"REVELATIONS III"

FADE IN:

Subtitle: "Although a fictional account, this story is based upon a TRUE STORY.

Subtitle: "All future dates are purely speculative and set only for the purpose of telling a story. Or are they..."

EXT. OUTER SPACE - CRESCENT MOON

with the sun peeking over it's edge. Our VIEW in space BROADENS to include the Earth. We come alongside a large space station in Earth's orbit.

We SEE the Latin phrase, ADHUC STAT on the side of it.

Subtitle: "The International Space Station."

Subtitle: "Jewish Passover and Good Friday's Eve, 2004 A.D."

INT. SPACE STATION

The SOUND of an electronic warning BEEPS to alert the crew, but they fail to see a small spaceship already headed towards Earth.

Hal, an Asian in his mid-twenties, turns the warning light off as a nearby computer indicates the UFO was a small asteroid.

INT. CHAPEL

Other astronauts of different nationalities are preparing to celebrate Easter by decorating this onboard chapel.

As we HEAR the astronauts of different nationalities SPEAK, their various languages are translated into English by a small lapel computer translating device.

CLOSER VIEW of the device reveals the Macintosh logo, a multicolored rainbow apple with a bite missing.

As we HEAR their AD LIBBED dialogue electronically TRANSLATED, we discover they are talking about a huge mirror, eighty-three feet in diameter. "It's arriving from the Russian space station, Mir."

COSMONAUT

It will have the capability of beaming  
a five-mile radius of sunlight to the  
side of Earth away from the sun.

Hal jokingly flirts with his beautiful redheaded, Russian copilot. His native CHINESE tongue is automatically translated into RUSSIAN.

HAL (V.O.)

Everyone needs something warm and  
yellow... I'm talking sunshine... on a  
cold, dark night.

INT. RECREATION ROOM

Some of the younger astronauts are playing a state of-the-art video game.

INSERT - VIDEO SCREEN

Grotesque demons help the evil Midgard Serpent take on Thor, who wields his golden hammer in an end of-the-world game called "RAGNOROK."

The game is INTERRUPTED by another SIGNAL... a live feed from Rome on the Global One TV Network.

BACK TO SCENE

The players SHOUT AD LIBS to Hal that "the monitors are screwing up again!"

HAL (V.O.)

All right... I'm working on it. It's just some interference. Can't I have a day off too?

INT. CHAPEL

An astronaut with rosary beads in his hands is WATCHING the Roman Catholic Mass on a MONITOR, which Hal is adjusting. In the b.g. is a portal through which we can SEE Earth below.

As our VIEW PULL US through the window, we rapidly MOVE towards the boot-shaped country of Italy.

NARRATOR (V.O.)

John and Ezekiel were both given a scroll, or little book, with words written inside and out. Both were commanded to eat the words and in their mouths, the taste would be sweet as honey. But in their belly, it would be bitter. Such is one who receives a revelation of truth from God. One which contains lamentations, mourning and woe. Divine words are sweet but can be hard on the stomach when full of such dark prophecies. Such is this final book... the Final Course. How do the French say? Bon Appetite!

EXT. ROME - NIGHT - THE PANTHEON

The ancient Roman building still stands and is well preserved.

NARRATOR (V.O.)

The Pantheon... in 609 A.D., it was rededicated to... the Virgin Mary.

EXT. THE VATICAN/ST. PETER'S SQUARE - MIDNIGHT

Huge crowds fill St. Peter's Square, covering the double-cross within a sphere on the piazza. The obelisk in its center rises above their heads.

INT. SAINT PETER'S BASILICA

A statue of the Virgin Mary holding the baby Jesus is in the f.g. of the Catholic services as the Pope makes his way to the alter. He's wearing a two-horned mitre and is followed by other similarly dressed Bishops and Cardinals.

An announcer covering the event on TV refers to him as Pope Peter "the Roman."

EXT. SAINT PETER'S CHURCH - OUTER BALCONY

A man wearing a Masonic ring is watching from a window above the balcony.

ANNOUNCER (V.O.)

This new Pope has been viewed by many as very liberal. Since the unification of so many Christian churches, he's really been a global leader in restoring the love and fellowship of so many separate denominations. His love and open acceptance have allowed women priests, gay marriages, abortion, birth control and contraceptives.

The Pope addresses the crowd below in St. Peter's Square, where it is now just after midnight on Good Friday morning.

The same translating device we saw onboard the Space Station is being used to translate Latin to other languages, including English.

POPE

(from Latin)

She warns us of future chastisements. These will be greater than those of New Year's Eve. And we must not forget, the Blessed Virgin Mary, Our Lady of the Rosary, warned us of the events which came to pass on that night.

EXT. SAINT LOUIS ARCH - SUNSET

Subtitle: "St. Louis, USA."

The bottom legs of the arch are underwater, the result of the Mississippi River backing up and flooding the banks. The SOUND of church BELLS are coming from a nearby Cathedral.

INT. KITCHEN/PATTY'S HOUSE

A digital clock RADIO broadcasting the Pope's message displays 5:27 p.m., Thursday. Beside the clock is a tabloid newspaper.

INSERT - NEWSPAPER HEADLINE

which reads "The Mississippi Mud... Serving the Daily Dirt. UFO Abductions on the Rise? Possible Explanation for Missing Kids on 1-1-2004?"

BACK TO SCENE

PATTY, now 31, is listening to the Pope's message on the clock radio, while coloring Easter eggs.

PATTY

I'm getting tired of all this Latin stuff about the Virgin Mary.

She reaches over and changes the channel, finding a PREACHER giving his Good Friday sermon.

PREACHER (V.O.)

St. Louis has been plagued by the flood waters of too much rain, but that won't dampen our spirits this Easter weekend.

Patty looks out her kitchen window, where she SEES the arch.

PATTY

What was it that J.J. always used to say... "It's really just a big steel rainbow, mama. It's God's promise not to send another flood to St. Louis."

Patty gets choked up as a tear rolls down her face. She has to stop coloring the eggs, BAWLING now, as the preacher continues in the b.g.

PREACHER (V.O.)

... compare the International Space Station to the Tower of Babel? Computers and technology. Man has begun building his house upon the sand... which is what silicon is made from. That's what they use to put computer chips on. The FOUNDATION of technology is built upon the SAND of the earth. Friends, build your house upon the ROCK... which is Jesus!

As we continue to hear the preacher's message, we SEE

EXT. SEVEN CHURCH STEEPLES

on top of SEVEN different churches. Our FOCUS NARROWS on the spires and steeples of each church, which resemble the TOP of an OBELISK as we get to the last church STEEPLE.

PREACHER (V.O.)

... So when the thunders, lightnings, and great earthquakes, and 100-pound hailstones come with God's wrath in the last days; you will not be moved!

The last steeple now

DISSOLVES TO:

EXT. ROME - NIGHT

the top of a huge obelisk somewhere...

The preacher's VOICE OVER fades as we HEAR the VOICE OVER of an initiation into a familiar mystery religion inside a nearby building as we

FADE TO: BLACK.

FADE INTO:

INT. JOHN ROCKWELL SR.'S PRIVATE STUDY ROOM

A dark room, barely lit. A man dressed in black with gloves is moving quietly around the room. We can't see his face.

He's looking at a shelf of ancient relics: various Knights Templar crosses including Maltese and red, antique swords, a crest or coat of arms with a red cross, and finally; a human skull.

INT. ROME - INITIATION ROOM

The walls are covered with Egyptian hieroglyphs. We HEAR more AD LIBS from the initiation. The WORDS overlap as we INTERCUT between the initiation here to

INT. ROCKWELL'S STUDY

room with man prowling. He's found an entertainment center with video equipment and video tapes.

He FOLLOWS the list of titles which all say, "PROPAGANDA."

INSERT - VIDEO TITLES

among them "STAR WARS I;" "STAR TREK III;" "PLEASANTVILLE;" "LOST IN SPACE, Episode Seven: "MY FRIEND, MR. NOBODY;" "THE ADVENTURES OF BARON MUNCHAUSEN;" "NBZ'S NOAH'S ARK;" "NBZ'S MARY, MOTHER OF JESUS;" "NBZ'S Y2K, THE MOVIE;" "NBZ'S SNL CONEHEADS & CARTOONS."

BACK TO SCENE

He takes one from the NBZ/SNL file labeled, "PROJECT 2X2L, 2-6-99" subtitled "SATURDAY TV FUNHOUSE" and places it in the VCR.

MAN'S VOICE

2X2L... double cross to hell!

INSERT - TV SCREEN

An animated image appears on the video screen. It's a cartoon of Bill Clinton's impeachment trial.

## SPEAKER OF HOUSE

... but Representatives, the  
Constitution SAYS...

The Constitution, on display nearby in a glass case, somehow comes to life.

It starts killing people involved in the proceedings. It has developed teeth and eats them.

## REPRESENTATIVE

I think this is a job for the Four X-  
Presidents.

He summons the Four X-Presidents: Ford, Carter, Reagan, and Bush. Their SHIELD resembles the Knights Templar CREST we just saw earlier as a relic.

The prowler FAST-FORWARDS to the place where they are now fighting the Constitution.

