, sixteen and DAVID, twenty, are exchanging vows. He reaches for a braided hair-wrap in her hair and breaks it off.

KATY

Ouch!

DAVID

Sorry.

He wraps it around both their wrists as they exchange vows.

DAVID

Do you, Katy Ann Weiss, take me,
David Adam Smith, to be your
lawful wedded husband?

KATY

I do. Now... do you take me for
your lawful wedded wife?

DAVID

(pretending to
think twice)
Just kidding. Of course I do! And
I've got an idea...

David takes off his military watch and places it on her wrist.
Katy reciprocates by tying the hair-wrap around his wrist.

KATY

Wait. We have to break
something. It's traditional.

They both look around for something. David spots a piece of
junk nearby and tosses it out a window, causing it to BREAK.

DAVID

There. That ought to cover it.

David leans towards Katy. He kisses her on the cheek. David
starts to kiss Katy on the cheek again but she turns towards
him and this time their lips meet.

END FLASHBACK

BACK TO SCENE

Katy's teary VISION CLEARS as she SEES the watch adorning her
own daughter's hair. Johnny notices this and reaches out,
taking her hand. They embrace.

INT. HONEYMOON HOTEL - THAT NIGHT

Eva is on the phone while her new husband gargles in the
bathroom nearby. She wears only a sexy nightgown.

EVA

Mom, will you stop worrying? I'm
fine. Yes, I'll call you as soon
as we get to the airport
tomorrow, okay?

She hangs up the phone as Levi enters their bedroom.

LEVI

I hope you're done gabbing for
the night.

EVA

You better believe it. Now get over here and fulfill your marriage contract.

The room goes dark as SOUNDS of LAUGHTER fill the room.

INT. HOTEL LOBBY - NIGHT - KATY

is sitting in the hotel lounge having a drink with Johnny.

JOHNNY

She looks just like him.

KATY

I know. Acts just like him too.

JOHNNY

You still miss him, don't you?

KATY

Is it a crime for a girl to carry a torch for the man she loves?

Johnny finishes his drink and motions to the bartender for another.

JOHNNY

Better than me... I'm on my third marriage. Seems I can't find that light. That's reason enough to hold on to its memory, if that's all you have.

KATY

Thank you for all your financial help on the wedding. She's really excited about the cruise.

JOHNNY

It's the very least I could do.

KATY

While I'm at it, thanks for all your help over the years too. If it weren't for you and your family, we would've never made it to our homeland back in 1948.

JOHNNY

You know I wouldn't have had it any other way.

(pause)

So, you think they'll have kids right away?

KATY

She'd better... she's running out of time. She say's she'll adopt if she has to though. She wants two boys.

He NOTICES David's old watch hanging from her neck.

JOHNNY

I see you keep it close to you.

KATY

I still have the hat too, but I think I'd look silly wearing it.

They both LAUGH. The BARTENDER brings Johnny his drink.

BARTENDER

Another one for the lady?

KATY

No thanks. I really should be turning in soon.

JOHNNY

Katy... there's something I've been dying to ask you...

Katy opens her purse and nervously takes out a cigarette.

JOHNNY

(lighting it)

You really should quit. Those things can kill you.

KATY

(exhaling)

You were gonna ask me something?

JOHNNY

Yes... you know, my marriage isn't working out... you're still single...

KATY

(smiling)

This is one hell of a proposal don't you think?

She turns to him with a more serious tone now.

KATY

Johnny, I've always thought you were a very handsome man. You're also very wealthy.

(MORE)

KATY (CONT'D)

A girl would be very lucky to have you and you know it. In fact, you could marry a beauty queen if you wanted. But, I'm done with that whole marriage thing. I had my one true love and I'm happy knowing that. Some people wait all their lives and never find what I had. So what if it didn't last? I'm happy. I have his child. She's all I need. Please tell me you understand.

Johnny manages to crack a smile as he struggles to regain his composure. He tips the bartender and looks at Katy again.

JOHNNY

David always did have exceptional taste. I do understand. Let's never let this come between us.

KATY

I never have.

Johnny rises, offering his hand. She gets up, walking out with him.

INT. HOTEL LOBBY - MINUTES LATER

Johnny waits with Katy in front of the elevator. As he pushes the up button, we NOTICE a Masonic ring on his middle finger.

JOHNNY

I have to head back to New York. We'll keep in touch?

KATY

Always.

Johnny leans towards Katy, starting to kiss her on the cheek, but she turns towards him as their lips meet. Johnny is surprised and starts to pull away but Katy holds him tighter. Finally, they separate. Katy looks into his eyes.

KATY

Finally, there's one more thing I can scratch off my to-do list.

The elevator door opens as Katy walks inside. She turns around, facing Johnny. Johnny is still in shock. She just smiles as the door finally closes. Johnny turns and slowly walks to the hotel's front door. He turns, looking back at the elevator door. He smiles.

EXT. HOTEL - SUNRISE - NEXT MORNING

The city is back to business as usual as the streets are crowded. From the distance, we SEE a delivery truck approaching the hotel.

INT. EVA'S HONEYMOON SUITE

Eva wakes up to the SOUND of her telephone RINGING. As she picks up, she can see Levi heading towards the door.

EVA

Where are you going so early?

LEVI

I'm just going down to the lobby to get a paper. Need anything?

EVA

Just a bagel and lox. And some orange juice. I love you!

LEVI

I'll be right back.

Eva turns her attention to the phone now.

EVA

Hello?

INT. KATY'S HOTEL ROOM

Katy is looking out her penthouse window at the street below.

KATY

You're never going to guess what happened last night.

EVA (V.O.)

I thought that was my line.

KATY

As if I don't know what happened in your world. Just tell me that I'm going to be a grandmother in nine months.

EVA (V.O.)

Oh, I think that's a definite maybe. So what's this big thing you couldn't wait to tell me?

KATY

I kissed Johnny.

INT. EVA'S ROOM

She's getting up now and walks over to the window, opening it.

EVA

No way! Mom... I thought you said...

KATY (V.O.)

It was only a kiss... that's all.

Eva LOOKS out her window, enjoying the sunrise. As she LOOKS DOWN, she SEES Levi purchasing a newspaper from a vendor across the street from the hotel.

INT. KATY'S ROOM

Katy is now LOOKING at the same thing. WE NOTICE the white delivery truck parking beside the street vendor in the busy shopping area.

KATY

I would never go any further and you know it.

EVA (V.O.)

I know... you're afraid if you get too close to someone that something will happen to them. Do you know how long I lived in fear of being cursed too?

As Katy stares out below, her expression turns to one of fear.

EXT. HOTEL - THE WHITE TRUCK

parked next to the vendor EXPLODES, apparently a suicide bomber! The vendor and Levi are completely obliterated!

INT. EVA'S ROOM

Eva is looking down in total shock. Katy's VOICE can be heard through her receiver, which Eva has dropped to the floor.

KATY (V.O.)

(screaming)

Eva! Eva! Answer me!

Her words hauntingly ECHO as we

FADE TO: BLACK

VIDEO GLITCH.

FROM BLACK, we begin traveling through space with stars passing us.

NARRATOR (V.O.)

I guess this is where I come

in... again.

(beat)

John and Ezekiel were given a scroll with words written inside and out. Both were commanded to eat the words and in their mouths the taste would be as honey, but bitter in their belly. Such is a revelation of truth from God containing lamentations, mourning and woe. Divine words are sweet but can be hard on the stomach when full of dark prophecies. Such is this story...

INT. GOD'S THRONE ROOM - DAY - BLUE OX CHERUB'S MONITOR
displays the visuals from the last scene as our VIEW WIDENS.

BLUE OX CHERUB

The last time we met, you had finished learning your past before Christ's ascension. I'll show you what happened next.

EXT. TEMPLE COURT - 9:00 AM

The disciples are among 120 men gathered and seated in prayer.

Subtitle: "Day of Pentecost."

Suddenly, a rushing wind comes from Heaven above, like when the winds blew about the men working on the tower of Babel.

NARRATOR (V.O.)

When you combine the heavier isotopes of hydrogen, deuterium and tritium, you get fire. Now that the Son was seated at the right hand of His Father, they were united again. This created... fire!

FIRE appears above the heads of men as they begin speaking AD LIBS in various languages. A crowd of people from the city has gathered and is amazed to hear these men speaking in their own native tongue.

NARRATOR (V.O.)

The same spirit that caused confusion at Babel now came to unite all men by giving them utterance and understanding of

all tongues.

PETER, one of the twelve disciples, begins to prophesy.

PETER

In the last days, God will pour
out his spirit among all flesh.
He will show signs and wonders in
Heaven above and Earth below:
blood and fire and vapor of
smoke. The sun shall be turned
into darkness and the moon into
blood, before that great and
notable day of the Lord.

INT. LIBRARY — NIGHT — A CANDLE

lights an old, bearded man who is writing in a huge book.

OLD MAN (V.O.)

They were the inventors of the
peculiar wisdom concerned with
the heavenly bodies and their
order. And that their inventions
might not be lost, upon Adam's
prediction that the world was to
be destroyed at one time by the
force of fire, and another time
by the violence and quantity of
water, they made two pillars; one
of brick, the other of stone.
These remain in the land of
Siriad to this day.

He signs the text, "Flavius Josephus." He closes the book,
revealing the title: "JEWISH ANTIQUITIES."

DISSOLVE TO:

EXT. CAIRO (EGYPT) — DAY

Various ANGLES of the pyramids emphasizing they are made from
brick and the sphinx carved from solid stone.

FADE TO: BLACK.

Subtitle: "Rome, 303 AD"

From BLACK, we SEE an apparition appearing in a pool of light.

INT. BEDCHAMBERS — NIGHT — THE EMPEROR DIOCLETIAN

is on his knees, trembling with fear as the apparition speaks.

APOLLO

Diocletian, I am the Sun God,

Apollo. You are the emperor yet
Christians refuse to bend even
one knee to honor you. Their
example will cause Rome to fall
to her enemies unless destroyed.

DIOCLETIAN

What am I to do?

APOLLO

They claim to be the light of the
world... so burn them.

EXT. ROMAN TOWN SQUARE - NIGHT

A great bonfire is blazing in the center of town. Many men
and women tied to stakes are being set on fire.

Subtitle: "Feast of Saturnalia"

We see hundreds of Christians being used as torches to light
the night sky. Romans are using them for light.

NARRATOR (V.O.)

The city of Saturn... one day to
be called Rome.

Pigs are sacrificed on an altar in front of the Pantheon.

NARRATOR (V.O.)

This Pantheon was built to honor
all gods and deities.

Here we SEE statues of a mother and child referred to as the
"Queen of Heaven" and her "reborn king." A painting of the
Queen of Heaven shows a woman surrounded by rays of light.
She has a crescent moon under her feet.

NARRATOR (V.O.)

Diana and Minerva of Troy, simply
incarnations of Semiramis. These
images of goddesses supposedly
fell from heaven... or Jupiter.

Pagan prayers honor "Saturn, the hidden god and true light."
Romans and slaves alike are celebrating by eating and
drinking. Many orgies take place in pagan temples with temple
prostitutes.

NARRATOR (V.O.)

Since they worshipped fertility,
their services were often orgies.

Little clay images, "sigillaria," are being exchanged as
gifts.

EXT. APOLLO'S TEMPLE - NIGHT - A PRIESTESS

at the Oracle at Delphi mocks Holy Ghost Christians by speaking belligerent AD LIBS in a drunken manner.

EXT. ROMAN COLISEUM - NIGHT - CHRISTIANS

are BURNING as torches along the top of the arena. Several ANGELS invisibly watch, including MICHAEL and GABRIEL.

GABRIEL

It's time to stop this.

MICHAEL

Let's fight fire with fire.

A MAN

is burning as we LOOK into the door of a hot oven.

INT. FLAMING HOT OVEN - THE MAN

screams in pain as he's on fire. It's Diocletian! Our VIEW WIDENS revealing we are actually in HELL.

EXT. ROMAN CAMP - NIGHT

Subtitle: "Rome, October 27, 313 AD"

Roman soldiers are preparing for battle.

INT. CONSTANTINE'S TENT

A soldier is announced. He brings a gift to CONSTANTINE. Constantine's GUARD opens the gift. It's a Roman spear tip.

GUARD

The legendary sword of kings.
Carry it tomorrow.

Suddenly a mysterious light appears to Constantine. It's some kind of apparition. Constantine faints. Unsure if dreaming or awake, Constantine hears a VOICE.

VOICE (V.O.)

Fight under this sign.

The bright light forms two letters: "X" and "P."

VOICE (V.O.)

You will be victorious tomorrow.

Our VIEW WIDENS to reveal Constantine now looking up into the sky where he SEES this unusual symbol.

CONSTANTINE

The first two Greek letters of
Christ's name... chi and rho. It
is his God who has promised me

victory tomorrow.

EXT. BATTLEFIELD — NEXT MORNING

Constantine's soldiers carry shields displaying bright red crosses. Some exhibit the two Greek letters in Constantine's vision. Other shields display a double-cross and swastikas.

DISSOLVE TO:

LATER

The battle is over now and Constantine has been victorious.

CONSTANTINE

I've been given victory by the god of the Christians. Today, this twenty-eighth day of October marks the end of their persecution. To honor my victory over Maxentius, I'll build an arch. The Arch of Constantine. Through this arch, Romans can pass from the east to the west... a united Empire.

The crowd CHEERS.

NARRATOR (V.O.)

Ironically, the Saint Louis Arch, which also became a gateway to the west, would be completed on the twenty-eighth day of October in 1965 AD. Do you remember the date when God made the colorful arch in the sky for the first time? Or when the Statue of Liberty was dedicated?

DISSOLVE TO:

EXT. VATICAN HILL — DAY

A basilica is being built over a two hundred year-old shrine to St. Peter. Constantine admires the progress.

CONSTANTINE

(to a bishop)

The early popes of your church believe this is where Saint Peter was crucified?

BISHOP

Well... yes. As you know, this was once the site of Nero's

gardens. Many early Christians suffered martyrdom here. Tradition holds that Peter was one of them.

CONSTANTINE

What about the critics who claim he was never in Rome? Why did their apostle Paul never mention him in his letters to Rome?

BISHOP

You know how traditions are sire... once they begin; they have a life of their own... and only grow with time.

CONSTANTINE

What do you believe?