A ball of fire thrown by Bush hits the Constitution but the only damage done is the removal of the Emancipation Proclamation, causing a WHITE SENATOR to try and handcuff a black senator.

## WHITE SENATOR

Come here boy.

Now the Four X-Presidents COMBINE FORCES to destroy the Constitution. Together they spin as one big wheel and cut up the Constitution like a BUZZ SAW.

## BACK TO SCENE

The prowler's gloved hand PAUSES the video, REWINDS a few frames, then SLOWLY PLAYS back the buzz saw part several times.

He takes out a picture from his vest pocket and compares it to the paused video image.

## INSERT - PHOTO

which is a drawing of a Nazi swastika, rotating in a similar manner. On each of the swastika's four ends is a knife, which are cutting up people in concentration camps, represented by skulls and bones with the Star of David.

## BACK TO SCENE

Our VIEW SHIFTS UP to the man's face. It's JOHNNY ROCKWELL, now in his seventies.

## JOHNNY

Hmmm... Ford, Carter, Reagan, and Bush.  
The same four presidents responsible  
for FEMA, which replaced the  
Constitution and set up Martial Law.

Johnny looks at the other video tapes more closely now. He picks up a short description attached to the "LOST IN SPACE" episode. As he reads aloud, we INTERCUT with the initiation.

JOHNNY (V.O.)

My Friend, Mr. Nobody... A disembodied spirit called Mr. Nobody dwells secretly in an underground cave covered with diamonds. He befriends Penny Robinson, who gets trapped in the cave when Dr. Smith blasts open its mouth to gain entry.

An Egyptian-looking priest dressed like the Jackal-headed Anubis, acts out opening the mouth of a mummy with a hammer. This takes place in front of the hooded initiate.

JOHNNY (V.O.)

Thinking this blast killed Penny, Mr. Nobody seeks to avenge her murderers. He tries to kill the entire crew of the Jupiter One. Fighting the forces of nature coming against them, the robot is torn to pieces trying to save them.

Several Masons dressed like bandits are tripping up the initiate, now bound and blindfolded, as he is led to the altar.

JOHNNY (V.O.)

But he is put back together and lives again. The opening of the cave's mouth released the spirit, which is reborn as a new galaxy of stars in the Heavens. The end reveals this was all being observed on an oval-shaped monitor, controlled by reptilian hands.

Johnny's face lights up even more.

JOHNNY

All Masonic rituals and symbolism... Mr. Nobody... zero means nothing or nobody. Zero in the Chaldean was a circle. Zero was the SEED, another name for the false redeemer... Nimrod!

DISSOLVE TO:

INT. ROME - INTITIATION ROOM

where the initiation is concluding.

## INITIATOR

You've fought the forces of nature and survived... you've been resurrected with Hiram Abiff so when you die, you'll be reborn in the heavens with the true light... the bright morning star.

The initiate's hood is removed as we SEE his face... it's the Pope!

## EXT. THE VATICAN - NIGHT

The obelisk we SAW earlier is now REVEALED to be the one in the CENTER of St. Peter's Square. This obelisk BECOMES

## EXT. WASHINGTON DC - NIGHT

the National Monument, a 555 feet-tall white obelisk.

## NARRATOR (V.O.)

Did you realize that 555 feet is 6,660 inches? As you know, inches revealed secrets in the Great Pyramid.

Our VIEW WIDENS to include the Pentagon in the b.g. The pentagon-shaped Defense Headquarters BECOMES

## EXT. DENVER - MASONIC TEMPLE - DAY

the inside pentagon shape within a PENTAGRAM, or upside-down five-pointed star. Our VIEW WIDENS to show the star is located on a sign in front of a Masonic Temple, with the slogan "Daughters of the Eastern Star" below.

On the side of the lodge, a compass and square symbol BECOMES

## INT. DENVER AIRPORT - SUNSET

the SAME Masonic SYMBOL on the floor of the airport there. The Latin phrase ORDO AB CHAO is beside the symbol, with a man standing beside it.

He's wearing headphones, listening to a VOICE in a small Walkman.

## VOICE (V.O.)

ORDO AB CHAO -- The old order must be completely and thoroughly destroyed before the New Order, the Third Wave or Third Way can be established.

He's looking at another Latin phrase on the floor, "DZIT DIT GAILI."

VOICE  
 (continuing)  
 DZIT DIT GAII -- The black sun. Saturn  
 or Satanism.

He then LOOKS at a mural on the wall. In the mural, children from all over the world are bringing a German boy swords wrapped in their country's flags.

The boy is beating their swords on an anvil into plowshares and pruning hooks with his iron fist.

VOICE  
 (continuing)  
 The future.

A uniformed man walks past him, heading towards a guarded elevator door.

The guard, dressed in the military uniform of the State Defense Force complete with a black beret, makes a secret sign with his hand. We NOTICE a Masonic ring on his middle finger.

The other man returns the sign. As he does, we NOTICE a Masonic ring on his middle finger.

The guard allows the man entrance, who enters the elevator and pushes the DOWN ARROW button.

INT. ELEVATOR - UNDERGROUND FACILITY

where he exits into a huge room filled with a bustle of activity, but we never make out what it is.

He enters and drops to his knees, as if in the presence of royalty.

EXT. DENVER AIRPORT

Several large jumbo-jets are landing on the runways in the b.g. as we SEE a 747 unloading some prisoners.

They are being herded onto huge baggage handling devices as the machines automatically carry them deep underground via a tunnel.

Dozens of workers in the f.g. are clearing about four inches of dirt from a buried runway while we SEE huge buildings in the b.g. being uncovered from dirt with shoveling machines.

Along a huge highway leading to the prisoner unloading baggage area, we now SEE huge dump trucks being loaded with what appears to be dead naked bodies.

CLOSER VIEW on one dead man's face reveals he's the Christian who held the billboard in NYC, New Year's morning 2004.

EXT. ATLANTIC OCEAN - DAY

Subtitle: "Bermuda Triangle."

Several huge balls of light come DOWN from the sky alongside a patrolling American fighter jet, who doesn't even detect them.

Suddenly, the balls of light plunge DOWNWARD and disappear under the surface of the ocean. This upsets a school of eels.

EXT. NORTHERN ISRAEL - EARLY EVE

Subtitle: "Mt. Hermon"

The place where fallen angels have landed twice before and made their pact to breed with women is where we SEE the arrival of a small spacecraft. It's the same THING that picked up Elijah at the very beginning of FIRST movie.

INT. SPACECRAFT

Inside the craft are LAURIANNA, ELIJAH and ENOCH. The two men are dressed in sackcloth, like prophets of old. We hear Laurianna's voice, that of our NARRATOR, as they land.

LAURIANNA

Oh yeah, I need to bring you up-to-date  
on just a few more things.

INSERT - OVAL-SHAPED VIDEO MONITOR

which displays the SAME kind of GLITCH that we've SEEN between every jump in time. The last known VISUALS from New Year's Eve begin to appear ONSCREEN.

BACK TO SCENE

We now realize this whole trip through the past has been Laurianna updating Elijah, starting when he was first picked up at the beginning of the first movie.

She hands both Enoch and Elijah some currency.

ELIJAH

What's this?

LAURIANNA

It's the new European monetary unit...  
the Euro Mark. After the wars of New  
Years Day, which destroyed the USA's  
economy -- then, the world superpower;  
the eastern and western portions of  
Europe were united as the Revised Roman  
Empire -- the New World superpower.

We SEE a map of Europe. It's divided into ten sections. Five eastern and five western nations with a common flag: a black two-headed eagle on a red and white background.

## LAURIANNA

Germany, France, Spain, Italy and Greece with their expanded borders represent the western nations. Great Britain was utterly destroyed in the wars and smaller countries like Serbia, Romania, Poland, etc. were absorbed by these five. Their western capitol is now Paris. Their religious seat is Rome and most are Orthodox Christian or Roman Catholic.

The map shows the western half of the flag is white.

## LAURIANNA

Algeria, Libya, Egypt, Turkey and Iraq, with it's expanded borders including Syria and Iran, represent the five eastern nations. Their religious seat is Mecca. Their eastern capitol is near Baghdad in the restored city of Babylon. Most are Muslims.

The map shows their half of the flag is red.

## ENoch

You said the USA and Britain suffered a great attack?

## LAURIANNA

Military computers failed, causing Soviet nuclear missiles to launch at both countries. THIRD world nations like Iraq and terrorist groups, seized the moment and sent missiles as well.

On the monitor, we can see the damage in London and New York City. The World Trade Towers and Wall Street are in shambles.

People everywhere are dressed in rags and are working in forced-labor camps.

## LAURIANNA

Most Americans had invested all their savings into the stock market. Even the Social Security surplus had been invested. The largest investment banking firm, THIRDDUNION, was not FDIC insured and went bankrupt, leaving the retirement future of many Americans uncertain.

ENOCH

But why do so many people work in labor camps? I thought it was the land of the free?

LAURIANNA

Anyone in debt has to serve time in a labor camp until his or her debts are paid in full. The catch - they are charged for daily room and board, keeping an endless cycle going. Ironic since most of their debt was attributed to revolving credit card debt...

ELIJAH

(overlapping)

... the storehouses of the Templars wealth... the Banks. Did the U.S. return the attack?

LAURIANNA

American leaders knew the Russian attack wasn't intentional and did not return fire, thus avoiding a global catastrophe. However, many Americans were not warned in time. Computers caused the EBS early warning system to fail as power blacked out many television and radio stations.

ENOCH

They were all celebrating New Years Eve and hopelessly drunk... they couldn't save themselves or their families.

LAURIANNA

Yes, it was winter and many, including the elderly, perished due to lack of heat. FEMA, or martial law, was set up to restore order afterwards. It replaced constitutional law and is STILL the law of the land.

ELIJAH

What about Russia and China?

LAURIANNA

They are still communist countries. Russia's leader, Vladimir Zhirinovskiy, is known as the King of the North. China, Pakistan, India, and the united countries of Korea and Japan, are the Kings of the East.

Laurianna hands Elijah his blue mantle, which looks a bit more worn now.

LAURIANNA

You've got some competition.  
Supposedly the rapture has already  
happened on New Year's Eve. John Paul  
II and other religious leaders  
disappeared. So did many children.

ENOCH

(surprised)

But we know that's not true.

LAURIANNA

That's not all. The world believes two  
witnesses for God are upon the earth.  
One is the new Pope, Peter the Roman,  
who claims the anointing of Elijah  
belongs to him. The other is Mary, or  
Our Lady of Fatima. She's supposed to  
be the mother of Jesus. Together,  
they're preparing the world for the  
return of Peter and Paul, supposedly  
the two witness of "REVELATION."

ENOCH

Peter, Paul and Mary? I thought they  
broke up in the sixties?

EXT. JEWISH TEMPLE (JERUSALEM) - NIGHT

A full moon lights up the Temple Mount as we SEE several Orthodox Jews  
praying alongside the Temple Walls.

OUR VIEW SHIFTS to a small home near the temple.

INT. KATY'S HOUSE (ISRAEL) - NIGHT

KATY, now in her mid-seventies and with very long hair, is joined by  
family members at the dinner table where they are celebrating Passover.

We can SEE David's watch is now hanging from Katy's neck.

INSERT - KATY'S NECKLACE

David's watch is minus the leather bands but is still running.

BACK TO SCENE

EVA, Katy's daughter, is now in her late forties. She resembles her  
father, David. An old WW II photo of him hangs on the wall in the b.g.

Sitting next to Eva are her two sons: JOSH, early twenties, an Israeli Air  
Force Pilot; and eleven year-old DAVIE JR.

Josh is sitting next to his girlfriend REBEKAH, a cadet in her early  
twenties.

Eva's husband, STEVEN REGAL, an Israeli Air Force commander, sits at the head of the table.

EVA

You and Johnny should've gotten together after the war.

KATY

(referring to  
Steven)

When I can stay here with you and be taken care of by this good-looking man?

Everyone LAUGHS.

KATY

Eva and Rebekah, why do both of you keep your hair cut so short? Don't you know your long hair is your crown?

EVA

Mom! Don't embarrass Josh's girlfriend like that. Maybe we're more comfortable with short hair.

KATY

I've never cut my hair since the Germans did it for me in 1945. Women cutting off their hair is just a Satanic plot to confuse men AND women's lust!

Everyone LAUGHS.

KATY

Keeps the bad angels from lusting too...

Everyone LAUGHS again.

Davie sets a wineglass full of wine at an empty place on the table. The laughter subsides as Josh stands with his own wineglass in hand.

JOSH

(to Davie)

Elijah's successor, Elisha, got a double portion of God's anointing for witnessing his master's ascension into Heaven. The anointing on his body was still strong, even after his death. At a man's funeral, interrupted by bandits, the dead man's body was quickly thrown on top of Elisha's body already in a nearby grave. Elisha's anointed bones caused the dead man to come back to life.

Josh tries to scare Davie with his delivery of that last part.

STEVEN  
(comforting him)

Davie, go to the door, as is custom, to  
look for Elijah.

As the boy almost gets to the door, there's a KNOCKING sound. This scares Davie as he jumps!

Everyone else is surprised too. AD LIBBED remarks urge him to open the door, assuring him everything's okay.

The boy opens the door to discover Elijah standing there!

Elijah points to his mantle.

ELIJAH  
This is what your brother was talking  
about.

The Passover cup ritually left for Elijah at the empty dinner table seat, suddenly becomes empty.

Elijah, still standing in the doorway, looks over a passed-out Davie.

ELIJAH  
It's time.

INT. ROCKWELL ESTATE/JOHNNY'S ROOM (NEW YORK) - NIGHT

A television screen is the only light in the living room. We HEAR the SOUND of the TV.

VOICE OVER (OVER A PHONE)  
Hello Sidney. It's time, girlfriend.  
Don't you know history repeats itself?

It's obviously the killer's voice from the movie, "SCREAM II." Johnny comes in the room and changes the channel.

JOHNNY  
How many times have I told you, no  
scary movies this late at night.

The channel lands on a pro-wrestling match. We HEAR the

ANNOUNCER (V.O.)  
L-a-a-dies and Gentlemen...  
... Let's get ready to  
R-U-M-B-L-E!

The black gloves he wore earlier are on top of the TV. An N.W.O., New World Order, wrestling picture above the TV proves he's a fan.

Sitting on the bed watching TV with Johnny is a twelve year-old boy, JOHNNY JR. Upon closer inspection, we can SEE it's really J.J., Patty's boy that disappeared on millennial midnight!

INSERT - TV SET

The wrestling commentators mention how the former basketball player, Michael Jordan, is doing well in his new wrestling career.

INT. DAVIE JR.'S BEDROOM (ISRAEL) - DAVIE

is lying in bed recovering from the earlier excitement and also watching the match. During the VOICE OVER CHAT about Jordan, we SEE a poster of the black hero on Davie's wall.

INSERT - POSTER

in the center is Jordan's logo and symbol: a circle with rays or lines shooting out all around the circle. Inside the circle are his initials, M.J., superimposed over the number 12, the number of his last basketball jersey.

Four Nike symbols close together at right angles forming a pinwheel, are tattooed across Jordan's right hand.

BACK TO SCENE

RING ANNOUNCER (V.O.)

The N.W.O. uses wrestlers from other countries as part of a unified Earth, which the International Space Station represents. Astronauts aboard the orbiting station are among the biggest fans.

INT. SPACE STATION - NIGHT

We SEE several astronauts watching the match, giving each other high-five's, etc.

INT. NORAD (COLORADO) - NIGHT

We're in a room full of TV monitors and radar screens. We HEAR the VOICE OVER from the live wrestling match, which is on one monitor being watched more than any other by FEMA guards.

The other monitors are carrying live global events via satellite.

As we go back to the wrestling monitor, STONE COLD has just won his match.

STONE COLD

(to camera)

Tonight, I not only used Stone 3:16 on my opponent, but I also used a little bit of my latest... Stone 666.

INT. BLACK FAMILY'S HOME (USA) - NIGHT

Everyone is wearing prison-like uniforms. They appear to be in some sort of detention center. They're watching an old movie, "PULP FICTION," on a movie channel.

Samuel L. Jackson is reciting his line from Ezekiel 25:17.

JACKSON (V.O.)

And I will execute great vengeance upon  
them with furious rebukes; and they  
shall know that I am the Lord, when I  
shall lay my vengeance upon them.

The scene ends in a spray of GUNFIRE.

The CHANNEL CHANGES to another movie channel.

It's the movie "CONTACT" where we HEAR the explanation about Hitler's  
speech being the first television broadcast signal of any real power sent  
into outer space. Our FOCUS ends on the swastika and Adolph Hitler.

The CHANNEL CHANGES again.

It's a television commercial for a "Psychic Hotline." The various people  
endorsing the service keep MORPHING into the next person.

INSERT - TV SCREEN

where we NOTICE each person MORPHING is an incarnation of fallen angel  
chief's that we've seen in the past.

The commercial ends and returns to a talk show.

HOST

We're discussing the art of channeling,  
and how the Romans used the Oracle at  
Delphi in much the same way.

INT. COLLEGE DORM ROOM - NIGHT

As the talk show host continues chatting in the b.g., we overhear a GIRL  
talking on the telephone.

GIRL

But how did you know that? Oh my  
God... you guys are for real!  
(listening)  
No, this is the first time I've ever  
called a psychic before...

INT. PSYCHIC HOTLINE PHONE CENTER

Dozens of people are on phone lines assisting people, posing as psychics.  
Our SUPERNATURAL EYES are opened momentarily to reveal its DEMONS that are  
assisting them with the information.

DEMON

(to a psychic)

I've known this girl since she was  
born... I can tell you anything you  
need to know.

INSERT - TV BEER COMMERCIAL

Three FROGS saying, "Bud-weis-er" is ECHOED by

INT. COLLEGE FRATERNITY HOUSE - THREE TRANSPARENT DEMONS

are sitting around three frat boys watching the commercial.

The three demons, LILITH and two others, are all drinking beer INVISIBLY, imitating the frogs in the commercial.

They TELEPATHICALLY send messages to the teenagers, who imitate the three demons and REPEAT whatever they SAY almost word for word.

DEMON

I think I'll go get me and all my friends... a shot of tequila!

BOY

Sit tight gentlemen... I've got an idea. It's time for shots!