BISHOP

Whatever the people believe.

CONSTANTINE

I see. These same people give you your office and title?

BISHOP

Yes, sire.

Constantine walks away from the bishop, shaking his head.

CONSTANTINE

Apollo was the son of Jupiter. He is the god of light, purity and the sun. I worship him.

BISHOP

There are many religions and mystery religions in your kingdom. Therefore, there are many gods worshipped here. Which will you serve on your deathbed?

CONSTANTINE

I'll let you know on that day.

Subtitle: "Twenty-four years later."

INT. EMPEROR'S BEDCHAMBERS — NIGHT

Constantine is on his deathbed. The bishop, even more decorated now, is reading Latin phrases from a book.

CONSTANTINE

(to bishop)

Bury me in a tomb with twelve empty coffins, one for each of

the disciples. Since I helped
the Christians, I want to be
buried as one of them. Place my
body in the thirteenth coffin.

We see a coffin with skull and crossbones on its side.

CONSTANTINE

Has anyone found the spear tip?

BISHOP

No sire, it's still missing from
yesterday.

Constantine closes his eyes and dies.

FADE TO: BLACK.

From BLACK, we HEAR

VOICE (O.S.)

You, who have confessed your sins
to me, go from darkness now and
discover the light. Find the
true light and be enlightened.
Your journey through death will
be complete when you are
resurrected as light, reborn in
the heavens. I command you,
young Demasus, to rise.

Our sight returns from a bright, blurry light.

INT. ROME - PAGAN TEMPLE

As we FOCUS, we SEE many men looking at us. We discover we
are seeing the world through the eyes of a twelve year-old
boy, DEMASUS. A PRIEST is holding an ear of corn.

PRIEST

You must now prepare for the
second of seven degrees. You'll
learn about the death and rebirth
of a seed. This ear of corn
symbolizes Osiris. The burying
of the seed symbolizes his death.
When it rises out of the ground,
it symbolizes the resurrection of
Osiris, who is now Orion among
the stars in the sky.

Demasus gets up, then RUNS out of the Egyptian-like temple.
The other men, dressed in robes, LAUGH.

PRIEST

I told you he was too young to
become a member.

EXT. ROMAN CITY STREET — DAY

Demasus is met by another boy his age, GRATIAN as they both walk through the market. They're looking at some apples.

GRATIAN

Buy something. I'm starving.

DEMASUS

I can't. I'm broke. The initiation cost me all I had.

GRATIAN

Initiation? To what?

DEMASUS

Mithraism. I'll tell you more later. Right now, my stomach's talking.

Demasus steals a couple of apples while a vendor isn't looking. They run off to a nearby alley.

GRATIAN

(panting)

Mithraism? Why did you go and join that bunch of stupid idiots?

DEMASUS

They're not stupid. They're gonna help me attain a higher wisdom. You'll see...

GRATIAN

What'd they teach you?

DEMASUS

I'm not supposed to tell anyone. I took a blood oath.

He sits down beside Gratian. They begin eating the apples.

DEMASUS

All right. The first initiation rite is the most difficult. I had to face and pass through the forces of nature. Water was the hardest... I almost drowned.

(pause)

Did you know thousands of years ago all the Aryans almost drowned when their home sank into the ocean?

GRATIAN

Where was their home?

DEMASUS

Some island called Atlantis. You

could only get to it by sailing
through the Straits of Gibraltar.

GRATIAN

My mom told me the only right
religion is Christianity.

DEMASUS

The Christian church is dull and
boring. Mystery religions at
least are exciting.

GRATIAN

You're gonna burn in hell.

Demasus takes offense to these fighting words and takes off,
chasing his best friend down the street.

EXT. GRATIAN'S PALACE - DAY

Subtitle: "Rome, 378 AD, forty-one years later."

A church procession is arriving. Demasus, the bishop over all
the church now, is led into the palace like royalty.

INT. THRONE ROOM

Gratian sits upon the throne as Bishop Demasus enters.

GRATIAN

Old friend, what honor do I owe
this visit?

DEMASUS

As representative of the
Babylonian Mysteries, I come to
you, the new emperor of Rome,
with a title... a tradition going
back to Julius Caesar and beyond.
You are now the Head Master of
the Mysteries.

GRATIAN

(to his guards)

Leave us!

Everyone clears the room, leaving only Demasus and Gratian.

GRATIAN

Demasus, old friend. You know
how I feel about mystery
religions. I cannot, in good
conscience, accept the title.

DEMASUS

What am I to do? It would be an
insult to refuse. Most of your

guards belong to the Mysteries.

Gratian begins pacing back and forth. He picks up an apple from a fruit basket and walks over to a window, looking out.

GRATIAN

What if I bestowed the honor upon you, starting a new tradition?

DEMASUS

(joining Gratian)

The Pope of the Christian Church, the Head Master of the Mysteries?

GRATIAN

(turning to him)

Yes.

DEMASUS

I suppose it could work. The public would never have to know.

GRATIAN

Then it's settled. You... are the new Head Master.

Gratian tosses the apple to Demasus, who takes a bite.

GRATIAN

You know you're going to hell.

DEMASUS

You know... I think I'm too old to chase you anymore.

EXT. ROME — DAY

We SEE the bishop Demasus now wearing the two-horned mitre of the fish god Dagon. He's being initiated as the Head Master.

NARRATOR (V.O.)

And mystery religions from Babylon and Christianity became intertwined. Mystery Babylon was born. From her, all future denominations of the church would come. Her seat of power, the city upon seven hills... Rome.

EXT. PAGAN TEMPLE — DAY

Several women are praying to various statues. The new church has adopted icons of the Babylonian mother and child.

A young woman prays to a statue of the Egyptian Isis and Horus. She CALLS them Mary and Jesus, but the statues are

Egyptian.

NARRATOR (V.O.)

Demasus restored and beautified
all heathen temples in Rome,
encouraging their rituals. He
restored the Pantheon in Rome.

Overlooking this is the invisible Prince of Rome, TURYAL.

TURYAL

Now, to complete my work. The
Book of Enoch must go. The truth
about giants must be buried in
the past. Our future depends on
this truth being forever lost.

INT. CHURCH COUNCIL MEETING

Bishop Demasus sits around a table of men in a heated debate.
One of the men is drawing a picture of an angel.

CHRYSOSTOM

It would be folly to accept such
insane blasphemy, saying that an
incorporeal and spiritual nature
could unite itself to humans!

FILASTRIUS

He who thinks that angels, having
been transformed into flesh,
sinned in such a way and remained
in this flesh or thus did such
carnal deeds -- this one discerns
history with a convoluted logic.

AUGUSTINE

Sons of God in Genesis Six refer
to the righteous sons of Seth who
married the daughters of Cain.
These sons of God could not have
been angels. Angels fell from
pride, not lust.

The man drawing an angel draws a circle around its head,
giving the first halo to an angel in art. The yellow circle
resembles the golden sun in the sky, which the artist SEES
just outside a nearby window.

MAN ONE

If you argue that giants came

from the sons of Seth and the daughters of Cain, how do you account for giants AFTER the flood? Cain's seed was gone!

MAN TWO

By giants, do you refer to Anakims and Rephaims?

MAN ONE

In Deuteronomy 3:11, the bed of a giant measured eighteen feet, nine inches long!

FILASTRIUS

(interrupting)

Teaching from the book of Enoch should be considered heresy!

MAN ONE

What about the Book of Jude? Jude quotes Enoch in verses fourteen and fifteen!

MAN TWO

Jude was the half-brother of Christ. We can't throw Jude's book out of the Bible.

MAN ONE

That's my argument -- if the man grew up with our Messiah, he ought to know something of Enoch's authenticity!

All of the men start arguing and shouting loudly.

DEMASUS

(rising with anger)

If a priest takes a vow of celibacy and never breaks it his entire life, then how could angels? The Book of Enoch is HERESY and that's final!

EXT. ROMAN STREETS – NIGHT

There's a great bonfire in the Town Square. People are SEEN throwing Enoch scrolls into the fire.

NARRATOR (V.O.)

Scribes were forbidden to copy the Book. Enoch's words almost became lost to man.

EXT. ROME - NIGHT

Subtitle: "Feast of Saturnalia, a few years later."

Roman pagans we saw setting fire to the Christians are playing the role of Christians. Someone AD LIBS, "When in Rome..." Several women kneel before a statue of Mary and the baby Jesus. A PREGNANT WOMAN prays to a statue of Isis and Horus.

PREGNANT WOMAN

Oh mother Mary, bless the child
in my womb...

NARRATOR (V.O.)

Jesus said it was more blessed to hear and obey God's word than to have been his mother. Conversion of pagans into the fold demanded the mother be worshipped also.

Many new Christians are seen praying to statues and relics.

NARRATOR (V.O.)

Jesus said no one could come to the Father except by Him. Paul said there is one mediator between God and men. Pagans always had more than one mediator and now... so did the new church.

EXT./INT. ROMAN HOMES - NIGHT

Subtitle: "December 25th. Feast of Saturnalia ends."

People exchange gifts and light the last candle of the season. Someone AD LIBS "Saturn is the light of the world."

NARRATOR (V.O.)

The Sun God's birthday had always been celebrated on this day. Recruiting more pagans into Christianity meant one final compromise. Jesus would have to share his birthday. As the new church gathered in Mass on this day, it would be called Christ's Mass, becoming... Christmas.

EXT. ROMAN MARKET SQUARE - DAY

Merchants are selling goods, which are all packaged as gifts. Various moneychangers in front of pagan temples are sitting on benches in the courtyard leading into the temple. As some of these gifts are brought in, paper notes denoting the value of the gift are given in return.

NARRATOR (V.O.)

People were allowed to borrow from the wealth stored in pagan temples. But the wealth was left in the temples and only a paper promissory note was needed to borrow on this new wealth. World banking began...

INT. TEMPLE

Several men are lounging around the temple as dozens of women are entertaining these traveling male merchants.

NARRATOR (V.O.)

Ancient Babylonian rules of paganism forced all unmarried women to serve as temple prostitutes for one day. Merchants gladly gave their wealth to the temples to enjoy the services of these women.

A man lies in the middle of these women. It's Demasus!

INT. FRANCE - NIGHT - LARGE CASTLE - ONE YEAR LATER

An elderly WIDOW is on her deathbed. Several church officials, including Demasus, surround her.

Subtitle: "Feast of Saturnalia. One year later."

DEMASUS

(whispering)

If you leave all your wealth to the church, I can promise you forgiveness of all your sins and guarantee your place in Heaven upon your death.

WIDOW

What about my husband who died earlier this year? Will you pray to get his soul out of purgatory?

DEMASUS

I'll personally pray until the sun rises in the east.

The widow smiles and nods her head.

WIDOW

You may have everything.

She dies as Demasus begins chanting in Latin.

EXT. WIDOW'S CASTLE - SUNRISE

Several church officials are SEEN leaving her estate with valuables in hand. We FOLLOW their procession to...

INT. WIDOW'S CASTLE - CLOSE ON - DEMASUS

snoring loudly in the widow's bed, her body long since removed. Several other BISHOPS are busy removing paintings.

BISHOP ONE

Should we wake him?

BISHOP TWO

He's been asleep for hours.

BISHOP THREE

Let him sleep. Another widow lives just down the road.

EXT. TURKISH TOWN - NIGHT

People are still exchanging clay statues as gifts.

INT. POTTER'S WORKBENCH - A DWARF-SIZED MAN

is creating clay statues. His muddy hands hold up his latest statue for better inspection in the lamplight.

MAN

I'll call this one... Adam.

EXT. POTTER'S SHOP - SUNSET

The midget potter leaves his shop, heading towards a church with a sack full of the clay statues.

INT. CHILDREN'S BEDROOM - LATER THAT NIGHT

A bishop leaves the toy statues for children as they sleep.

NARRATOR (V.O.)

You guessed it... the bishop was named... Saint Nicholas.

Satan invisibly observes this. His bulbs LIGHT UP!

SATAN

Now, that gives me an idea.

INT. HAPSBURG FAMILY ESTATE (AUSTRIA)

A man of nobility is standing in front of several relics. He SEES a Roman sword tip and picks it up to examine it.

NARRATOR (V.O.)

Excalibur... the sword drawn from a stone, making Arthur a great king. Jesus was referred to as the stone cut without hands and the ROCK. The sword taken from his side would make a ruler a great king. So the legend goes.

The man studying it has a big, red nose. A SERVANT enters.

SERVANT

Rudolph... you shouldn't keep other heads of state waiting.

EXT. PARIS STREETS - DAY

Thousands of knights are returning upon horseback. Their shields display red crosses, double-crosses and swastikas.

Subtitle: "1307 AD. Paris, France. The Crusades."

INT. FRENCH PALACE - LATE AFTERNOON

The French KING PHILIP IV and a French ARCHBISHOP are receiving reports from the Templars' leader, JACQUES DE MOLAY.

JACQUES DE MOLAY

We have returned with more treasures, Your Majesty. But we need more men.

KING PHILIP

I believe the Pope is capable of granting more pardons in exchange for service.

ARCHBISHOP

Indeed, Philip the Fair. All who die in battle against these pagans shall have immediate remission of sins.

Jacques de Molay nods, bows and leaves.

KING PHILIP

I don't like this. The Templars have become the wealthiest group in the entire known world.

ARCHBISHOP

Paris has become the center of the world's money market where Pope's and kings alike deposit their revenues. The Templars protect all financial transfers.

KING PHILIP

They've become a secret society practicing witchcraft. Our spies report this. Templars victimize the very pilgrims they protect. These Crusades are causing Jews to be persecuted now because they blame them for killing Jesus.

ARCHBISHOP

What are we to do?

KING PHILIP

I have a plan.

INT. WIDOW'S CASTLE - NIGHT

A young man dressed in armor sits alone in a small room. He is preparing for his initiation. Above his head is a sign.

INSERT - SIGN

"If curiosity brings you here -- leave. There's still time."

INT. DINING ROOM/CASTLE - CLOSE ON - A SKULL

sits in front of De Molay, who is seated at a round table with eleven other Templars. They're obviously in a secret meeting.

DE MOLAY

All men are brothers and must be judged according to their good works, and not the religion they belong to. Humans can be redeemed only through knowledge.

EXT. WIDOW'S CASTLE - NIGHT

The King's armies ride towards the castle holding torches.