BOYS

(in unison)

Tequila!

The demons start high-fiving each other.

DEMONS

(in unison)

We still got it!

EXT. HOLLYWOOD - NIGHT - HOLLYWOOD SIGN

overlooks the city of Los Angeles as we HEAR the SOUNDS of a live studio AUDIENCE LAUGHING. Our VIEW NARROWS on a marquee on the side of a studio, which says "The MANCOW SHOW."

INT. STUDIO

MANCOW, the host of the show, is joined by a dwarf sidekick. Guests on the show are expressing hatred for the other guests on the show.

A JURY of twelve, resembling the rowdy tribunals of the French Revolution, are giving a "thumbs-down." All of them have multiple tattoos and many have visible body piercings.

JURY

To the ring! To the ring!

MANCOW

It's settled. We'll let our guests settle their problems... in the ring. When we come back.

INT. JOHNNY'S ROOM - CLOSE ON - TELEVISION

switching channels to a twenty-four hour news channel.

## NEWS ANCHOR

Repeating today's top story, the live execution of the FBI's Most Wanted Militia rebel is at midnight. We'll carry it along with live events from the Vatican. In other news, Iraqi leader Uday Hussein is denying rumors of unrest between his country and Egypt...

J.J. is watching the news with Johnny as his wife, BUFFY, a former Miss America, enters the room.

## BUFFY

Hey you two... Dee Dee and I are going downstairs for ice cream, want some?

J.J. gets up and runs to the door without hesitation.

## JOHNNY

I guess there's his answer. None for me, thanks.

As the boy leaves, Johnny undresses and prepares to take a shower. Standing in his underwear, we can SEE the Masonic compass and square emblem embroidered onto his underpants.

He tries to cover up as a woman, HILLARY RODNIM, stands at the door unannounced.

## HILLARY

Oh, I'm sorry... I heard your wife and kids so I thought you were dressed.

## JOHNNY

(covering up)

I was. It's okay. I was hoping to see you before you left. So how's Bill?

## HILLARY

Just fine. In Arkansas... with Monica, I suppose. Being a New York Senator keeps my mind busy. Are things better between you and Buffy, now that you've adopted the twins?

## JOHNNY

Much... her not being able to have kids really had her depressed. But everything is great now. I'm glad Dad found them for us.

HILLARY

Great. Well, gotta run. Tell Buffy I'll see her at the next Eastern Star meeting. Gotta discuss some last minute election strategies with your father.

JOHNNY

Good luck... I just know you'll be the first woman President of the United States.

HILLARY

Thanks. Say... you should hurry and get that boy in the Order of the De Molay's and that girl out of the Rainbow Drops and into Job's Daughters... she's a real cutie. Bye!

Johnny barely gets a hand up to wave goodbye before Hillary disappears as we again HEAR the TV in the b.g.

INT. KATY'S LIVING ROOM - NIGHT

Everyone is watching the late-night news.

ANCHOR

... the fireball appearing in the skies over Israel was only a meteorite...  
... not a UFO as some had claimed.  
Finally, a NASA report on the Cassini Mission to Saturn reports that all is well and we should have our first look at the moon, Titan, in November.

The newscast ends with shots of Saturn beamed back by the rapidly approaching Cassini probe. Our FOCUS lingers on the ringed planet.

INT. MASON HEADQUARTERS - NIGHT - MJ12 MEETING

Twelve men are sitting at a round table. They are watching a live news feed from the Vatican via a computer connected to the Internet.

NEWS ANCHOR (V.O.)

Yes sir, we are about to begin. His Holiness has been briefed.

Sitting at the head of the table is JOHN ROCKWELL, now approaching his one-hundredth birthday. He's visibly struggling to breathe and is attached to an oxygen tank.

JOHN

Gentlemen... we are ready now to advance our goals to the next level. Represented here today on this panel of twelve... the Majesty Twelve... are three FBI agents, three CIA, three Secret Service and three Masons, of which I'm the highest.

MASON

Yes, your Worshipful Master. And we all have good reports since the planned New Years Eve disruptions.

CIA

Thanks to our guys creating tension between gangs and inciting warfare, we made house to house searches legal.

SECRET SERVICE

People gave up their rights one by one for peace and safety... from us!

FBI

Twenty-one million blacks and Hispanics were rounded up and later transferred to labor camps after we provoked them into rioting on New Year's Eve. We took care of people opposing tax, prisoners, demonstrators, militia members, and die-hard Christians... all in one night.

JOHN

Yes, and our media called it... the rapture! We are the twelve new disciples. Arthur's new Round Table. In the tradition of Robespierre, let's begin the new Reign of Terror.

INT. THE VATICAN - MIDNIGHT - PRESS CONFERENCE

is beginning as Pope Peter steps up to the microphone.

POPE

At midnight, the Virgin Mary has more revelations concerning the next upcoming chastisements. To our Arab brothers, she has good news regarding your twelfth holy man, or Muhdi, whose grave, in the desert, remains empty.

The Pope is carrying a statue of Jesus hanging from the bent cross. It starts to bleed around its head and at its hands, feet and side.

The reporters standing by are shocked by this miracle. Many of them holding rosary beads, drop to their knees in reverent prayer.

EXT. JERUSALEM - DEPARTMENT STORE WINDOW

where Enoch and Elijah are watching this live broadcast. They look at each other.

ENOCH

I guess it's time we break up this dynamic duo, huh?

As they both cross the street, they forget to look before stepping right into the path of an oncoming taxi. The DRIVER slams on his brakes.

DRIVER

Why don't you two idiots look where you're going? Up yours!

He flips them a bird as he accelerates, spinning his tires.

ENOCH & ELIJAH

Sun god worshipper!

EXT. THE VATICAN

Muslims, Catholics, and Orthodox Christians alike are in attendance with prayer beads, rosaries, and photos of Mary. Not one person carries anything with "Jesus" on it.

## NEWS ANCHOR (CONT'D)

Mohammed's favorite daughter was named Fatima and legends say he whispered a secret to her before he ascended to Heaven. Our Lady of Fatima, a.k.a. the Virgin Mary and Our Lady of the Rosary - who gave both Catholics and Muslims the Rosary Beads; appeared to three girls in Fatima, Portugal in 1917. Secrets revealed to them warned of future chastisements and tonight, we await her return with more... revelations about our future.

Everyone is LOOKING UP. Suddenly, a beautiful multicolored light appears in the sky.

A female apparition appears. Announcers everywhere are declaring that it's the "Virgin Mary."

As we get a CLOSER LOOK, we realize it's really SEMIRAMIS, Nimrod's queen and fallen angel Rabeelalia, Lililea's twin!

## SEMIRAMIS

My children, I travel throughout the world as your mother. I come to you as mediator between God and man. I plead with you, as your Mother, to listen to my words of direction and caution.

The crowd's attention and focus is above their heads, watching and listening to every word from her mouth.

## SEMIRAMIS

Listen my blessed children... soon, two suns will appear in the sky. One, a huge ball of fire, a ball of redemption hovering far out in the universe, shall be guided by the Eternal Father to bring mankind to its knee's. A sign before this happens... a red cross in a blue, cloudless sky seen by all. You can have safety from God's chastisement inside the ark of my heart. God wishes to establish devotion to my immaculate heart.

Suddenly, another LIGHT appears. It's a male ANGEL.

## ANGEL

Fear God and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

EXT. ABOVE ST. PAUL'S CATHEDRAL - SATAN

is hovering INVISIBLY and watching this with shock. APOLLYON, SATAN'S sidekick and companion, is observing the events CLOSELY on Satan's monitor. He looks troubled.

SATAN

What's going on here? I thought we were introducing OUR two false witnesses, Peter and Paul?

APOLLYON

I know... but it's the Angel of the Lord.

SATAN

I can see that you idiot! Are the troops ready?

APOLLYON

Everything is proceeding as planned.

INT. MASONIC HEADQUARTERS - MJ12 MEETING

where Satan magically appears. He turns to John Rockwell.

SATAN

You know what to do.

John nods and bows as Satan turns to leave. Apollyon grabs his master's sword of fire and serpent-shaped helmet, handing it to him.

SATAN

It's Black Friday.

On the computer monitor being observed by the MJ12, the live execution coverage shows the prisoner beheaded by guillotine.

EXT. EGYPT'S NORTHEAST BORDER - DAYBREAK

Others throw bombs at army barracks and embassies.

EXT. EARTH'S ATMOSPHERE - DAY - MICHAEL

SHOUTS to the angels of the four winds, SOUNDING like a TRUMPET.

The angels suddenly appear, each riding a different colored horse: white, red, black and grey.

Angels riding the black and white horses come from the North.

The angel upon the grey horse comes from the South.

The reddish-colored horse carries it's angelic rider by coming FROM or THROUGH the earth.

MICHAEL

Hold back the winds until I've marked  
the 144,000.

MONTAGE

END OF MONTAGE

EXT. SYRIA - DAY - UDAI

UDAI

storm.

EXT. EARTH'S ATMOSPHERE

MICHAEL

(to the four  
angels)

Do not harm the earth or sea until the  
servants of God have been marked.

An ANGEL descends to Earth from the East, carrying the seal of God with him. He gives God's seal to the Prince of Israel, Michael.

ANGEL

Mark the chosen ones. Of the twelve  
tribes, mark 12,000 from each... 6,000  
male and 6,000 female.

MONTAGE

- A) The angels head all over Earth, since the Lost Tribes are still scattered and not all dwelling in Israel.
- B) We SEE Josh and Rebekah getting marked, but Katy does not.
- C) Afterwards, Michael and the other angel head towards Heaven.
- D) The four angels of the wind return whence they came.

END OF MONTAGE

EXT. CAIRO (EGYPT) - DAY

The hot desert sun is shining down on a tour guide, FAROUK EL BAZ, who is telling the story of the Egyptian pharaohs to a group of tourists with the Sphinx in the b.g.

FAROUK

A secret chamber discovered at the end of a labyrinth of tunnels, the Hall of Records, was found under the paw of the Sphinx. It contained a tablet made of a substance alien to Earth. It would require three of the tablets to make a complete disk. Two of them have been found.

He points to a photo of a wedge-shaped green tablet.

It's the same tablet Apollyon was holding during tunneling operations here in the past.

FAROUK

The other one was found under a pyramid complex in Mexico on the Yucatan Peninsula. Hieroglyphic writings on both pieces supposedly prove Ed Cayce's claim that Atlanteans built these monuments. Since the tablets were found on separate hemispheres, scientist believe extraterrestrial origin is the only explanation since the disks have not yet been deciphered.

Egyptians dressed like terrorist are SEEN far off in the distance. They are mobilizing for war.

The Egyptian army is taking defensive positions around the pyramid complex and are watching the horizon. It's getting hot now from the sudden lack of a breeze.

EXT. UDAI'S DESERT CAMP - DAY

Several Egyptian spies are tied to stakes in the hot sun. Udai studies the situation for a minute, then notices a bow and a handful of arrows being used to pass boredom by his soldiers.

UDAI

Put an apple on each of their heads.

The soldiers rush to obey his order, while Udai takes the bow and arrows.

With an apple on each of their heads, Udai takes aim at the first spy. He releases the arrow.

It pierces the spy's head, missing the apple, which falls to the ground.

UDAI

Ah, the forbidden fruit... still the downfall of man.

INT. HEAVEN - GOD'S THRONEROOM

Jesus holds a scroll, sealed with seven different colored seals, each one a color from the rainbow.

The seven archangels: Michael, Raphael, Uriel, Raguel, Zerachiel, Haniel, and Gabriel; are standing before him with seven trumpets.

Seven men in white robes wearing golden girdles over their chests: Seth, Enos, Cainan, Mahalaleel, Jared, Lamech, and Methusaleh; stand before him with seven vials... filled with God's wrath.

Twenty-four elders: the twelve apostles and the twelve sons of Jacob, are sitting on thrones surrounding God's throne.

The four cherubim are at the Four Corners of God's throne, like the points on a compass.

Jesus holds up the book with the seven seals. Michael gets his horn into position, as does Seth with his vial.

EXT. UDAI'S DESERT CAMP - DAY

Udai takes his last arrow and prepares to release it.

UDAI'S POV - THROUGH BOW SIGHT - THE SPIES

are all dead. Each has an arrow through the head.

BACK TO SCENE

Udai RELEASES the arrow, which misses the last spy, instead hitting the apple upon his head dead center.

Suddenly an ALARM SOUNDS, alerting Udai's troops.

MESSENGER

Egypt is attacking now!

Udai turns to his troops, signaling it's time to move.

GUARD

What about the last spy?

UDAI

They worship the sun... leave him to die in it's heat.

EXT. HAWAII - SUNSET (8:00 PM)

ANGEL

Satan is approaching the throne room.

GOD

He's not here to accuse the saints.

EXT. HEAVEN'S GATES

As Satan enters the gateway, he MORPHS into full armor.

Satan's armies, dressed in battle gear, follow him as they make their entrance inside Heaven's gates. He gives the battle cry to attack.

SATAN

INT. THRONEOOM

ANGEL

They're here! War in Heaven begins!

Jesus OPENS the FIRST SEAL.

The Lion Cherub motions for US to LOOK through his monitor.

CHERUB

INSERT - MONITOR

where across a calm desert horizon, we SEE a cloud of dust forming. A CLOSER VIEW reveals a white camouflaged desert jeep carrying Udai Hussein leading his Islamic troops into battle.

He's carrying the bow in his hand, which now supports a banner with a swastika on it. On the front and side of the jeep are military ID numbers... 666.

Video IMAGES show that all the tourist we saw earlier have been  
slaughtered.

FBI

Yes... war in Heaven has also begun.  
So has the great tribulation hour.

CIA

But we are safe here, underground in  
this labyrinth of tunnels we built at  
the taxpayers expense...

SECRET SERVICE

MASON

John, what's the matter? You look  
nervous about something...

JOHN

Oh, it's nothing. That damn Oracle  
predicted my downfall would come  
through my own seed, and that of a  
prostitute. I've had all my children  
killed except one and I keep tabs on  
him constantly. And I've already  
killed the prostitute...

EXT. HAWAII - NIGHT

WWW title match is about to begin.

ANNOUNCER

In this corner, the WWW World  
Champion... Pluto and his sidekick  
Charon!

Crowd ROARS and BOOS!

INSERT - TV MONITOR

Someone is watching the wrestling match. We NOTICE in the corner of the  
screen, a logo which reads: "Titan Sports."

The CHANNEL CHANGES, landing on the Fox Family Channel. We NOTICE the  
oval-shaped logo surrounded by Saturn ring-looking borders. Our FOCUS  
NARROWS on the X-shape made by two beams of light making up the last  
letter in "Fox."

"The Addam's Family" is on and the little girl, Wednesday, is torturing her little brother. The viewer be heard O.S. saying "There's too much violence on TV today."

The CHANNEL CHANGES again to the NEWS as we OVERHEAR someone AD LIBBING about what's happening in the Middle East.

GTV News is covering the war and after showing the above atrocities in Egypt, they CUT TO their correspondent in Israel.

ANCHOR

Thanks Tom. We're outside the steps of the restored Jewish Temple on the Temple Mount. Of course, room only allowed the inner court's Holy of Holies to be built here since the Dome on the Rock still rests here. We'll let you hear what's being said for yourself as we join them live...

Enoch and Elijah are addressing Jews inside the restored Temple, just as the High Priest was about to offer a sacrifice. We SEE that many of them have GOD'S SEAL, the X-shape within a circle, in their foreheads.

Davie is there but he's NOT marked. He's reading aloud to himself from a Dr. Seuss book, "GREEN EGGS AND HAM."

ELIJAH

We are God's two witnesses, Enoch and myself... Elijah.

ENOCH

And we're here to warn you of the coming of God's wrath and judgment upon the Earth.

ELIJAH

If anyone tries to kill us, then by the same method shall they themselves die.

Shocked, the crowd falls to their faces in fear.

Udai is LOOKING across the desert horizon, which reflects a watery mirage. The false water image

INT. UFO'S POV - HAWAII

As we pass over the main island heading towards Honolulu, WE SEE it's at the same coordinates of 19.5 degrees S. Latitude.

EXT. WWW MATCH

Loki and Mankind are fighting and seem evenly matched.

Just as it looks like Loki is getting the advantage, a BRIGHT LIGHT from ABOVE the outdoor arena APPEARS over the ring.

The announcers and crowd seem surprised by all this.

A man is silhouetted by the light as he COMES DOWN from the hovering aircraft, which we can't make out.

COMMENTATOR ONE (O.S.)

The introduction of WWW's newest wrestler may be a little early tonight.

COMMENTATOR TWO (O.S.)

Thor, the God of Thunder, the adopted father of Loki, is supposed to make an appearance tonight.

Sure enough, the man descending by a repelling rope is dressed like Thor, complete with a winged-helmet, a cape, and a golden hammer.

INT. UFO'S POV - THE ARENA BELOW

As we rejoin our flight, we realize we weren't aboard Thor's helicopter. We now leave Hawaii, crossing the Pacific until we arrive

INT. UFO'S POV - THE GROUND

along the coast of eastern Asia. We PASS OVER many religious temples along the way until we end up

EXT. GIZA PLATEAU - DAY

near the pyramids and sphinx, where the UFO seemingly lands.

Udai is still LOOKING across the desert when he SEES a man walking towards him. Guards beside him raise their arms, but Udai signals for them not to fire.

As the man gets CLOSER, we realize he's unarmed, VERY tall, and dressed in camel hair clothing and sandals, with long hair, fingernails, and beard.

The giant-sized man now stands in front of Udai, dwarfing him. Tattooed across his forehead are four letters: S-T-U-R.

Also tattooed there is an ANKH, the Egyptian symbol of life, a cross with a loop at the top.

He raises his right hand in the form of an open-handed salute, revealing he has SIX fingers and a SWASTIKA tattooed there.

SATURN

Sieg Heil!

Udai and his military leaders scratch their heads with disbelief. They NOTICE he also has SIX toes on each foot and his left hand is mechanical-looking.

An Arab HOLY MAN standing beside Udai finally speaks.

HOLY MAN

This must be the long-awaited Muhadee,  
or twelfth Emon.

NARRATOR (V.O.)