INT. DINING ROOM

De Molay holds the skull while addressing the others. There is a silver dollar-sized hole carved in the side of the skull.

DE MOLAY

Jesus was never crucified. He married Mary Magdalene. His descendants are the Merovingians, the true nobility in France.

EXT. WIDOW'S CASTLE - NIGHT

The king's armies secretly take positions around the castle.

INT. DINING ROOM

DE MOLAY

The Merovingians believed one must drill a hole in the skull to release the spirit. On our most recent Crusade, we found this on the Hill of the Skull. Some claim it belongs to Adam...

Suddenly, there's a KNOCK at the DOOR.

EXT. CASTLE

Dozens of French soldiers escort the Archbishop to the front.

ARCHBISHOP

You are under arrest by the King of France, charged with witchcraft and heresy.

CUT TO:

LATER

The Templars, including De Molay, are led away in chains.

EXT. NOTRE DAME CATHEDRAL (PARIS) - DAY - SEVEN YEARS LATER

DE MOLAY

The last Grand Master of the
Templars was burned at the stake
for heresy in 1314.

INT. SECRET MEETING – NIGHT

A group of Templars conducts a secret meeting. They AD LIB
"how to avenge their leader." They make a secret sign by
slashing their hands across their chests.

OLD MAN (V.O.)

Rain, famine and war in Persia

For the end was planned and

INT. NOSTRADAMUS' STUDY – NIGHT

Nostradamus is sitting at his desk writing.

OLD MAN (V.O.)

He signs, "Nostradamus" under the book's title, "CENTURIES."

EXT. BAVARIAN CASTLE – NIGHT

Subtitle: "Ingolstadt, Bavaria. 1777."

INT. CASTLE

ADAM WEISHAAPT and several MEN are in a secret meeting.

ADAM

We must rid the world of its
monarchies. We'll get our
members in every office of
education and the press.

He holds up a manuscript for all to see.

ADAM

This contains my plan for the future. Study it well.

Several of the men gather around the opened book.

ADAM

We'll encourage strife among men and let them destroy themselves. We'll pick up the pieces and begin our reign of peace.

One MAN has found something in the book, which causes concern.

MAN

Why is Masonry dropping the Tower of Babel and replacing it with Solomon's Temple?

ADAM

We must continue to hide our true allegiance. Most men would never openly commit to pagan worship, so we must disguise it... make it easier to swallow. By changing Nimrod to Hiram, men of conscience will join us.

MAN

(referring to book)

Who will finance all this?

ADAM

The International Bankers, keepers of the Templars' wealth, will finance all. Every war from the French Revolution... to Armageddon!

EXT. PARIS STREETS — DAY

EXT. WASHINGTON, DC — DAY

Subtitle: "September 18, 1793. Washington, DC."

GEORGE WASHINGTON conducts a Masonic ceremonial dedication of the cornerstone being laid for the US Capitol building. We SEE a drawing showing a serpent, "Don't Tread on Me" and a divided serpent into thirteen pieces, "Unite or we die!"

GEORGE WASHINGTON

We must preserve the sacred fire

of liberty. If we lose that sacred fire, if we let it be smothered with doubt and fear, we will reject our destiny.

INT. NATIONAL CONVENTION (PARIS) - NIGHT

with eleven men seated around a table. Two of the men are conversing.

MAN ONE

I remember well his rallying cry, ECRASEZ L'INFAME.

MAN TWO

Yes, of course... "Crush the evil thing." Voltaire was referring to religious superstition. But, I'm referring to his book, "MICROMEGAS."

MAN ONE

Yes, also penned during the Age of Reason.

MAN TWO

But, my point is this: in the story, giant visitors came from a distant star and from the planet Saturn...

MAN ONE

I've read the book, monsieur. It discusses man's insignificance...

The two men are interrupted as MAXIMILIEN ROBESPIERRE, leader of the Public Safety Committee, enters carrying a small crate.

ROBESPIERRE

We've raised an army to defend France from her enemies from without... and from within. All rebels who oppose the National Convention have been rounded up and beheaded. But this Reign of Terror must go farther.

He opens the crate, revealing the French King's head.

ROBESPIERRE

Why stop with the king?

EXT. NOTRE DAME CATHEDRAL - DAY

Subtitle: "November 1793."

Hundreds of ROWDY patriots surround the town square in front

of the cathedral. A bishop is on trial before a tribunal. The tribunal unanimously gives a "thumbs-down" as the bishop is led to the guillotine located on the church steps. The blade rises as the bishop is placed in the wooden stocks. The BLADE then COMES DOWN and his head FLIES OFF. His blood spills into the street. The two men from Robespierre's committee are observing everything.

MAN ONE

Should we not clear away the
blood of a priest?

MAN TWO

Why? It's the blood of a rebel.
Let the dogs lick it up.

INT. NOTRE DAME CATHEDRAL

A revolutionary crowd has taken over the church. They are wearing priest's garments, robes, etc. One man performs a mock service as a PRIEST.

PRIEST

The church represents the pillar
of the old order. Today, we'll
change the old order into a new
order and forever change history.
No more BC or AD marking the
birth of Christ on our calendars
either. We'll begin all
calendars in France on the day
the new French Republic was born,
September 22, 1792!

The crowd becomes LEWD. Several patriotic maidens dressed in white dresses make their way to the altar.

PRIEST

All maidens will be enthroned as
goddesses in this Temple of
Reason, celebrating the New Age
of Reason.

He disrobes as an orgy begins with the new temple prostitutes.

INT. FRENCH PALACE — NIGHT

The two men from the committee are watching crowds in the streets below where more citizens are losing their heads.

MAN ONE

Soon, there will be no more
people to rule.

MAN TWO

We must hold a secret meeting

with the others. I'm sure they will vote with us to stop this bloodletting.

EXT. NOTRE DAME CATHEDRAL – DAY

A countdown is in progress as we HEAR MISSION CONTROL.

MISSION CONTROL (V.O.)

Five, four, three, two, one,

We SEE a huge Saturn Five rocket BLASTING OFF.

EXT. MIDWESTERN RANCH — NIGHT

A HELICOPTER can be heard overhead where some cows are grazing. Suddenly a LIGHT APPEARS above a cow.

EXT. SEVERAL MINUTES LATER — THE COW

COWBOY (O.S.)

That's right, the cow's blood is
gone... all of it. Those cuts on
its body were too precise to be
done by kids. Somebody knew what
they were doing... but what?

EXT. THE VATICAN - MIDNIGHT

Subtitle: "Christmas Eve, 2003 11:59 p.m."

A huge crowd has gathered in St. Peter's Square. An ANNOUNCER
for a news station begins commentating.

ANNOUNCER (V.O.)

The Vatican announced that an
unfulfilled Fatima prophecy is
about to be revealed. The Pope
will unseal the last of the
Fatima prophecies outlined by Our
Lady of Fatima back on October
13, 1917 to three young girls.
They promised to only reveal the
last prophecy eight days before
its fulfillment. Tonight marks
the first of those eight days.

The Pope appears. He unseals a scroll and begins to read. As
he speaks in Latin, a female voice translates.

TRANSLATOR (V.O.)

My children, I come to you as a
mediatrix between God and man.
Soon, great chaos will come.
Store canned food and water.

Take candles and blankets too.
But from this unrest will come a
time of great peace. Like the
peace between Arab and Jew
allowing the rebuilding of the
Jewish temple, ushering in the
return of my Son.

ANNOUNCER (V.O.)

As you know, Saddam Hussein's
son, Uday, authored the
agreement. Jews were only
allowed to rebuild the Holy of
Holies, as the Dome on the Rock
restricted room for their entire
Temple. Since the Moslem faith
denies the Jewish claim to
Jerusalem, the peace treaty came
from the Jewish belief that if
they're allowed to rebuild their
Temple, their Messiah would come
after seven years. If He doesn't
come at the end of seven years,
then Jews must give all of
Jerusalem to Palestinians...
forever.

EXT. TIMES SQUARE - NIGHT

Partying crowds are everywhere awaiting the New Year. Some
religious fanatics are carrying signs saying, "THE END IS

Due to recent terrorist threats,
the National Guard, along with
FEMA's State Defense Forces, has
taken up positions around every
major city in the US.

We SEE the St. Louis arch in the b.g. behind a small house.

INT. PATTY'S HOUSE

A TV can be HEARD as someone is watching the New Year's Eve coverage from Times Square. PATTY, thirty-one, is in the kitchen doing dishes. Her twelve year-old fraternal twins, J.J. and D.D., are arguing over the TV in the living room.

PATTY

I told you two to share!

INT. LIVING ROOM

The kids have begun playing a video game as the boy takes his turn playing the Playstation game, "SPYRO THE DRAGON."

INSERT - VIDEO MONITOR

A fire-breathing dragon chases a lamb, burning him with fire.

BACK TO SCENE

A game box for "DOOM" sits beside the Playstation game. The box shows a sinister-looking devil with two large horns. Patty enters the living room and observes her kids playing.

PATTY

Hey you two, I told you I want to watch the TV tonight.

Coverage of midnight Mass from Rome returns to the TV as the kids' game stops. Patty and the kids listen for a moment as the Pope's words are being translated into English.

TV (V.O.)

Our Lady has warned us of the great upheavals to come soon.

PATTY

I've got a better idea, how 'bout we watch a video?

She places the video to "FROSTY THE SNOWMAN" into the VCR.

INSERT - TV

Frosty comes to life after kids put a magic hat on his head. He speaks his first words.

FROSTY (V.O.)

Happy Birthday!

EXT. TOP OF EMPIRE STATE BUILDING - NIGHT

Reporters have set up a media headquarters here and are

covering the celebrations live on their various stations.

REPORTER

Yes, it's true. As a precaution, the government has rounded up all known militia group leaders because of anonymous threats of a coup to take place tonight.

A different network's ANNOUNCER can be HEARD.

ANNOUNCER

Tonight's coverage sponsored by THIRDDUNION: The beacon of light in a confusing world of investments. If you can't come to the mountain, the mountain will come to you.

We SEE the commercial on a monitor. A man with tattoos, multicolored hair, and numerous body piercings acts as their stockbroker. He's showing an older couple how to invest online. A graphic disclaimer barely readable is displayed.

"Not FDIC insured. May LOSE value."

INT. SUBWAY CAR - UNDERGROUND, NEAR TIMES SQUARE

OLD LADY

I feel safe when you Angels are down here with us.

INT. DOLLAR MOVIE THEATER

We join a sci-fi film festival at a double-screen theater. Stanley Kubrick's "2001" and episode one of "STAR WARS" are on separate screens. We HEAR a line from "STAR WARS."

As the huge video screen in Times Square goes dark, the partying crowd starts to panic now as chaos begins.

INT. NORAD HEADQUARTERS (COLORADO) — MINUTES LATER

We SEE radar monitor's track multiple incoming missiles from Russia, China, and other countries.

EXT. VARIOUS US CITIES — VERY DARK

There's obviously no power for radio, television or EBS warning systems. Only FEMA guards with BULLHORNS are able to WARN people in the streets of the impending disaster. People are too drunk from partying to care and ignore the warnings.

INT. ELDERLY PERSON'S HOME

An old man kicks an electric heater, grabbing another blanket.

EXT. NEW YORK CITY — NIGHT

The "Jesus is coming... are you ready?" billboard lies on the ground. Its owner has vanished.

Subtitle: "The International Space Station."

Subtitle: "Jewish Passover and Good Friday's Eve, 2004 AD"

INT. SPACE STATION

The SOUND of an electronic warning BEEPS to alert the crew, but they fail to see a small spaceship already headed towards Earth. HAL, an Asian in his mid-twenties, turns the warning light off as a computer indicates the UFO was an "asteroid."

INT. CHAPEL

Other astronauts of different nationalities are preparing to celebrate Easter by decorating this onboard chapel. As we HEAR the astronauts of different nationalities SPEAK, a small laptop computer-translating device translates their language. CLOSER VIEW of the device reveals the Macintosh logo, a multicolored rainbow apple with a bite missing.

INT. RECREATION ROOM

Some of the younger astronauts are playing a video game.

INSERT - VIDEO SCREEN

Grotesque demons help the evil Midgard Serpent take on Thor, who wields his golden hammer in a game called "RAGNOROK." The

game is INTERRUPTED by another SIGNAL... a live feed from Rome on the Global One TV Network.

BACK TO SCENE

The players SHOUT AD LIBS to Hal that "the monitors are screwing up!" Hal's Chinese is translated into English.

HAL (V.O.)

All right, I'm working on it.

It's just some interference.

INT. CHAPEL

An astronaut with rosary beads in his hands is WATCHING the Roman Catholic Mass on a MONITOR, which Hal is adjusting. In the b.g. is a portal through which we can SEE Earth below. As our VIEW PULLS US through the window, we MOVE towards Italy.

EXT. ROME - NIGHT - THE PANTHEON

The ancient Roman building still stands and is well preserved.

NARRATOR (V.O.)

EXT. THE VATICAN/ST. PETER'S SQUARE - NEAR SUNSET

Crowds fill St. Peter's Square, covering the double-cross within a sphere on the piazza. An obelisk sits in its center.

INT. SAINT PETER'S BASILICA

A statue of the Virgin Mary holding the baby Jesus is in the f.g. of the Catholic service. The POPE makes his way to the altar. He wears a two-horned mitre and is followed by other similarly dressed Bishops and Cardinals. A news anchor refers to him as "Pope Peter, the Roman."

EXT. SAINT PETER'S CHURCH - OUTER BALCONY

A man wearing a Masonic ring watches from a window above.

ANNOUNCER (V.O.)

This new Pope has been viewed by many as very liberal. Since the unification of so many Christian churches, he's really been a global leader in restoring the love and fellowship of so many

separate denominations. His love
and open acceptance have allowed
women priests, gay marriages,
abortion, and birth control.

The Pope addresses the crowd below in St. Peter's Square. The
device we saw on the space station TRANSLATES LATIN for us.

POPE (V.O.)

She warns us of future
chastisements. They'll be worse
than those of New Year's Eve.
We'll know more at midnight.

Beside the clock is a tabloid newspaper.

INSERT - NEWSPAPER HEADLINE

"The Mississippi Mud. UFO Abductions on the Rise?
Explanation for Missing Kids on 1-1-2004?"