Muslims believe that the grave of the  
twelfth Emon remained empty because he  
still lived somewhere in the desert.  
Jesus warned of a false prophet when he  
cautioned that if men say he is in the  
desert, do not go. He warned his  
followers not to believe this lie.

Huge crowds have gathered around the strange spacecraft. Udai and our visitor from outer space are standing before television cameras at a huge press conference. The giant speaks.

SATURN

My name is Saturn, from the Tribe of  
Teitan. I come to you from your past.

He pauses for a moment and looks at the crowd as his eyes begin to water.

SATURN

A wise and highly advanced race of serpents left their home planet years ago when their sun's gravity pulled them too close. These flying serpents came to your solar system and lived peacefully on the fifth planet, Tiamet... now an asteroid belt. They colonized Mars where they created us and had settlements here due to the warmer climate. It was here your race was created in our image by them from the elements of this planet.

REPORTER

Kind of like the Garden of Eden?

SATURN

Yes, the sacred name of your birthplace. All of us lived in peace for many years before the destruction of Tiamet, caused by a nuclear holocaust between warring reptilians. A large fragment of the exploding planet hit Earth, wiping out the reptilians here. Mars was pushed into an orbit too close to Earth and the sun, stripping away water and plant life.

REPORTER

What about your race? How did you survive?

SATURN

Many of my Martian brothers survived, as did your own race. We came here during your Ice Age that followed. Fortunately, the reptilians gave us their advanced technology, which is how we were able to travel here. We built a large city in the Atlantic Ocean, called Atlantis.

REPORTER

So the legends about Atlantis were true?

SATURN

Yes. We lived in harmony with your kind. We were much larger than your race so some of your people looked upon us as gods. Some of our race mated with your race, creating strange hybrids. They had extremely high foreheads, some with cone-shaped heads and were regarded as demigods. They became the mediators to our race.

REPORTER

We've found skulls in Peru that are cone-shaped. We always thought they were just abnormal. What happened next? What happened to Atlantis?

SATURN

We shared our technology with you. But soon, man made war on mankind, sinking our new city with atomic weapons. We've been watching your race closely ever since you developed the same destructive technology. We learned of your advancements when we received your first transmission.

He now plays the Black and White Hitler speech from the opening ceremonies at the 1936 Olympics on a 3-D holographic device.

SATURN

We knew you were men who descended from us because you carried our most sacred symbol of life. It's OUR symbol for the sun, life, and the whisk of light known as your galaxy.

He again raises his right hand to display his open palm and the SWASTIKA tattooed there.

SATURN

We also left a written record of our past and buried them safely under some of these stone monuments.

Farouk, an Egyptian tour guide we saw earlier, makes his way to the front.

FAROUK

Two of the tablets have been found.

Several Egyptian authorities now bring the tablets to Saturn for inspection.

FAROUK  
 (referring to  
 a tablet)

This one is on display this month as a  
 loan from Mexico.

The giant puts them together and the marking match. It's obvious that a  
 THIRD piece is missing.

SATURN  
 One day, the god of the flying serpents  
 and the other two members of the Divine  
 Trinity will return. On that day, they  
 will help us resurrect the sacred lost  
 city from the ocean like a Phoenix  
 rising from the ashes. Then, the third  
 one will be found deep in the heart of  
 Atlantis itself.

The giant reads the indecipherable glyphs and translates their meaning.

SATURN  
 (translating)

And man was created in OUR image, after  
 our own likeness. He was created male  
 and female and given dominion over all  
 the earth. He was commanded to be  
 fruitful and multiply and replenish the  
 earth after the great cataclysm.

He SEES a display photo from a temple wall in Abydos showing ancient  
 flying vehicles. One of them resembles his craft.

SATURN  
 This is the ark, which carried me  
 safely from Earth. Only a few months  
 passed in space while I drifted with  
 little fuel and supplies. Here on  
 Earth, roughly 3,000 years passed in  
 that time. My own people honed in on  
 my distress signal and rescued me.  
 Their ship was the only other one to  
 escape the great persecution.  
 Together, we found a new home, a moon  
 in this solar system, much like Earth  
 after the Ice Age. We've been there  
 ever since.

REPORTER  
 Which moon is that?

SATURN  
 The moon you call... Titan.

The crowd of people begins MURMURING among themselves.

REPORTER

We've sent a probe to the... planet... we call Saturn. It will arrive in weeks with a detachable mapping probe to arrive on Titan in November.

SATURN

Yes, we know. Our sensors picked up the high concentration of Plutonium onboard. We've been tracking it along with all your other probes.

He pulls out and sets on the table a stack of greeting plaques sent out with the Voyager and Pioneer space probes. He sets the gold-coated copper disks next to the pie-shaped tablets from the Yucatan and Giza.

We NOTICE the pie-shaped pieces fit together to form a disk much like the disks from the space probes. The similarities are uncanny.

REPORTER

But where are the rest of your people?

SATURN

After receiving your "WAR OF THE WORLDS" transmission, we felt it wise to send only one ambassador at first. We'll send more when you are ready.

REPORTER

(shouting his questions)

What persecution were you referring to earlier? And what about the Egyptians? And God? The Christians and the Jews believe in a Supreme Being that created them.

A look of rage fills the giant's face.

SATURN

There is no god! Your sun, your mother earth, my ancestors, and the wise flying serpents are the only things worthy of worship. Survivors from Atlantis built this city of pyramids. Demigods, or Pharaohs, ruled the Egyptians here while our people settled in Canaan. Wars with the Jewish people, as they TOOK our land, made us flee... and did this.

He raises his left arm, revealing a cybernetic hand.

SATURN

It angers me to know their race even survives to this day.

REPORTER

Two of their... prophets... are in the city of Jerusalem now. One of them, Elijah, claims he can call fire from Heaven.

A smile returns to the titan's face.

SATURN

That's easy. Anybody can do that. A Titan who lived in Atlantis with me, Prometheus, was the first to bring fire from Heaven. I'll demonstrate this by calling fire from the sky myself.

INT. GOD'S THRONEROOM

The battle is in full force. All angels are engaged in warfare. The Cherubim protecting God's throne with their swords of fire.

Also surrounding the throne are the seven trumpet and seven vial angels.

Every time a fallen angel gets close, he's blasted back with fire. The FIRE DRIPS from the fallen ones to the air below. The sparks from CLASHING SWORDS also DRIP to the air BELOW.

The Angel of the Altar takes FIRE from the altar and CASTS IT to the earth BELOW. It mingles with the other hot particles DRIPPING TO Earth.

EXT. HEAVEN'S GATES

The battle is leaning towards the GOOD as the Archangel Michael fights with Satan himself. Both are fighting with flaming swords. Michael NOTICES a swastika on Satan's forehead.

MICHAEL

You always TWIST the Word of God to further your LIES, so now I see you've taken God's Holy Seal and TWISTED it too!

SATAN

Your God marks his servants with his CROSS, so why not mark my followers with my TWISTED CROSS?

Michael gets the upper hand and a break from fighting Satan by knocking him down momentarily. Then, being the first archangel, he BLOWS the FIRST TRUMPET!

INT. VIENNA (AUSTRIA) - DAY - HOFBURG TREASURE HOUSE

where one of Hussein's officers is stealing the Sword of Destiny from the museum where it's remained since Hitler's days.

EXT. BANKS OF THE NILE (CAIRO) - DAY - SATURN

INT. SPACE STATION

Sensors are going crazy as LIGHTS FLASH and BUZZERS SOUND.

HAL

Incoming particles, sir... an uncharted meteor shower or SOMETHING! It's going to hit Europe the worst.

INT. MASONIC HEADQUARTERS

The commanding officer is yelling into various headsets.

OFFICER  
Get the space station to the other side of the planet! All movable GPS satellites are to move as well... NOW!!

EXT. MOON BASE (FAR SIDE)

Everything is going underground and becoming invisible to us from the surface. The moon is directly over Israel.

INT. SPACE STATION

All the onboard lights go RED!

HAL  
NORAD, something big is coming from outer space.

SERIES OF SHOTS

- A) NORAD, under FEMA control, goes to DEFCOM ONE.
- B) All Soviet and Chinese forces go on their first level of alert too.
- C) Egyptian battlefields, already filled with fire and smoke, now receive HAIL mixed with FIRE and BLOOD. This is mostly the fire dripping from the battle in Heaven. Many troops stop fighting to watch this phenomenon.
- D) The land in Israel is not touched as the moon blocks all incoming particles.
- E) The far side of the moon's bases are hit the worst. One of them doesn't escape damage as air pockets BLAST into outer space.

F) The plague of the hail-fire affects a THIRD of all trees and burns up all the grass, but mostly affects the Revised Roman Empire.

G) Areas where Christians sealed by the Holy Spirit, the 144,000 and the entire nation of Israel; are spared.

EXT. SUEZ CANAL - UDAI

is witnessing the awesome firepower of his new giant friend. As Saturn prepares his spacecraft, Udai turns to his generals and starts barking orders.

UDAI

Attack Greece and Turkey, now as planned. We're headed to Jerusalem to shed the blood of two false prophets!

EXT. JERUSALEM - TEMPLE MOUNT - ENOCH AND ELIJAH

are standing on the steps outside leading into the Jewish Temple. They look up and see Saturn's ship coming down from the sky.