BACK TO SCENE

PATTY is listening to the Pope's message on the clock radio,
while coloring Easter eggs.

PATTY

I'm tired of all this Latin stuff
about the Virgin Mary.

She reaches over and changes the channel, finding a PREACHER
giving a sermon.

PREACHER (V.O.)

St. Louis has been plagued by
flooding rain, but that won't
dampen our spirits this Easter.

Patty looks out her kitchen window, where she SEES the arch.

PATTY

What did J.J. always say? "It's a
big steel rainbow, mama. It's
God's promise not to send another
flood to St. Louis."

A tear rolls down her face. She has to stop coloring the

eggs, BAWLING now, as the preacher continues.

PREACHER (V.O.)

Computers and technology...
Mankind builds his house upon
sand, which is what silicon is
made from. They put computer
chips on that. The FOUNDATION of
technology is built upon the SAND
of the Earth. Friends, build
your house upon the ROCK, Jesus!

As we continue to hear the preacher's message, we SEE

EXT. SEVEN CHURCH STEEPLES

On top of SEVEN different churches. Our FOCUS NARROWS on the
spires and steeples of each church, which resemble the TOP of
an OBELISK as we get to the last church STEEPLE.

PREACHER (V.O.)

When the thunder, lightning,
earthquakes, and 100-pound
hailstones come with God's wrath
in the end, you'll not be moved!

The last steeple now

INT. JOHN ROCKWELL SR.'S PRIVATE STUDY ROOM

A DARK room, barely lit. A man with black gloves quietly
moves around the room. We can't see his face.

He looks at a shelf of various relics, Knights Templar Maltese
crosses, antique swords, a coat of arms and a human skull.

INT. ROME - INITIATION ROOM

The walls are covered with Egyptian hieroglyphs. We HEAR more
AD LIBS from the initiation. The WORDS overlap as we INTERCUT

INT. ROCKWELL'S STUDY - THE MALE PROWLER

has found a collection of video tapes. He FOLLOWS the list of
titles which all say, "PROPAGANDA." He takes one from the
NBZ/SNL file labeled, "PROJECT 2X2L, 2-6-99" subtitled

"SATURDAY TV CARNIVAL HOUSE" and places it in the VCR.

MAN'S VOICE

2X2L... double cross to hell!

INSERT - TV SCREEN

An animated image appears on the video screen. It's a cartoon of former President Bill Clinton's impeachment trial.

SPEAKER OF HOUSE

... but Representatives, the
Constitution SAYS...

The Constitution, on display nearby in a glass case, somehow comes to life. It develops teeth. It starts killing people involved in the proceedings.

REPRESENTATIVE

I think this is a job for the
Four X-Presidents.

He summons the Four X-Presidents: Ford, Carter, Reagan, and Bush. Their SHIELD resembles the Knights Templar CREST. The prowler FAST-FORWARDS. The Four X-Presidents COMBINE FORCES to destroy the Constitution. Together they spin like a BUZZ SAW, cutting up the Constitution.

BACK TO SCENE

The prowler PAUSES the video, REWINDS a few frames, then SLOWLY PLAYS back the buzz saw part several times. He takes out a picture from his vest, comparing it to the video.

INSERT - PHOTO - A DRAWING

Of a Nazi swastika, rotating. On each of the swastika's four ends is a knife, which cut up people in concentration camps represented by skulls, bones and the Star of David.

JOHNNY

Ford, Carter, Reagan, and Bush...
The four presidents responsible
for FEMA, which replaced the
Constitution.

His curiosity piqued, Johnny picks up a "LOST IN SPACE" episode. As he reads aloud, we INTERCUT with the initiation.

JOHNNY (V.O.)

"My Friend, Mr. Nobody." A
disembodied spirit, Mr. Nobody,
dwells secretly in a cave. He

befriends Penny, who gets trapped
in the cave when Dr. Smith blasts
open its mouth to gain entry.

An Egyptian-like priest dressed like the Jackal-headed Anubis,
acts out the opening of the mouth of a mummy with a hammer.
This takes place in front of a hooded initiate.

JOHNNY (V.O.)

Thinking Penny died, Mr. Nobody
seeks to avenge her murderers.
Fighting the forces of nature
coming against the crew, the
robot is torn to pieces.

Several Masons dressed like bandits are tripping up the
initiate, now bound and blindfolded, as he's led to the altar.

JOHNNY (V.O.)

But he is put back together and
lives again. The opening of the
cave's mouth released the spirit,
which is reborn as a new galaxy
of stars in the heavens. This is
observed on an oval monitor,
adjusted by reptilian hands.

Johnny's face lights up even more.

JOHNNY

All Masonic rituals and
symbolism... zero means nobody.
Zero in the Chaldean was a
circle, the SEED, another name
for the false redeemer... Nimrod!
Someone in Hollywood is embedding
all this into TV shows?

DISSOLVE TO:

The initiate's hood is removed. It's the Pope!

ORDO AB CHAO -- The old order
must be completely and thoroughly
destroyed before the New Order,
the Third Way can be established.

He SEES a mural on the wall. Children all over the world are bringing a German boy swords wrapped in their country's flags. The boy is beating their swords on an anvil into plowshares and pruning hooks with his iron fist and hammer.

VOICE

(continuing)

The future.

A uniformed man walks past, heading towards a guarded elevator. A gargoyle statue looms overhead. The guard makes a secret sign with his hand. We NOTICE a Masonic ring on his middle finger. The other man returns the sign. As he does, we NOTICE a Masonic ring on his middle finger.

The guard allows the man to pass, who enters the elevator and pushes the DOWN ARROW button.

INT. ELEVATOR - UNDERGROUND FACILITY

Where he exits into a huge room filled with activity. He drops to his knees, as if in the presence of royalty.

EXT. ATLANTIC OCEAN - DAY

Subtitle: "Bermuda Triangle."

Several huge balls of light come DOWN from the sky alongside a patrolling American fighter jet, which doesn't even detect them. Suddenly, the balls of light plunge DOWNWARD and disappear under the surface of the ocean. This upsets some eels in the water nearby.

EXT. NORTHERN ISRAEL - EARLY EVENING

Subtitle: "Mt. Hermon"

A small spacecraft descends and lands. It's the object that picked up Elijah at the beginning of "REVELATIONS: ALPHA."

INT. SPACECRAFT

Inside the craft are LAURIANNA, ELIJAH and ENOCH. The two men are dressed in sackcloth, like prophets of old.

LAURIANNA

Oh yeah, I need to bring you up-to-date on a few more things.

INSERT - OVAL-SHAPED VIDEO MONITOR - VIDEO GLITCH

appears, like the one we've SEEN between every jump in time. VISUALS from last New Year's Eve appear ONSCREEN.

BACK TO SCENE

We now realize this whole trip through the past has been Laurianna updating Elijah, starting when he was first picked up at the beginning of the first movie. She hands both Enoch and Elijah some currency.

ELIJAH

What's this?

LAURIANNA

It's the new European monetary unit... the Euro Mark. The wars of New Years Day destroyed the USA's economy. Europe united as the Revised Roman Empire, the New World superpower.

We SEE a map of Europe divided into ten sections. Five eastern and five western nations with a common flag: a black two-headed eagle on a red and white background.

LAURIANNA

Germany, France, Spain, Italy and Greece represent the western nations. Smaller countries like Serbia, Romania, Poland, etc. were absorbed by these five. Their western capital is now

Paris. Their religious seat is Rome and most are Orthodox Christian or Roman Catholic. Great Britain was destroyed.

The map shows the western half of the flag is white.

LAURIANNA

Algeria, Libya, Egypt, Turkey and Iraq, with its expanded borders including Syria and Iran, represent the five eastern nations. Their religious seat is Mecca. Their eastern capital is near Baghdad, the restored city of Babylon. Most are Muslims.

The map shows their half of the flag is red.

ENOCH

You said the USA and Britain suffered a great attack?

LAURIANNA

Traitors and terrorists launched Russian and Chinese nuclear missiles at both countries.

On the monitor, we can see the damage in London and New York City. The entire Wall Street financial area is in ruins. Many Americans are SEEN working in forced-labor camps.

LAURIANNA

Most Americans had invested everything into the stock market. Social Security surpluses had been invested. The largest investment banker, THIRDDUNION, went bankrupt.

ENOCH

But why do so many people work in labor camps? I thought it was the land of the free?

LAURIANNA

Anyone in debt has to serve time in a labor camp until his or her debts are paid in full. FEMA, or Martial Law, replaced constitutional law.

ELIJAH

What about Russia and China?

LAURIANNA

Still communist countries.

Russia's leader, Vladimir Zhirinovskiy, is the king of the north. China, Pakistan, India, Korea and Japan... are the kings of the east.

Laurianna hands Elijah his blue mantle, which looks worn now.

LAURIANNA

Supposedly the rapture happened last New Year's Eve. Many religious leaders and children disappeared.

ENOCH

(surprised)

But we know that's not true.

LAURIANNA

There's more. The world believes two witnesses for God are upon the Earth. One is the new Pope, who claims the anointing of Elijah. The other is Our Lady of Fatima. She's supposedly the mother of Jesus. Together, they're preparing the world for the return of Peter and Paul, supposedly the two witnesses of "REVELATION."

ENOCH

Peter, Paul and Mary? Didn't they break up in the sixties?

EXT. JEWISH TEMPLE (JERUSALEM) - NIGHT - A FULL MOON RISING LIGHTS up the Temple Mount as we SEE several Orthodox Jews praying alongside the Temple Walls. OUR VIEW SHIFTS to a small home near the temple.

INT. KATY'S HOUSE (ISRAEL) - NIGHT

Family members at the dinner table join Katy, now seventy-five. We can SEE David's watch hanging from Katy's neck. Eva, Katy's daughter, is now in her late fifties. She resembles her father, David. A photo of him hangs on the wall in the b.g. Sitting next to Eva is her son JOSH, early twenties, a uniformed Israeli Air Force Pilot, and her adopted eleven year-old, DAVIE JR. Josh sits next to his girlfriend REBEKAH, twenty-two, an Air Force cadet.

EVA

You and Johnny should've gotten together.

KATY

He liked women with short hair.

Everyone LAUGHS.

KATY

(continuing)

I haven't cut my hair since the
Germans did it for me in 1945.

Davie sets a glass of wine at an empty place on the table.
Josh stands with his wineglass in hand, preparing for a toast.

JOSH

(to Davie)

Elijah's successor, Elisha, got a
double portion of God's
anointing. The anointing was
still strong, even after his
death. When a dead man's body
touched Elisha's, the dead man
came back to life.

Josh tries to scare Davie with his delivery of that last part.

KATY

(comforting him)

Davie, go to the door, as is
custom, to look for Elijah.

The boy OPENS the DOOR to discover Elijah standing there! The
Passover cup ritually left for Elijah now becomes empty.
Elijah looks over a passed-out Davie.

ELIJAH

It's time.

INT. ROCKWELL ESTATE/JOHNNY'S ROOM - LATER THAT NIGHT

We HEAR the SOUND of a wrestling match on TV.

ANNOUNCER (V.O.)

Let's get ready to rumble!

Johnny sits on the bed watching TV with JOHNNY JR, twelve.
It's J.J., Patty's boy that disappeared on New Years Eve!

RING ANNOUNCER (V.O.)

The N.W.O. uses wrestlers from
other countries as part of a
unified Earth.

JOHNNY

(to J.J.)

Mind if I change the channel?

J.J. shrugs his shoulders. Johnny SWITCHES CHANNELS.

NEWS ANCHOR (V.O.)

Iraq denies rumors of unrest
between its country and Egypt...

Johnny's wife BUFFY, a former Miss America, enters the room.

BUFFY

Dee Dee and I are going for ice
cream, want some?

J.J. gets up and bolts out the door.

JOHNNY

I guess that's his answer. None
for me, thanks.

As she leaves, Johnny undresses. Standing in his underwear,
we SEE the Masonic compass and square embroidered on them.
HILLARY RODNIM, stands at the door unannounced.

HILLARY

Oh, I'm sorry... I heard your
wife and kids so I thought you
were dressed.

JOHNNY

(covering up)

I was. It's okay. I was hoping
to see you before you left. So,
how are you?

HILLARY

Just fine, thanks. Being a New
York Senator keeps me busy.
Things better between you and
Buffy since adopting the twins?

JOHNNY

Much... her not being able to
have kids really had her
depressed. But everything is
great now. I'm glad Dad found
them for us.

HILLARY

Well, got to run. I've got to
discuss last minute election
strategies with your father.

JOHNNY

You'll be the first woman US
President. You'll see.

INT. KATY'S LIVING ROOM - NIGHT

Everyone is watching the late-night news.

ANCHOR

Finally, NASA reports the Cassini mission to Saturn is going well. We should have our first look at the moon Titan in November.

INT. DAVIE'S ROOM

Davie is asleep. His TV is on a music channel now.

V.J. (V.O.)

The pop singer Madonna has a new video... a remake of Heart's "CRAZY ON YOU" using the crazy man himself, Charlie Manson.

The video SHOWS Madonna sporting dozens of tattoos, one is a tiny swastika on the back of her right hand. Charles Manson has a swastika tattooed on his forehead.

The CHANNEL CHANGES to a movie channel.

It's the movie "CONTACT" where we HEAR the explanation about Hitler's speech being the first television broadcast signal of any real power sent into outer space. Our FOCUS ends on the swastika and Adolph Hitler.

The CHANNEL CHANGES again.

It's a television commercial for a "Psychic Hotline."

INT. COLLEGE DORM ROOM - NIGHT

As this commercial plays in the b.g., we overhear a GIRL talking on the telephone.

GIRL

But how did you know that? Oh my God... you guys are for real!

(listening)

No, this is the first time I've ever called a psychic before...

INT. PSYCHIC HOTLINE PHONE CENTER - SAME TIME

Dozens of people on phone lines assist people, posing as psychics. Our SUPERNATURAL EYES are opened momentarily to reveal DEMONS are assisting them with the information.

DEMON

(to a psychic)

I've known this girl since she was born... I can tell you anything you need to know.

INT. MASON HEADQUARTERS - MJ12 MEETING - NIGHT

Twelve men sit around a table. They're watching a news feed from the Vatican via a computer connected to the Internet.

NEWS ANCHOR (V.O.)

We are about to begin. His Holiness has been briefed.