NARRATOR (V.O.)

A Muslim writer once said, "Jesus will descend from the Heavens to Jerusalem. There he will espouse the cause of the Mahdi, at which point Christians and Jews will reportedly recognize the Mahdi's true status and abandon their faith in the Godhead."

As they exit the ship and begin to approach the temple, Udai's armies completely surround the city.

A COURIER brings news from the front lines and is confirmed by thronging reporters.

COURIER

The total defeat of Egypt, Greece and Turkey, has led to the surrender of Germany, Spain, France, Italy, Libya and Ethiopia.

A soldier brings him the Spear of Destiny.

UDAI

Now I am invincible! Nobody can stop me! I am the King of the World!

Now, with the archangel Michael out of the way, they march boldly to the temple door.

A couple of Udai's General's are SEEN urinating on the Wailing Wall.

NARRATOR (V.O.)

Daniel foretold of the day that the great Prince of Israel would step aside, allowing the greatest time of trouble in the history of all the nations -- Jacob's Trouble. This is the only time Michael was taken away and busy elsewhere... he had to let the lawless one come and fulfill his destiny.

Udai stands before Elijah. He takes the Sword of Destiny and plunges it towards Elijah.

UDAI

Die... prophet of death!

But the sword doesn't find its mark, headed towards his heart, which is covered by his mantle.

Instead, as if by magic, it turns upon him and pierces Udai's own forehead, all the way through and coming out the back.

His blood gushes out upon the altar, where he slumps over dead.

SATURN

Stand back! Leave him to me!

Saturn pulls the sword out of Udai's head.

Several of Udai's officers try to retaliate against Elijah but whatever method they use to harm him, backfires and kills them instead.

Saturn begins PRAYING over Udai in an unknown tongue as he places the rest of Udai's body on the altar. He dips his finger in the blood on the altar and makes the symbol of a swastika on his forehead.

INT. USA PRISON - CLOSE ON - CHARLES MANSON'S SWASTIKA

as he's obviously watching this with the rest of the world on Global Television.

CHARLES MANSON

Far out! I mean... C-R-A-Z-Y!

EXT. JEWISH TEMPLE (JERUSALEM)

The Jews SEE this and begin fleeing the city, AD LIBBING they just witnessed the "abomination of desolation."

Josh and Rebekah get a good jump, as does Davie. But Katy's weakened condition from old age, cause her to stumble and fall. She's captured and held prisoner.

EXT. ISRAELI/JORDANIAN BORDER - DESERT

Udai's armies chase the Jews fleeing into the desert regions of Jordan. Enoch is leading the Jews.

Udai's troops are closing in on the fleeing Jews. Josh, Rebekah and Davie are among them.

Just as they clear the desert and make it to the mountains, Enoch turns around and smites the ground with his staff.

The ground opens up and swallows up the entire army, except for one.

He quickly gets on his radio and informs his commander of the events. A lone cameraman is carrying this from a distance on global TV.

INT. RUSSIAN HEADQUARTERS

Russian and Chinese leaders are watching the events on TV.

INT. UNDERGROUND - NORTH AMERICAN RADAR DEFENSE BASE

NORAD steps up to DEFCOM TWO.

EXT. TEMPLE MOUNT

Saturn takes Udai's right hand and places it over the crude swastika, making the opposite impression on his hand.

SATURN

I'm taking him with me. I know how to  
make him live again.

EXT. HAWAII - WWW MATCH

Thor is in the ring trying to strike Loki on the head with his hammer.

COMMENTATOR

There must be some bad blood between  
these two... I've never seen two  
distant cousins try so hard to knock  
the other one out.

EXT. HEAVEN'S GATE

We SEE the various fallen angels being tossed out of Heaven now. One by one, they fall through the tunnel back to Earth.

EXT. HAWAII

Finally, Thor's hammer finds its mark and Loki goes down. Mankind is TERRIFIED and runs out of the ring.

Thor pins the unconscious Loki, winning his debut match.

EXT. HEAVEN'S GATE

Satan and Michael are fighting as Satan starts getting the upper hand.

Laurianna, witnessing this, tries to help by lending a hand. As she does, Satan knocks off her two bracelets with the two keys dangling from her wrists.

Apollyon grabs them as Michael now gets the upper hand and casts Satan from Heaven through the tunnel door.

Laurianna catches her brother off guard by tripping him, causing him to fall right behind Satan. But, he still has both bracelets and the keys.

MICHAEL

Don't worry. We'll get them back.

He takes his golden slingshot, inherited from Yekun, and hands it to Laurianna.

MICHAEL

Give this to David. He'll know how to use it.

EXT. HAWAII

In a moment of compassion for his adopted son, Thor places his hand upon Loki's forehead. He awakes.

EXT. THE VATICAN - DAY - SATURN'S SHIP

lands inside St. Peter's Square.

Saturn gets out, leaving Udai's body onboard, enclosed now in a glass coffin. He LOOKS UP at the Cathedral, then all around the square, ending with the obelisk in the center.

SATURN

So... this used to be the City of Saturn.

INT. ST. PAUL'S CATHEDRAL

Saturn walks up to the Pope, pushing other Cardinals and Bishops out of his way as they try to protect the Pope.

SATURN

You're coming with me. And bring all of your... cute little outfits.

He grabs the two-horned mitre from off the Pope's head and puts it upon his own.

SATURN

I'll be wearing the pants in this religion from now on.

INT. BERGEN-BELSEN CONCENTRATION CAMP - NIGHT

A teary-eyed Katy arrives to the newly constructed camp, where she is again a prisoner based on her ethnicity.

A guard orders her to strip while another begins cutting off her long, grey hair.

NARRATOR (V.O.)

And history... repeated itself.

EXT. PARIS - SUNRISE

Subtitle: "Three days later. Easter Sunday."

The Eiffel Tower fills the skyline with Paris in the b.g.

NARRATOR (V.O.)

This was the first manmade monument to ever top the height of the Great Pyramid, and more than doubling it at 980 feet.

THROUGH the Arch de Triumph, we SEE Saturn standing in the Pope Mobile leading the procession ahead of Udai's body.

The Pope is bound and gagged as a prisoner in the last car, which is Udai's jeep with the 666 on its side.

Saturn is wearing the Pope's mitre and clothing, but they are tight fitting due to the giant's larger size. Our FOCUS ends up on the Pope's symbol of the two keys.

EXT. ST. PETER'S SQUARE - DAY - ANGLE ON - THE SKY

Like a BOLT of LIGHTNING, Satan and Apollyon come to Earth with a great THUD, like when he was cast to the Earth at the original fall. The ground begins to shake from the tremors.

The place where Satan fell was right THROUGH the spike atop the obelisk centered in St. Peter's Square.

Michael witnesses this, as does his fellow archangel Gabriel.

MICHEAL

NOW I understand why the phallic symbol is used with the phrase, 'Up yours.'

Gabriel nods with agreement.

As Apollyon hits the ground, we see the keys he took from Michael hit the ground beside him.

Satan morphs THROUGH the obelisk, picking up the keys as we can SEE he is very angry.

GABRIEL

Woe to the inhibitors of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knows that he has but a short time.

EXT. EUPHRATES RIVER - UNDERWATER

Subtitle: "Somewhere in the Euphrates River."

Vibrations from Satan's fall begin LOOSENING the chains from three angels bound here.

GADREL, the fallen Prince of the old Grecian Empire, wearing the skin of a leopard.

KESABEL, the fallen Prince of the Medes and Persian Empire, wearing the skin of a bear.

YEKUN, the fallen Prince of the ancient Babylonian Empire, wearing the skin of a lion.

They rise to the surface, breathing air for the first time in years.

YEKUN

We're free at last!

KESABEL

It must be time.

GADREL

But remember, I'm to be the strongest of us three. Where are they?

All three of them are LOOKING around with their ultra-sensitive vision.

YEKUN

I've found them!

They become INVISIBLE to our eyes as they head West.

EXT. NOTRE DAME CATHEDRAL - HIGH ANGLE - GROUND BELOW

with a hideous-looking gargoyle in the f.g. as we SEE the Pope Mobile and Udai's coffin parked in front. Saturn heads into the church.

NARRATOR (V.O.)

Notre Dame... the French expression for Our Lady... the Virgin Mary.

INT. CATHEDRAL - SATURN

walks up to the altar. He motions for the priests there to place Udai's body on the altar.

Apparently his body smells by the way the priests are holding their noses. The bloodstained wound in his forehead has dried.

Saturn, holding the Spear of Destiny, pricks Udai in the side below his ribs.

He takes some of the dark blood oozing from the wound on his finger and retraces the dried swastika on Udai's forehead.

He then takes Udai's right hand and places it over the mark, making a fresh reversal of it on his right hand.

EXT. NOTRE DAME CATHEDRAL

The three freed Princes FLY PAST the hideous gargoyles on their way DOWN and inside through an open window.

INT. NOTRE DAME CATHEDRAL - UDAI

begins to move as Yekun, Gadrel and Kesabel now POSSESS him as one UNITED BEAST wearing their three animal skins, bringing him back to life.

SATURN

(to Udai)

Happy birthday, boys.