Sitting at the table's head is JOHN ROCKWELL, ninety-nine. He struggles to breathe and is attached to an oxygen tank.

JOHN

Here today on this panel, the Majesty Twelve, are three FBI agents, three CIA, three Secret Service and three fellow Masons.

MASON

We have good news on the planned New Year's attacks.

CIA

We have made house to house searches legal.

SECRET SERVICE

People gave up their rights one by one for peace and safety... from us!

FBI

Millions of inferior races were rounded up and later transferred to labor camps after we provoked them into rioting on New Year's Eve. We took care of people opposing tax, demonstrators, militia members and die-hard Christians all in one night.

JOHN

Our media called it the rapture! We're the new Round Table. Let's begin *our*... Reign of Terror.

EXT. THE VATICAN - NIGHT

Subtitle: "Midnight. Good Friday morning."

Thousands are gathered in St. Peter's Square. Muslims, Catholics, and Orthodox Christians alike are in attendance with prayer beads, rosaries, and photos of Mary.

POPE (V.O.)

Our Lady of Fatima appeared to three girls in Fatima in 1917.

Secrets revealed to them warned
of chastisements. Tonight, we
await her return.

Suddenly, a beautiful multicolored LIGHT appears in the sky.
A female apparition appears. It's SEMIRAMIS, Lililea's twin!

SEMIRAMIS

My children, I come to you as
mediator between God and man. I
plead with you, listen to my
words of caution.

EXT. JERUSALEM - DEPARTMENT STORE WINDOW TV

Enoch and Elijah are watching the live newscast.

ENOCH

It's time.

Forgetting to look both ways, they cross the street into the
path of a taxi. The driver flips them off, extending his
middle finger.

ENOCH & ELIJAH

(together)

Sun god worshipper!

EXT. THE VATICAN

The crowd listens to every word from the apparition's mouth.

SEMIRAMIS

Soon, two suns will appear in the
sky. One is a ball of fire
guided by the Eternal Father to
bring mankind to its knees. A
sign before this happens... a red
cross in a blue, cloudless sky.

Suddenly, another LIGHT appears. It's a male ANGEL.

ANGEL

Fear God and give glory to him,
for the hour of his judgment is
come. Worship Him that made
heaven, Earth, and the sea.

EXT. ABOVE ST. PAUL'S CATHEDRAL

SATAN hovers INVISIBLY, watching with shock. APOLLYON,
Satan's sidekick, also observes the events on Satan's monitor.

SATAN

Where are OUR two false
witnesses, Peter and Paul?

APOLLYON

It's the Angel of the Lord.

SATAN

Duh! Are the troops ready?

APOLLYON

Everything is ready, sire.

INT. MASONIC HEADQUARTERS - MJ12 MEETING

Satan magically appears. He turns to John Rockwell.

SATAN

You know what to do.

John nods and bows as Satan turns to leave. Apollyon hands Satan his sword of fire and serpent-shaped helmet.

Egypt begins attacking Syrian forces along Israel's borders.

EXT. EARTH'S ATMOSPHERE - DAY

Michael SHOUTS to the angels of the four winds, SOUNDING like a TRUMPET. The angels suddenly appear, each riding a different colored horse: white, red, black and gray.

MICHAEL

EXT. CAIRO (EGYPT) - DAY

A tour guide, FAROUK EL BAZ, is talking about Egyptian pharaohs to a group of tourists with the Sphinx in the b.g.

FAROUK

A secret chamber was discovered under the paw of the Sphinx containing a tablet made of a substance alien to Earth. It would require three of the tablets to make a complete disk. Two of them have been found.

He points to a photo of a wedge-shaped green tablet. It's the tablet Apollyon buried here in the past.

FAROUK

The other was found under a pyramid complex in Mexico on the Yucatan Peninsula.

(MORE)

FAROUK (CONT'D)

Hieroglyphic writings on both pieces are similar. Found on separate hemispheres, we believe extraterrestrial origin is the only explanation. They have not yet been deciphered.

Egyptian terrorists in the b.g. are mobilizing for war.

EXT. UDAI'S DESERT CAMP - DAY

Several Egyptian spies are tied to stakes in the hot sun. U dai SEES a bow and some arrows and gets an idea.

UDAI

Put an apple on each of their heads.

Soldiers obey his order, while U dai takes up the bow and arrows. U dai takes aim at the first spy. He releases the arrow. It pierces the Egyptian's head, missing the apple, which falls.

UDAI

Ah, the forbidden fruit... still the downfall of man.

INT. HEAVEN - GOD'S THRONE ROOM

Jesus holds a scroll, sealed with seven rainbow-colored seals.

Seven archangels: Michael, Raphael, Uriel, Raguel, Zerachiel, Haniel, and Gabriel stand before him with seven trumpets.

Twenty-four elders: the twelve apostles and the twelve sons of Jacob are sitting on thrones surrounding God's throne.

Jesus holds up the book with the seven seals. Michael gets his horn into position, as does Seth with his vial.

our labyrinth of tunnels.

MASON

John, what's the matter? You

 We'll let you hear what's being
 said for yourself...

EXT. JERUSALEM - TEMPLE MOUNT - MORNING

Enoch and Elijah are addressing Jews inside the restored Temple. Many have GOD'S SEAL, the X-shape within a circle. Davie is there but he's NOT marked. He's reading ALOUD to himself from a Dr. Seuss book, "GREEN EGGS AND HAM."

ELIJAH

We are God's two witnesses sent
 from Heaven.

ENOCH

God's wrath and judgment are
 coming upon the Earth.

ELIJAH

If anyone tries to kill us, by
 the same method shall they
 themselves die.

EXT. PLATEAU OF TIBET - DAY

EXT. WWW MATCH - LOKI AND MANKIND
 Are fighting and seem evenly matched. Just as it looks like
 Loki is getting the advantage, a BRIGHT LIGHT from ABOVE the
 outdoor arena APPEARS over the ring. The announcers and crowd
 seem surprised by this. A man silhouetted by the light COMES
 DOWN from the hovering aircraft, which we can't make out.

COMMENTATOR ONE (O.S.)

The WWW's newest wrestler may be
 a little early tonight.

COMMENTATOR TWO (O.S.)

Yes. Thor, the God of Thunder,
 is supposed to appear tonight.

Sure enough, the man descending down a rope is dressed like
 Thor, complete with winged-helmet, cape and golden hammer.

INT. UFO'S POV - THE ARENA BELOW
 As we rejoin our flight, we realize we weren't aboard Thor's

INT. UFO'S POV - THE GROUND

 religious temples along the way until we end up...

EXT. GIZA PLATEAU - DAY
 ... near the pyramids and sphinx, where the UFO seemingly
 lands. Udai is still LOOKING across the desert when he SEES a
 man walking towards him. Guards beside him raise their
 weapons. As the man gets CLOSER, we realize he's VERY tall
 and dressed in camel hair and sandals, with long hair,
 fingernails, and beard. The giant-sized man now stands in
 front of Udai, dwarfing him. Tattooed across his forehead are
 four letters: S-T-U-R. Also tattooed there is an ANKH, the
 Egyptian symbol of life. He raises his right hand in the form

of an open-handed salute, revealing he has SIX fingers and a SWASTIKA tattooed there.

SATURN

Sieg Heil!

Udai and his military leaders scratch their heads with disbelief. They NOTICE he has a mechanical-looking left hand. An Arab HOLY MAN standing beside Udai advises him.

HOLY MAN

This must be the long-awaited
Muhadee, or twelfth Emon.

Udai and our giant visitor from outer space, SATURN, are standing before television cameras at a huge press conference.

SATURN

I'm Saturn, from the Tribe of
Teitan. I'm from your past.

He pauses, looking at the crowd. His eyes begin to water.

SATURN

A reptilian race left their dying
home planet long ago. These
flying serpents came here and
created your race in our image
from the elements of your planet.

A group of REPORTERS have made their way to the front.

REPORTER

In the Garden of Eden?

SATURN

Yes... the sacred name of your
birthplace. The serpents lived
for many years on your fifth
planet, Tiamet. We are from your
fourth planet, Mars. A nuclear
accident on Tiamet destroyed the
planet, now an asteroid belt.

(MORE)

SATURN (CONT'D)

A fragment of Tiamet hitting Mars
forced us to come here. Most
reptilians perished except for
three. They came here, creating
your race.

REPORTER

Your race came from Mars?

SATURN

Yes. We lived in pyramid cities much like this one. In fact, we built these stone monuments.

He points to the three Giza pyramids in the b.g. Another reporter holds up a photo taken of the Cydonia region on Mars.

REPORTER

Some people believe there are pyramids located in the Cydonia region of Mars.

SATURN

Yes. That's where we last lived before coming here. The reptilians gave us advanced technology, which is how we traveled here. Wars between humans and giants broke out one day causing many of us to escape and set up a new home elsewhere. From there, we've been watching your race and learned of your own advancements after receiving your first transmission.

He plays the black and white Hitler speech from the opening ceremonies at the 1936 Olympics on a 3-D holographic device.

SATURN

We felt it was safe to return to you since you proudly displayed our most sacred symbol of life.

He raises his right palm displaying a SWASTIKA tattooed there.

REPORTER

You expect us to believe your race built these monuments?

SATURN

We left our written record and buried them safely underneath.

Farouk, the Egyptian tour guide we saw earlier, comes forward.

FAROUK

That record has been found.

Egyptian soldiers bring the tablets to Saturn for inspection. The giant puts them together, a perfect match. It's obvious a THIRD piece is missing.

SATURN

One day, the three flying serpents or the Divine Trinity

will return. On that day, they
will bring the third piece.

The giant reads the glyphs and translates their meaning.

SATURN

(translating)

Man was created in OUR image,
after our likeness. He was
created male and female and given
dominion over the Earth. He was
commanded to multiply.

He SEES a photo from a temple wall in Abydos showing ancient
flying vehicles. One of them resembles his craft.

SATURN

This is the ark that carried us
safely from Earth. We found a
new home, a moon in this system.
We've been there ever since.

REPORTER

Which moon is that?

SATURN

The moon you call Titan.

The crowd of people begins MURMURING among themselves.

REPORTER

We've sent a probe to the planet
we call Saturn.

SATURN

Yes. We've been tracking it
along with all your other probes.

He pulls out a stack of disc-shaped greeting plaques sent with
the Voyager and Pioneer space probes.

REPORTER

Why do you travel alone?

SATURN

After receiving your "WAR OF THE
WORLDS" transmission, we felt it
wise to send only one ambassador.

REPORTER

(shouting his
question)

Christians and Jews believe a god
created them!

A look of rage fills the giant's face.

SATURN

There is no god! Our people who

survived here settled in Canaan.
Wars with these Jewish people as
they TOOK our land, made us
flee... and did this.

He raises his left arm, revealing a cybernetic hand.

SATURN

It angers me to know their race
survives to this day.

REPORTER

Two of their prophets are in the
city of Jerusalem now. One of
them, Elijah, claims he can call
fire from Heaven.

A smile returns to the titan's face.

SATURN

That's easy. A Titan named
Prometheus was the first to bring
fire from Heaven. I'll
demonstrate this by calling fire
from the sky myself.

INT. GOD'S THRONE ROOM

The battle is in full force. All angels are engaged in
warfare. The cherubim protect God's throne with their swords
of fire.

EXT. HEAVEN'S GATES

The Archangel Michael fights with Satan. Both are fighting
with flaming swords. Michael NOTICES a swastika on Satan's
forehead.

MICHAEL

You always TWIST the Word of God
to further your LIES, so now I
see you've taken God's Holy Seal
and TWISTED it too!

SATAN

Your God marks his servants with
his CROSS, so why not mark my
followers with my TWISTED CROSS?

Michael gets a break from fighting Satan by knocking him down.
Then, being the first archangel, he BLOWS the FIRST TRUMPET!

Udai witnesses the alleged firepower of his new giant friend.

As Saturn prepares his spacecraft, Udai turns to his generals.

UDAI

Attack Greece and Turkey now as planned. We're headed to Jerusalem to shed the blood of two false prophets!

EXT. JERUSALEM - TEMPLE MOUNT - DAY

Enoch and Elijah stand on the steps outside leading into the Jewish Temple. They look up and see Saturn's ship coming down from the sky. As they exit the ship and begin to approach the temple, Udai's armies completely surround them. A COURIER brings news from the front lines.

COURIER

The defeat of Egypt, Greece and Turkey has led to the surrender of Germany, Spain, France, Italy, Libya and Ethiopia.

A soldier brings him the Spear of Destiny.

UDAI

I am invincible! Nobody can stop me! I am the King of the World!

They march boldly to the temple door.

NARRATOR (V.O.)

Daniel foretold of the day that the great Prince of Israel Michael, who was busy in Heaven, would step aside and allow the greatest time of trouble in the history of all the nations. He had to let the lawless one come and fulfill his destiny.

Udai takes the Sword of Destiny and plunges it towards Elijah.

UDAI

Die... prophet of death!

But the sword doesn't find its mark. Instead, as if by magic, it turns upon him and pierces Udai's own forehead, all the way through and coming out the back. His blood gushes out upon the altar, where he slumps over dead.

SATURN

Stand back! Leave him to me!

Saturn pulls the sword out of Udai's head. Udai's officers try to retaliate against Elijah but whatever method they use backfires, killing them instead. Saturn places Udai's body on the Jewish altar. He dips his finger in blood and makes the symbol of a swastika on his forehead.

EXT. HEAVEN'S GATE

Satan and Michael are fighting. Satan gets the upper hand. Laurianna tries to help. As she does, Satan knocks off her two bracelets with the two keys dangling from her wrists. Apollyon grabs them as Michael casts Satan from Heaven. Laurianna trips her brother, causing him to fall right behind Satan. But, he still has both bracelets and the keys.

MICHAEL

Don't worry. We'll get 'em back.

He takes his golden slingshot and hands it to Laurianna.

MICHAEL

Give this to David. He'll know how to use it.

EXT. HAWAII - NIGHT

In a moment of compassion for his adopted son, Thor places his hand upon Loki's forehead. He awakes.

EXT. THE VATICAN - DAY

EXT. PARIS - SUNRISE

Subtitle: "Three days later. Easter Sunday."

The Eiffel Tower fills the skyline with Paris in the b.g.

NARRATOR (V.O.)

The Eiffel Tower was the first
manmade monument to top the
height of the Great Pyramid.

THROUGH the Arch de Triumph, we SEE Saturn standing in the
Pope Mobile leading the procession ahead of Udai's body. The
Pope is bound and gagged as a prisoner in the last car, which
is Udai's jeep with the "666" on its side. Saturn wears the
Pope's mitre and clothing, but they are tight fitting. Our
FOCUS ends on the Pope's SYMBOL of the TWO KEYS.

EXT. ST. PETER'S SQUARE - DAY - ANGLE ON - THE SKY

Like a BOLT of LIGHTNING, Satan and Apollyon come to Earth
with a great THUD. The ground begins to shake from the
TREMORS. The place where Satan fell was right THROUGH the
spike atop the obelisk centered in St. Peter's Square.

Michael witnesses this, as does his fellow archangel Gabriel.

MICHAEL

NOW I understand why the phallic
symbol is used with the phrase
'Up yours.'

Gabriel nods with agreement. As Apollyon HITS the ground, the
keys he took HIT the ground. Satan MORPHS THROUGH the
obelisk, angrily picking up the keys.

GABRIEL

Woe to the inhibitors of the
Earth and of the sea! For the
devil is come down unto you,
having great wrath, because he
knows that his time is short.

EXT. EUPHRATES RIVER - UNDERWATER

Subtitle: "Somewhere in the Euphrates River."

VIBRATIONS from Satan's fall LOOSEN chains from three angels bound here. GADREL, fallen Prince of the old Grecian Empire, wears the skin of a leopard. KESABEL, fallen Prince of the Medes and Persian Empire, wears the skin of a bear. YEKUN, fallen Prince of the ancient Babylonian Empire, wears the skin of a lion. They rise to the surface, breathing air for the first time in centuries.

YEKUN

We're free at last!

KESABEL

It must be time.

GADREL

Remember that I'm to be the strongest. Where are they?

They LOOK all around with their ultra-sensitive vision.

YEKUN

I've found them!

They become INVISIBLE to our eyes as they head west.

EXT. NOTRE DAME CATHEDRAL - HIGH ANGLE - GROUND BELOW

Saturn walks up to the altar. He motions for the priests there to place Udai's body on the altar. Saturn pricks Udai in the side with the Spear of Destiny. He takes some of the dark blood oozing from the wound on his finger and retraces the dried swastika on Udai's forehead. He takes Udai's right hand and places it over the mark, making a fresh reverse print of it on his right hand.

EXT. NOTRE DAME CATHEDRAL

The three freed Princes FLY PAST the hideous gargoyles on their way DOWN and inside through an open window.

INT. NOTRE DAME CATHEDRAL

Udai begins to move as Yekun, Gadrel and Kesabel now POSSESS him as one UNITED BEAST, bringing him back to life.

SATURN

(to Udai)

Happy birthday, boys.

(to the crowd)

As foretold by our prophets, the Teitans, and stolen by the Jews... after three days, the man to save mankind would be resurrected!

UDAI/GADREL

After I set up my kingdom, our creators will come and help me establish a 1,000-year reign of peace on Earth.

UDAI/YEKUN

I change my name to TEITAN, adopted son of the Teitans... like Muslims taking the name Mohammed... like Egyptian kings, the name Pharaoh.

TEITAN/KESABEL

Saturn was hidden but now revealed, thus the name of his people shall be mine.

EXT. NOTRE DAME CATHEDRAL

Gabriel and Michael observe this from the cathedral's top. They're on one tower. Apollyon and Satan are atop the other.

SATAN

(to Apollyon)

You know what to do.

Apollyon VANISHES. As he does, the Prince of Revised Rome, TAREL, APPEARS beside Satan.

TAREL

It's not fair. My kingdom was the shortest.

GABRIEL

Will you go peacefully?

TAREL

I will. But is it true my brother and I will lead the largest army ever on earth?

MICHAEL

Amazarak and Penemue also.

SATAN

That chain you're holding for

me... you won't need it.

MICHAEL

Don't count on it.

INT. CATHEDRAL

Saturn places a three-horned crown on TEITAN'S head. Then, he wraps a leopard skin cape around his shoulders.

SATURN

This country's great revolution
yielded the Second Empire.
Uniting Eastern and Western Rome
revived its own Second Empire.
Today, we go where Hitler once
dared to go. On Teitan's
rebirth, the Third Empire, much
like the Third Reich, is born.

EXT. JERUSALEM'S JEWISH TEMPLE - DAY

Elijah witnesses the events in Paris via a television monitor.

ELIJAH

(to us)

This is how I learned your past.

EXT. PARIS - DAY

Saturn and Teitan make their way through the crowded streets. Everyone is amazed that Teitan survived his deadly wound.

They come to the Arc De Triumphe, in the Place Charles de Gaulle where the twelve avenues meet, riding in Teitan's jeep. The Eternal Flame of the Unknown Soldier burns brightly.

SATURN

This arch celebrates your victory
from oppressors. Nameless
soldiers honored with a living,
breathing, eternal flame. You
once worshipped your sun as the
light of the world. Now give
this honor to another life-giving
light... Teitan.

MONTAGE

Masonic secret societies watch this on TV in underground bases in America, Italy, Germany, on the moon and the space station.

END OF MONTAGE

EXT. PLACE CHARLES DE GAULLE (PARIS)

Europe's Ten Kings stand at ten of the twelve avenues. Saturn stands at the end of the eleventh dressed as the Pope. Teitan stands at the twelfth, dressed as a king. Saturn walks up to a scaffold rig in the circle's center, where something HUGE is covered up. He LOOKS over at the miniature Statue of Liberty near the river.

SATURN

You celebrated freedom by
erecting this Statue of Liberty.
She stands enlightening the
world. Your enlightenment became
the new Age of Reason.

He uncovers the object, revealing a statue made of gold. It stands sixty feet high and six feet wide and resembles an ancient statue of Nebuchadnezzar but with Teitan's face. The statue holds a key, and from our SIDE VIEW, it resembles the ankh. It's the abyss key, stolen from Laurianna.

SATURN

The Pope had two keys symbolizing
his authority to open and shut
heaven. I give this authority to
Teitan... and to his image.

Saturn gives Teitan Laurianna's other key. The Pope's ensign displaying two keys is in the b.g. Saturn takes a golden hammer and chisel. He starts HAMMERING out a swastika on the statue's forehead.

SPARKS fly everywhere, reminding us of when God created angels by hammering on a rock causing fiery sparks. He also chisels an ankh, and with the final stroke, the STATUE COMES to life. He begins to speak.

STATUE

Happy Birthday!

Everyone GASPS with amazement. One woman faints. Some people start running from the scene.

NARRATOR (V.O.)

God's greatest achievement of
taking a clay statue and giving
it life would finally be imitated
by evil, mocking God.

STATUE

Fear not! I will not harm you.
Teitan, in whose image I'm made,

will save you. He'll save you from the two false witnesses. He will kill them for all to see and will restore order to the world. Worship Teitan. Take his MARK, the swastika, his NAME, or his NUMBER, 666, and place it on your forehead or right hand to show your allegiance.

The statue holds up his right hand, revealing a swastika.

STATUE

Do it with your own blood.

The statue looks at a live BAND that is waiting to play.

STATUE

When the band begins playing, worship me, made in the image of Teitan. Show your loyalty. If you do not, you will surely die.

NARRATOR (V.O.)

... and power was given to him to take peace from the Earth and that they should kill one another. And there was given unto him a great sword.

He raises the Sword of Destiny in the air, preparing to lead the charge. He turns to the ten kings, now wearing his mark.

TEITAN

I promise all of you continued reign with me as kings of the Third Empire. Send me all of your troops and weapons. Anyone who is against us... kill them!

Orthodox Church.

All of the kings nod in agreement.

SECOND KING

We know what to do my lord.

The GERMAN KING is dressed as a Templar Knight, complete with
a red sash, decorated with a Maltese cross.

GERMAN KING

Let's begin minting new German
marks for all of the Third
Empire. The swastika will be on
the back; much like it was on
coins minted in ancient Greece.
Only with this new mark can
anyone buy and sell.

GRECIAN KING

I like this revising of the old
Grecian Empire. Let's bring back
all of the past.

FRENCH KING

I want the former Pope, Peter the
Roman, placed in the prison where
Jacques De Molay was held.

ITALIAN KING

The new Babylonian Captivity?
What will you do with Peter?

SATURN

All three land on the ground beside Davie's body.

TITAN

And from the walls, they came tumbling down.

Rebekah opens the temple door and runs toward them, but she is captured.

GLOBAL TELEVISION - LATER

DEATH is INVISIBLY looking over him. He winks at Davie. Davie gets up and sneaks past Empire soldiers being addressed by Teitan.

TEITAN

Round up ALL Jews. Prepare them for public execution. Send the next train to Berlin. We'll let

the Titan's kill this batch.

Josh and Rebekah, handcuffed together, are being led to an awaiting railroad cattle car.

INT. DENVER AIRPORT

A noted Mason leader activates the beacon with the keypad.

EXT./INT. TOWER OF BABYLON - TOP

We SEE the beacon atop the mile-high tower being activated. A torch is lit and placed on the obelisk's highest point.

INT. ATLANTIS - SS HEADQUARTERS

Subtitle: "Three days later."

Johnny and Patty are in chains standing before MJ12 leaders, Buffy and John Sr. Buffy walks up to Johnny.

BUFFY

Traitor! You had it all.

She spits in Johnny's face. John LAUGHS.

JOHN

You were right about Roswell, son. Aliens didn't land there. We made people think they did though... on the day your Jewish friend visited us in '47.

HEAD MASON

Hitler found an ancient flying machine buried below the Gobi Desert. His pulse jet engine came from it. The Nazis found something else... giants, frozen in ice. They were all dead, of course. That's where we found the real Saturn. And an angel called Azazyel.

JOHN

Azazyel gave us the computer chip, which we began using in '47. It was time for mankind to have technology again, which leads us to UFO's...

He looks at Patty, who looks horrified now.

JOHN

Oh yes. Those abductions were real. Angels were punished for mating with mankind and creating giants. This time it had to be more... impersonal.

Patty is getting very nervous now.

FBI AGENT

We allowed these fallen angels to abduct people for creating giants from our human seed. They also needed blood and tissue, thus the cattle mutilations in the 70's and missing children. These sacrificial lambs helped cure diseases for us elderly. All of our genetic advancements came from this titan nursery including cloning and test tube babies.

JOHN

(to Johnny)

You got a prostitute pregnant in St. Louis, Patty's mother. She tried to blackmail me. She died, of course. I kept track of her daughter for years, but lost her. Thanks to you, we found her.

Johnny and his daughter exchange looks.

JOHN

(to Patty)

It wasn't a dream dear. You really were abducted. You should be honored though. From your seed we created Saturn, the false prophet from the Earth, inspired by the dead Saturn found in Gobi.

Patty breaks down in tears. Johnny's anger turns to rage. He tries to rush at his father but his chains keep him back.

JOHN

Obviously, giants never came from Titan... an illusion the Cassini probe helped create. The world bought it along with other lies.

JOHNNY

I saw your propaganda tape file.

Shows promoting anti-family values, etc. You even used your propagand machine to influence kids, you bastard!

John's breathing becomes strained again and is forced to temporarily put on his oxygen mask.

JOHN

Yes, we even funded the Halloween broadcast and radio experiment known as "WAR OF THE WORLDS."

CIA DIRECTOR

That taught us how to set up FEMA. Wall Street was an obvious target in order to cripple our own economy. We had to set up Europe as the new super power.

A five-star GENERAL from the US enters the room, joining in.

GENERAL

Our Cold War machine kept funding alive from taxes to fight an enemy WE created and controlled. As the "Four X-Presidents" would say, "Aliens and communism are one and the same." CREATED foes.

HEAD MASON

Hitler was right... people just don't think anymore. They're more focused on pleasure.

MJ12 MEMBER

We became your kid's babysitters with year-round schooling. We kept them... well conditioned.

Johnny's anger has reached its peak!

JOHNNY

You've set yourself up as gods! Remember March 2, 1999? On that day, I read "GREEN EGGS AND HAM," to little kids on national TV. That story has a "SAM, I AM" character. Could that be... Uncle Sam? Getting the world ready to eat your story about aliens creating our very life... the egg? And through the seed of Ham... Nimrod? You've been

conditioning the world to accept
 little green men for years now,
 father. Well, where are they?

Video monitors throughout the underground city simultaneously
 lose their signal, leaving only VIDEO NOISE or snow.

JOHN

... They're h-e-r-e.

EXT. SPACE STATION - OUTER SPACE - A LARGE UFO

and two smaller ones appear above the space station.

MONTAGE

- A) The three UFO's land in Babylon, greeted by Teitan and Saturn. The Grey aliens look like the serpent from the Garden of Eden.
- B) Children greet the ET's. They're not afraid of them.
- C) Dozens of little Greys exit the ship, mixing with children.
- D) Parents just smile, as their kids become ambassadors to these similar-sized aliens.
- E) Babylonian merchants are selling alien dolls.
- F) Another vendor is frying green eggs and ham.

END OF MONTAGE

EXT. BABYLON TOWER - PRESS CONFERENCE

The larger GREY approaches the microphone. A computer-translating device interprets into various languages, including English.

GREY (V.O.)

The Titans have told you the
 truth. We created your species
 in their image. Ever since our
 home planet in the Pegasus system
 got too close to our sun, we've
 been looking for a new home and
 sewing seeds of life.

One of the smaller Greys comes forward with a triangular-shaped piece of metal with strange markings engraved up its center. Saturn brings the other two similar pieces found on earth. The Grey places his piece at the bottom of the disk shape formed by the three pieces. MARKINGS up the center, human chromosome strands, combine with the EDGES of each piece resembling a PEACE SIGN!

GREY

We come in Peace!

The crowd breaks into a thunderous APPLAUSE.

TEITAN

The Jews are liars and a danger
to mankind. They must be
destroyed so we can endure!

The crowd CHEERS! Many in the b.g. are burning Bibles.

SATURN

The seven-year treaty has expired
and their Messiah has NOT come.
More proof of their lies! Only
by destroying them will we be rid
of their plagues... forever!

A little girl and boy have made their way up to the platform.

She holds a stuffed ET doll resembling a Teletubbie, a rainbow-colored alien doll with a monitor in its belly in one hand and a dead, potted flower in the other. The little boy is holding a plate of green eggs and ham.

SATURN

We've not had rain in three and
one-half years.

The Grey stretches out his longest finger, touching the flower. As he does, his finger and monitor-like belly begin to glow.

GREY

This is how we created life...

The flower comes back to life, blossoming before our very eyes! Suddenly, a small dinosaur-type dragon exits the larger UFO. It stands next to the Grey and appears to be smiling. The little boy offers the dragon the plate of green eggs and ham, which he swallows hungrily. A fly lands on top of the little girl's head, getting the attention of a smaller Grey. Suddenly, the Grey uses his tongue like a frog, catching the fly. The little girl blushes as the Grey smiles, licking his chops.

NARRATOR (V.O.)

And mankind believed the lie from
the serpent beings, that they
created all living things. They
had swallowed the story... about
green eggs and ham.

The crowd begins chanting "Armageddon!"

INT. DENVER, UNDERGROUND TRAIN STATION

Hundreds of Secret Service agents are everywhere. England's Queen Elizabeth and Prince William are being escorted. Several guards carry the coronation stone and chair in a procession.

EXT. SARGASSO SEA - DAY - THREE UFO'S

hover above the ocean, then dive beneath the surface.

INT. ATLANTIS - UNDERGROUND CITY - THRONE ROOM

Members of the secret society are here, preparing for some kind of ceremony. Priests and guards line the aisles. Johnny and Patty are chained to a wall in the b.g. Queen Elizabeth and Prince William enter. The three Greys follow them. John Sr. kneels before Elizabeth, who curtsies. He then kisses Prince William's hand, bowing his head. Walking up to the Grey, John kisses him on the cheek, causing him to MORPH into SATAN!

JOHN

Kiss a frog and he turns into a
Prince... of Darkness.

The other two Greys MORPH into Apollyon and Azazyel.

JOHNNY

The three frog-like spirits of
Revelation...

Satan takes a golden canteen from his belt, offering it to John.

SATAN

(to Johnny)

Water... from the original River
of Life that flowed from the
Garden of Eden. It has kept your
father alive all these years,
waiting for this day. It's how
we struck our little deal.

John takes a sip and magically becomes twenty years younger.

JOHN

Yes. Our plan is almost
complete. God promised David
he'd always have an heir on his
throne. His throne was the stone
known as Jacob's Pillow. Believe
it or not, Jeremiah brought this
stone to Ireland. He also
brought the king's daughters and
continued the royal line. The

Stone of Scone went from Ireland to Scotland to England. But, it still roars like a lion when true nobility is crowned. Today, after Jesus is defeated, we'll be crowning young William as the New World Order's first king.

JOHNNY

So, you killed Princess Diana to keep an Egyptian from taking your coveted throne?

JOHN

Yes. We had her killed where legends say your soul goes straight to Heaven. Why do you think we chose Paris to set up the image of the beast? At least Christians that died for their cause went straight to Heaven.

SATAN

God only saved eight people during the flood in order to preserve only His good seed... and His promised Redeemer. I failed to prevent His birth, but I won't fail to wipe out His chosen ones.

AZAZYEL

We'll use Earth's nuclear weapons to purify the Earth by fire.

SATAN

This time the only survivors will be onboard the space station... our ark of safety.

JOHN

Lucifer gave us the design for the Saturn rockets, which took man to the moon. Five rockets, like the original five cherubim. Like the five computers now needed to fly the space shuttle. Even the names of the shuttles were handpicked. "A Colombian Enterprise to Endeavor for the Discovery of Atlantis... and all Challengers shall be destroyed!"

SATAN

After we destroy the rest of mankind, only MY chosen disciples will repopulate the Earth. Like the Phoenix, I'll rise from the ashes.

JOHN

Here's the best part. After we've helped defeat Jesus, Satan will ascend to Heaven and take the Tree of Life. We'll have eternal life in our sinful state -- something God prevented Adam and Eve from doing.

PATTY

What have you done with my kids?

JOHN

You mean the ones we abducted and allowed your father to adopt? They're safe onboard the space station. We're making a special sacrifice when this is all over. The flesh of children is most tasty. Ever had any? But you don't eat meat offered to pagan gods, do you?

Patty manages to slip out of her restraints and charges John.

PATTY

You BASTARD!

MI6 secret service agents SHOOT her dead over John's LAUGHTER!

The twenty-four ELDERS come off of their thrones.

ELDERS

(in unison)

judged, and that you should give reward to your servants, the prophets, and to the saints, and them that fear your name, small and great; and should destroy them which destroy the Earth.

GLOBAL TV

Just ten thousand years after its creation, the sun became black and the moon as blood.

The sun becomes completely dark now.

EXT. VALLEY OF MEGIDDO - NIGHT

Roads leading here are filled with Russian and Empire troops carrying banners with the SWASTIKA. More troops arrive carrying bright red Muslim flags, which also display the swastika. Darkness is upon all the Earth. Only a few stars fill the sky.

EXT. ROAD TO JERUSALEM

INT. SPACE STATION - A TITAN ONBOARD

witnesses this on Hal's monitor. He's OUTRAGED!

TITAN

I knew Cassini's plutonium would
jeopardize Titan's safety.

He addresses Hal, who is backing up with every word.

Don't blame me! I didn't put the
stupid probe up there.

TITAN

Maybe not, but your race did. An
eye for an eye, huh?

LIGHTNING fills the night sky as bolts begin arcing between the Earth and moon.

EARTH - OVERHEAD VIEW

The moon's gravity is pulling on the seas, causing the high tide to go crazy. Waves become tidal waves.

and in the moon, and in the stars
and upon the Earth, distress of

nations, with perplexity, the sea
and the waves roaring.

EXT. TEMPLE MOUNT - NIGHT

A soldier is guarding the bodies of Enoch and Elijah. He receives an urgent message on his remote laptop computer.

witnesses, NOW!

EXT. NEARBY JERUSALEM STREETS

Jewish bystanders are looking up at the sky.

CROWD'S POV - THE MOON

EXPLODES into shooting stars, heading towards Earth. A comment can be HEARD from a BYSTANDER.

BYSTANDER (O.S.)

My God, look at all the stars!

BACK TO SCENE

Another man, looking up, grabs his chest. He falls to the ground, suffering from a heart attack.

NARRATOR (V.O.)

And the stars FELL from heaven.
And men's hearts failed them for
fear, looking at those things,
which are coming upon the Earth.

SERIES OF SHOTS

TEMPLE ANGEL

(shouting to Jesus)

It's time!

Jesus holds a sickle in his hand.

Thrust in your sickle and reap
for the harvest is ripe.

With the trumpet still ECHOING, Jesus reaps.

JESUS

Come up hither.

Those still alive are changed
instantly, and ALL the saints

twinkling of an eye. For God has
not appointed His Saints to
wrath, but to salvation.

EXT. EARTH'S ATMOSPHERE - HIGH ANGLE

We NOTICE that the 144,000 marked Jews do NOT get raptured.

was now left behind, marked from
the Four Corners of the Earth.

David is reunited with his body, appearing in his early
twenties. Katy is reunited with her body as a young sixteen-
year-old. As SAINTS go UP, God's WRATH comes DOWN, SNATCHED
AWAY at the LAST SECOND! The Woe Angel comes again.

the third woe comes quickly.

ANGEL

This is the quietest half-hour
ever in Heaven.

HEATHER

They're h-e-r-e!

Just like old times... still
making the air a safe place for
angels to fly.

He comes flying alongside David in his own white P-51 Mustang. The nose of his plane reads, "Spirit of St. Louis."

DAVID

Thanks buddy. We'll catch up on old times later. Right now, how would you like to be my wingman on one more mission over Germany?

JOHNNY (V.O.)

Berlin?

DAVID

Yes... I lost my wife there. Also, we're headed to Bergen Belsen. She lost a friend there... a girl named Anne.

JOHNNY (V.O.)

I lost a friend there myself. Best wingman I ever had...

REBEKAH (V.O.)

We needed a ride back to Israel. Wanna join us?

JOSH (V.O.)
 Grandfather, we'd be honored to
 accompany you as your wing.

END OF MONTAGE

EXT. TEMPLE GATE - JERUSALEM - DAY

Satan comes before Jesus now.

SATAN

You should've accepted my offer a long time ago because now you *will* bow before me.

Satan notices the nail-prints on Jesus' feet.

SATAN

Looks like someone has bruised your heel.

Satan charges, but Jesus quickly sidesteps the advance.

JESUS

Go ahead. Make my Millennium.

Teitan pulls up in his red Saturn car. Jesus has a rock attached to a chain. He's swinging it.

JESUS

What was the one thing that could bring down Superman?
Kryptonite... a piece of the rock from his home planet. Remember Tiamait? The rock from which you were made?

He swings it, STRIKING Satan squarely in the head. Satan is HIT hard. He falls to the ground too weary to get up.

JESUS

Looks like someone has bruised your head.

Teitan gets out of his car, sets his alarm with a DOUBLE BEEP then walks towards Jesus with the Sword of Destiny in hand. Suddenly, a huge hailstone, the first meteorite fragment from the moon, HITS his arm. He DROPS the Sword of Destiny.

NARRATOR (V.O.)

When separated from the sword, his downfall was soon to follow.

The IMPACT from the meteorite causes the car's ALARM to SOUND.

ALARM (V.O.)

Protected by Viper! Stand Back!

Another hailstone completely OBLITERATES the car! Teitan, now LOOKING UP, SEES the next one HIT him squarely upon his helmeted head. He's KNOCKED out instantly.

EXT. RUSSIA - RUSSIAN SOLDIERS

are dissolved by fire from the incoming Chinese missiles.

while they stand upon their feet,
and their eyes shall consume away
in their holes, and their tongue
shall consume away in their
mouth.

EXT. RUSSIA - OVERHEAD VIEW

Five-sixths of the Russian troops are destroyed. Their heavy tanks are stuck in the mud, caused by heavy rain. One hundred-pound hailstone's pelt them, further crippling their attempt to flee Chinese missiles being fired upon them.

JESUS (V.O.)

When Gog comes against Israel, I
will rain upon him and upon his
bands and upon the many people
that are with him, an overflowing
rain, great hailstones and fire
and brimstone.

EXT. VALLEY OF MEGIDDO - DAY

An eagle swoops down over the dead bodies. Vultures follow.

NARRATOR (V.O.)

For wherever the carcass is,
there will the eagles be gathered
together. One third of mankind
was killed in one hour. Here,
for over two hundred miles, the
valley was filled with blood
reaching a standing horses
bridle.

The eagle dives and retrieves a snake trying to slither away.

EXT. JERUSALEM - MOUNT OF OLIVES - JESUS

looks at a dazed and confused Satan, who's nursing his head.

NARRATOR (V.O.)

Man's redeemer full-filled his
destiny, bruising the head of the
serpent.

The archangel Michael arrives as another eagle swoops DOWN, picking up the Sword of Destiny. Teitan is nearby lying unconscious on the ground. The three fallen archangels possessing him COME OUT.

The fallen archangels Amazarak, Penemue, Turyal and Tarel arrive. All seven fallen archangels surround Michael. The other six holy archangels: Gabriel, Raphael, Uriel, Raguel Seraqael, and Haniel appear suddenly, joining Michael.

JESUS

It's time!

The angels fight each other using their own strengths. Amazarak, dressed like an Egyptian sorcerer, throws his staff. The staff BECOMES a huge serpent wrapping around Michael. Penemue, holding an ink pen, throws it like a dart at Gabriel's hand as he goes for his fire sword.

PENEMUE

The pen *is* mightier than the
sword.

This pins Gabriel's hand, denying him his sword. Yekun and Raguel are locked in various wrestling maneuvers, as are Kesabel and Seraqael.

YEKEN

For we wrestle not with the
flesh...

KESABEL

... but with principalities,
thrones and dominions.

Gadrel, proficient in martial arts, engages Raphael in mortal combat. Twins battle twins as Turyal and Tarel take on Haniel and Uriel. All seven fallen chiefs currently have the advantage.

INT. ATLANTIS - THRONE ROOM

Prince William is about to sit on the throne when something HITS him squarely in the head, KNOCKING him out cold. Everyone turns around to discover it's Israel's KING DAVID. He has used Michael's golden slingshot.

KING DAVID

I believe that's my throne.

Every guard with a GUN FIRES at him. But the bullets seem to MAGICALLY bounce off his resurrected body and back at the person who fired it, killing them. John SEES this and disappears down a secret passageway. Saturn picks up Prince William's crown, placing it on his head.

SATURN

I've tasted water from the River of Life, shorty. I don't think you can stop me.

Saturn sits on the coronation chair, which remains silent. King David puts another stone in the slingshot.

KING DAVID

Maybe so, but man doesn't live by water alone.

He releases the stone, hitting Saturn in the forehead. He falls out of the chair, stone cold!

KING DAVID

This is how I became king to begin with, isn't it?

Laurianna now APPEARS in the secret room.

LAURIANNA

I'll take him to his new kingdom.

As Laurianna takes Saturn, King David notices David's watch.

LAURIANNA

Sir, we must leave quickly. We're running out of time.

King David nods as he picks up the watch.

EXT. JERUSALEM - MOUNT OF OLIVES

SERIES OF SHOTS

- A) The seven fallen chiefs still dominate the seven holy ones.

- F) Laurianna arrives with Saturn, handing him to Gabriel.

- I) Gabriel casts Saturn alive into the lake of fire as Michael and company throw in their captives.
- J) Teitan regains consciousness. He leaps up to run away.
- K) Michael and Gabriel grab him and toss him into the lake of fire.

MICHAEL AND GABRIEL
(together)
Go to Hell!

EXT. MEGIDDO BATTLEFIELDS - DAY - HAIL

comes down as the last moon fragments reach Earth. The hail utterly destroys any of the Third Empire army left standing, along with ALL of the Chinese tanks.

JESUS (V.O.)
I will tread down the people in
mine anger, and make them drunk
in my fury.

One-sixth of Russia's army retreats. Vladimir stands alone. A meteorite hits his left hand. Another one hits his right hand. Then, a huge chunk of burning debris hits him squarely in the head, killing him instantly.

JESUS
Behold, I am against thee, oh
Gog, chief prince of the land of
Magog. I will smite thy bow out
of thy left hand, and will cause
thine arrows to fall out of thy
right hand. Thou shalt fall upon
the mountains of Israel, thou,
and all thy bands, and the people
that is with thee: I will give
thee unto the ravenous birds of
every sort, and to the beasts of
the field to be devoured.

Two holy angels are standing over Vladimir's body. An evil angel APPEARS beside them, coming FROM the dead Russian leader. A CLOSER VIEW of the dark-clad angel reveals the name "GOG" written in his forehead. An eagle nearby is tearing a snake's head off and eating it.

EXT. ATLANTIS - LAUNCH PAD - DAY

John has been watching this on TV. He gives a launch command.

JOHN
Begin Operation Samson.

EXT. AMERICAN MILITARY BASES - MISSILE SILOS

open all across America. Missiles LAUNCH towards the Middle East.

INT. SPACE SHUTTLE ATLANTIS

John and other MJ12 members are onboard.

INT. SPACE SHUTTLE ENDEAVOR

We HEAR the COUNTDOWN. Pilots onboard monitor the five onboard computers and their various readouts.

EXT./INT. MISSILES - DAY - OVER ATLANTIC OCEAN

Targeting computers guiding the missiles show they are on course. Some are targeting the Middle East and some the open gateway in the sky.

INT. SPACE SHUTTLE ATLANTIS

John watches the shuttle pull away from Earth on his monitor. Suddenly on his screen, he sees an old lady.

KATY

I don't think you should've
trusted the ones who gave you
your computer chip. After all,
it's built on sand.

She's transforming into her sixteen year-old self.

KATY

Let's see how the secret
government of the United States
and Germany likes wearing the
color red.

She clicks away on a computer keyboard. All missiles change course. One turns back 180 degrees.

INSERT - A MISSILE TIP

displays the swastika symbol beside the Masonic compass and square symbol.

BACK TO SCENE

Its onboard computer shows its new heading -- Atlantis!

JOHNNY'S POV - MISSILE

going to Atlantis underneath the ocean.

JOHNNY

It had their name on it.

INT. UNDERWATER ATLANTIS - BOMB EXPLODES

and destroys Satan's throne and the Masons' hideout. The BLAST goes through tunnels connected to the underwater city, killing all giants inside.

INT. SPACE SHUTTLE ATLANTIS

Shuttle pilots can't take controls off autopilot.

EXT. ATLANTIC OCEAN

Another missile is now heading towards the shuttle Atlantis. The missile IMPACTS the shuttle causing it to EXPLODE.

JOHNNY (O.S.)

As Challengers to their Colombian
Enterprise, we Endeavor for the
Discovery and destruction of...
Atlantis.

EXT. SKIES OVER ATLANTIC - FOUR SHOT

The two planes roll-off, followed by the two jets.

JOSH (O.S.)

Where next, gentlemen?

JOHNNY (O.S.)

You two can't follow us on this
next mission. Your flesh must
preserve the Jewish seed now.
We're immortal and must tread
where only angels dare fly.

INT. UNDERGROUND CITIES - DENVER

Men continue to blaspheme God throughout the EARTHQUAKE. Others throw idols of silver and gold to the fleeing moles. Masons and secret society people are "begging for the rocks of the caves to fall on them to hide them from God." The WALLS do CAVE IN on them, killing them all.

EXT. WASHINGTON DC

The EARTHQUAKE topples the National Monument. Its pointed top section lands upside down in the...

INT. SMITHSONIAN

... where it smashes George Washington's statue as Zeus. The "Spirit of St. Louis" survives.

EXT. JERUSALEM - FROM THE SKY

Michael comes down from Heaven with a GREAT chain in his hands. He grabs the dazed and confused Satan and binds him.

EXT. THE ABYSS

Laurianna opens the bottomless pit with her key as Michael casts Satan in. She locks the abyss and places a "CLOSED" sign over the door.

INSERT - SIGN

with, "For a Thousand Years" handwritten under, "Closed."

BACK TO SCENE

Thousands of buzzards and vultures are airborne.

EXT. JERUSALEM - AN EAGLE

flies DOWN towards Jesus. In one claw, he has the Sword of Destiny. In the other claw, he holds an olive branch. Jesus takes the sword. He smiles as the eagle takes off.

EXT. OUTER SPACE - SPACE STATION

Two P-51 Mustangs arrive alongside the space station.

DAVID (O.S.)

Hal... open the shuttle bay
doors... NOW!

INT. SPACE STATION - HAL

tries to reach anyone on his radio but with no success.

HAL

I'm sorry Dave, but I can't do
that.

J.J. and D.D. are watching in the b.g. They spot two space-walking suits.

EXT. OUTER SPACE - TWO SHOT - DAVID AND JOHNNY'S PLANES

Johnny SEES something near the back of the space station.

JOHNNY (O.S.)

I've got a fix on something.

David joins him. They both spot J.J. and D.D. coming out an emergency door dressed in the space suits.

DAVID (O.S.)

I'll get the girl.

JOHNNY (O.S.)
 (laughing)
 You always do. I'll meet you in
 St. Louis.

EXT. NEW YORK CITY (IN RUINS) - VARIOUS ANGLES

Our FOCUS NARROWS on the United Nations statue of a man beating swords into plowshares with his hammer. The statue is melted.

INT. STATUE OF LIBERTY

Hillary Rodnim is inside the statue's torch. Miraculously, she has survived. A lone cameraman accompanies her.

HILLARY

I want you to get a shot of me taking a bite out of an apple... the Big Apple, get it? It's meant to be that I alone lead this nation as it rises out of the ashes. Get ready to start taping. Wait until I take the first bite. This proves that it's okay to eat the forbidden fruit. Nothing bad will happen. You can do whatever you want! You won't DIE!

EXT. STATUE OF LIBERTY - TORCH

as the LAST moon meteorite hits the torch, obliterating it!

EXT. ST. LOUIS - A HUGE RAINBOW

has replaced the metal arch, now destroyed. A FATHER and DAUGHTER stand along the overflowing Mississippi again.

DAUGHTER

A rainbow! It's over now!

The father SEES something shiny near the base of the rainbow.

FATHER

Come here. I see something.

As they head towards the rainbow, Johnny's plane, the "Spirit of St. Louis" APPEARS in the sky. It flies right through the rainbow. David's plane now APPEARS, following the same path.

INT. DAVID'S PLANE

D.D. is sitting behind David.

DAVID

Are you all right?

D.D.

I am now.

We can see that D.D. is *the* very little girl that was dressed like an angel in all of David's flashbacks while he was alive.

D.D.

I always dreamed I'd be rescued by a guardian angel. They always watch over and protect you.

EXT. BOTTOM OF RAINBOW

The father and daughter have reached the rainbow's end. He SEES something shiny and bends over to pick it up. It's a gold bar with the words, "Federal Reserve" written on it. There are lots of them, apparently exposed by the earthquake.

DAUGHTER

Wow! There really is gold at the end of a rainbow!

INT. DENVER AIRPORT - MURAL - CLOSE ON

a German boy beating swords into plowshares. It's ruined. A CLOSER VIEW shows a handwritten letter from a Jewish boy who died during the holocaust of World War II.

BOY'S VOICE (O.S.)

"I was once a little child who longed for other worlds. But I am no more a child for I have known fear, I have learned to hate. How tragic, then, is youth, which lives with enemies, with gallows ropes. Yet, I still believe I only sleep today, that I'll wake up. A child again, and start to laugh and play."

DISSOLVE TO:

EXT. ISRAEL - GREEN MEADOW - DAY

Kids of all colors are playing together. Katy's little brother is SEEN playing with Anne Frank. Katy's mother and father are watching the kids play in the b.g. Davie Jr. is seen playing with two other kids, fraternal twins.

Subtitle: "The Millennial Reign of Peace. In the year 2525."

A lion and a lamb play together in the f.g. Other children are beating swords into plowshares. We NOTICE they each have the Name of God written upon their foreheads.

NARRATOR (V.O.)

Instruments of death are a
distant memory. No one learns
war anymore.

EXT./INT. JERUSALEM - THE TEMPLE

It has been completely rebuilt. Pagan shrines are gone. King
Jesus holds the Sword of Destiny as his rod-of-iron scepter.
He stands next to King David, as both are rulers in Jerusalem.
The throne chair is the coronation chair, formerly of England
and the stone under it is Jacob's pillow.

JACOB LOOKS at the stone under the chair.

JACOB

It never was a great pillow.

The SOUND of a lion ROARS as Jesus sits down. Water flows
from the Mount of Olives into the Dead Sea, healing it. ADAM
and EVE, who look as young as they did when they were created,
drink from the water there.

ADAM

The Fountain of Youth, like I
remember it tasting.

EVE

(tasting)

It's a perfect world... again.

David and Katy, standing in the b.g., HEAR this and smile at
each other. Katy's hair drags along the ground. As Katy
lifts her glass to her lips, we NOTICE she's wearing David's
restored watch.

KATY

I'll drink to that...

DAVID

I have the girl, the watch, and
everything.

Eva and Levi are in the b.g. and are smiling at each other.

EXT. ISRAEL MEADOW - HIGH ANGLE - A BUTTERFLY

FLIES slowly to the ground, above the kids we saw earlier. It
LANDS between Josh and Rebekah. They are watching Davie Jr.
play with their own fraternal twins, JOSH JR. and BECKY.
Johnny and Patty stand next to them, watching J.J. and D.D.
All the kids are playing softball. Their uniforms say
"Saints."

THE BUTTERFLY

MORPHS into Laurianna. She then MORPHS into a twelve year-old
version of herself. She wears an "Angels" softball uniform.

LAURIANNA

Everyone should get in touch with his or her kid inside.

JOSH

Since none of us age much now, that's easier to do.

LAURIANNA

I have something I want to give your boy and girl.

REBEKAH

I'll call 'em. Josh! Becky!

The twins come running.

JOSH JR.

You need us?

Laurianna takes out two gold bracelets with matching symbols, the same ones she made for herself and Apollyon. She gives them to Josh Jr. and Becky. They each give her a kiss on the cheek.

JOSH AND BECKY

(together)

Thanks!

UMPIRE

(interrupting)

Game time! The Saints are in the field first.

The angels all MORPH into children as the Saints take the field.

CRACK! The SOUND of the first HIT ECHOES LOUDLY. As Becky goes deep for the well-hit ball, she stumbles into a crack in the ground. Josh Jr., backing her up, comes to her rescue. Upon removing her foot, Becky discovers something buried in the crack caused by the great earthquake over 500 years earlier. It's THE golden box that used to belong to Laurianna. Becky opens it, discovering its contents: seeds. They're from the fruit Adam and Eve ate from -- the tree of Good and Evil. The bracelets Laurianna gave the twins shine brightly around their wrists as they hold the golden box. Laurianna runs up and SEES them holding something.

LAURIANNA

(laughing)

What did you find?

She NOTICES the golden box, then realizes it used to belong to her. Her expression turns more serious.

BECKY

It's a gold box with some kind of seeds in it. Would it be okay to

plant them?

Laurianna holds out her hand to receive the seeds.

JOSH JR.

Yeah, maybe it would be something
good to eat.

As the seeds are poured into her hand, we SEE her mark on the back of her hand.

DISSOLVE TO:

INT. THE ABYSS - CLOSE ON - MALE HAND

in chains with the SAME mark. As our VIEW WIDENS, we are expecting to see Apollyon. As we get to the man's face, we see it's SATAN! It's the first time we've seen the glove off of his left hand since his fall. Satan begins laughing a long, sinister LAUGH.

MALE VOICE (V.O.)

When God created the first angel, there was enough fire to create a sister angel. Enough was even left over to create a third, but smaller angel... the only angel triplets. The smaller was named Apollyon. The first was Lucifer, now Satan. Laurianna was the sister of the two.

EXT. EARTH - HIGH ANGLE - MINUTES LATER

We HEAR Satan's LAUGH over OUR VIEW of the children in the field as OUR VIEW PULLS BACK, taking us farther away.

MALE VOICE (O.S.)

As in the millennial day of rest from creation, the same circumstances have presented themselves during the final day of rest for mankind. History repeats itself... until the end.

The Earth is literally covered with hundreds of rainbows. Song "I CAN SEE CLEARLY NOW" begins.

EXT. EGYPT

An altar has been set up in the middle of Egypt. The Great Pyramid has new white outer casing stones. An inscription on one says, "It's still standing."

FADE TO: BLACK

VIDEO GLITCH

A computer readout displays words typed ONSCREEN over BLACK:

When the thousand years have expired, Satan shall be loosed out of his prison. He'll deceive the nations once more but they'll be defeated as God purifies the Earth by fire. After which, the Holy City, the New Jerusalem will come down from Heaven, as will God, to dwell with men forever.

Our VIEW WIDENS, revealing the MONITOR to be oval-shaped. Further WIDENING reveals it's the MAN CHERUB'S monitor we've been reading. As the cherub SPEAKS, we realize the MALE VOICE is his.

MAN CHERUB

Around 10,500 BC when darkness was upon the face of the deep, God became three-dimensional. Like separating the three isotopes of hydrogen, the Trinity separated from itself. God chose symmetry or mirror images in all created flesh. It's His unique signature. Understand the three isotopes of hydrogen and the foundation of three-dimensional space reveals itself. God was a Spirit, like protium, the lightest isotope of hydrogen and our simplest atom. From this, come the isotopes of tritium, which is likened to God; and deuterium, which compares to Jesus. The three stars in Orion's belt represent these three, the first three stars created in the Heavens... on the fourth day. The three Giza Pyramids, built by the Righteous Seed of Seth, represent this.

The pyramid shape is the basis of three-dimensional geometry. Two inverted tetrahedrons create the male and female Star of David. The pyramid bases are at 19.5 degrees north or south latitude within the sphere. These are the foundation stones.

(MORE)

MAN CHERUB (CONT'D)

Understand this and you'll understand how God created all things by establishing the laying down of foundations. Like the Trinity, you are a body, soul and spirit. God's very Soul became His only begotten Son. He's your foundation and rock of Salvation. His perfect sacrifice allows you eternal life by simply believing in Him. That's why Peter was the foundation or the rock of the church... he was the first to believe. Church *means* body of believers. Worship the Creator, not the created. God loves you. No matter what you've done, He'll forgive you and take you back. Just ask. But you must repent. What more could I possibly reveal to you?