(to the crowd)

There you have it... as foretold by our prophets, the Teitans, and stolen by the Jews. After three days, the man to save mankind would be resurrected!

UDAI/GADREL

After I set up my kingdom on earth, the creator, god of light or fiery flying serpent, will come and help me establish a 1,000 year reign of peace on earth.

UDAI/YEKUN

My name will be changed to TEITAN, adopted son of the Teitans... much like Muslims taking the name Mohammed and Egyptian kings the name Pharaoh.

TEITAN/KESABEL

Saturn was hidden from you but now revealed, thus the name of the hidden god's people shall be mine.

EXT. NOTRE DAME CATHEDRAL

Gabriel and Michael are observing this THROUGH the very top of the Cathedral. They're both on one of the towers while we SEE Apollyon and Satan are atop the other.

SATAN

(to Apollyon)

You know what to do.

Apollyon VANISHES. As he does, the Prince of Revised Rome, TAREL, APPEARS beside Satan.

TAREL

It's not fair. My kingdom was shorter than anyone's.

GABRIEL

Will you go peacefully?

TAREL

I will yield. But is it true that I and my brother are to lead the largest army ever on Earth?

MICHAEL

Yes. Amazarak and Penemue also.

SATAN

That chain you're holding for me... you won't need it. I'll win in the end. You'll see.

MICHAEL

We'll see.

INT. CATHEDRAL - SATURN

places a three-horned crown on TEITAN'S head. Then, he wraps a leopard skin cape around his shoulders.

SATURN

The last time this great country experienced a Revolution this big, the farthest your government got was the Second Empire. From the union of the old East and West Roman Empire, you revived Rome as its Second Empire. Today, we move into the frontier a great leader from your past, Hitler, once dared to move. Today, on the day of Teitan's rebirth, the Third Empire, much like the Third Reich, is born.

EXT. JERUSALEM'S JEWISH TEMPLE - DAY

Elijah, still standing in front of the Jewish Temple, witnesses the events in Paris via a television monitor.

ELIJAH

This is how I caught up on the past, might as well learn about the present this way too.

EXT. PARIS - DAY

Saturn and Teitan mingle with the people as they make their way through the crowded streets. Everyone is amazed that Teitan lives from his deadly wound.

They make their way to the Arc De Triumphe, in the Place Charles de Gaulle where the twelve avenues meet, riding in Teitan's jeep with the numbers 666 on its side.

The Eternal Flame of the Unknown Soldier burns brightly underneath the Arc.

## SATURN

This arch celebrates your victory from oppressors and it's walls contain the names of men who paid the price for it. The nameless soldiers were honored with a living, breathing eternal flame. You once worshipped your sun as the light of the world. Now give this honor to another life-giving light... Teitan.

## MONTAGE

TV monitors displaying this to all of the Masonic Secret Societies in their underground bases, including America, Italy, Germany, the moon and Space Station.

## END OF MONTAGE

## EXT. PLACE CHARLES DE GAULLE (PARIS)

Europe's Ten Kings are now standing one each in front of ten of the twelve avenues. Saturn stands at the end of the eleventh dressed as the Pope. Teitan stands at the twelfth now dressed like a king.

Saturn walks up to a scaffold rig in the circle's center, where something HUGE is covered up.

He LOOKS over at the miniature Statue of Liberty nearby overlooking the river.

## SATURN

You celebrated your freedom from your former monarchy by erecting this Statue of Liberty. She stands enlightening the world. Your enlightenment became the new Age of Reason.

He uncovers the object, revealing a statue made of gold.

It stands 60 feet high and 6 feet wide and resembles an ancient statue of Nebuchadnezzar but with Teitan's face.

The statue holds a key in it's hand, and from our side VIEW, it resembles the ankh. Upon CLOSER inspection, we NOTICE it is Laurianna's key, the stolen key to the abyss.

## SATURN

As the Pope had two keys, which symbolized his authority to open and shut the gates of heaven, I give this authority to Teitan... and to his image.

Saturn hands Laurianna's OTHER KEY to Teitan. The Pope's ensign with the two keys are in the b.g.

Saturn takes a golden hammer and chisel, climbs the scaffolding, where he starts HAMMERING out a swastika on the statue's forehead.

SPARKS are flying everywhere, reminding us of the fire God created angels from when his hammer on a rock caused fiery sparks.

He also chisels an ankh, and with the final stroke, the STATUE COMES to life. His mouth moves now as he begins to speak.

STATUE

Happy Birthday! Teitan will save you from the two Jewish false witnesses. One day, he will kill them both for the entire world to see and will restore order unto the entire world. Worship Teitan as your Messiah. Take his MARK, the swastika, his NAME, or his NUMBER, 666, and place it upon either your forehead or right hand to show your allegiance.

The statue holds up his right hand, revealing the swastika in the palm.

STATUE

Do so with your own blood as a token of his sacrifice for you.

The statue looks at the live BAND that has been PLAYING throughout the coronation ceremonies.

STATUE

When you hear the band begin playing, begin your worship of me, made in the image of your Messiah, and show your loyalty. If you do not, you will die.

MONTAGE

A) Everyone in Teitan's kingdom is watching this live telecast. Many are watching large TV screens or video screens at the front of their churches. Most churches are filled to near capacity for the Easter holiday.

B) One by one, we see priests, preachers, and other various ministers following the instructions.

C) Soon, entire congregations are following their spiritual leaders.

D) Teitan's armies in front of cameras are pricking themselves and using their own blood to make the mark in their forehead or right hand.

END OF MONTAGE

BACK TO SCENE

SATURN

A Jew named Peter founded your church  
in Rome. He was the first Pope.  
Peter... the first and now the last.  
As the last Pope of this church of  
lies, my name will now be known to the  
Jews and their Jesus followers as  
Peter... the Terrible.

MONTAGE

Many Jews and Christians AROUND THE WORLD outside of Teitan's Empire  
witness this, but do NOT take this mark.

Instead, they are shaking their heads in disbelief.

END OF MONTAGE

INT. GOD'S THRONEROOM

The battle in Heaven is over. The FIRST saint, Seth, pours out the FIRST  
VIAL.

EXT. EARTH - SERIES OF SHOTS

- A) All people with the mark, suddenly SCREAM with pain.
- B) There comes upon their skin great boils where they have the mark.
- C) The mark becomes a permanent scar now. One that can never be washed  
off.

EXT. NOTRE DAME CATHEDRAL

Satan, still standing atop the Cathedral, SEES what has happened on his  
monitor.

SATAN

Ah, my cattle have all been branded  
now.

He looks over at some stone gargoyles next to him and all along the roof.

SATAN

You'll get your day in the sun soon  
enough. Or is it your day... in  
darkness?

EXT. PLACE CHARLES DE GAULLE

Teitan is receiving news of his army's demise in the Jordan desert.

SOLDIER

... and the ground just opened up and  
swallowed them.

This angers the antichrist very much. He turns to his armies to address them.

TEITAN

Kill the Jews! Advance back to  
Jerusalem and wipe them from the face  
of the Earth!

INT. GOD'S THRONEROOM

Jesus now opens the SECOND SEAL.

The cherub like a CALF motions to US.

CHERUB

Come and see!

INSERT - CHERUB MONITOR

where we SEE dust stirring over a desert horizon as we LOOK South. The RED army flags of Russia AND China move quickly RIGHT across the FRAME.

These BECOME the totally RED flag with a two-headed eagle, the new flag of the Third Empire, which is moving LEFT.

Teitan's white jeep has been painted RED!

NARRATOR (V.O.)

And there went out another HORSE that  
was RED...

EXT./INT. GREAT PYRAMID

The SECOND relieving stone over the King's chamber is SUPERNATURALLY highlighted.

EXT. NEAR ARCH DE TRIUMPH

Just as Teitan is about to lead his armies back to Israel, another MESSENGER arrives.

MESSENGER

Russia is attacking from the North...

Before that messenger finishes, MESSENGER TWO breaks in.

MESSENGER TWO

... China and it's Eastern allies are  
attacking from the East at this very  
moment.

As he receives these messages, Teitan signals his troops to halt.

TEITAN

First, we must protect our kingdom.  
The Third Empire declares war on the  
King of the North and the Kings of the  
East.

NARRATOR (V.O.)

... and power was given to him to take  
peace from the earth and that they  
should kill one another. And there was  
given unto him a great sword.

He raises the Sword of Destiny high in the air, preparing to lead the  
charge. He turns to the ten kings, now wearing his mark.

TEITAN

I promise all of you continued reign  
with me as kings of the Third Empire.  
Send me all of your troops and weapons.  
Anyone who is against us... kill them!

He leads the armies back through the Arch de Triumph. As he does, his  
jeep snuffs out the flame of the Unknown Soldier.

EXT. PLACE CHARLES DE GUALLE

The Ten Kings and Saturn are all admiring the living statue.

FIRST KING

Our kingdoms are one with Teitans.

SATURN

Do away with any other religions in the  
Third Empire that worship Jesus as  
their Messiah, instead of Udai. This  
includes the Roman Catholic Church and  
the Orthodox Greek Church.

All of the kings nod in agreement.

SECOND KING

We know what to do, my lord.

The GERMAN KING is dressed as a Knights Templar, complete with a red sash,  
decorated with a Maltese Cross.

GERMAN KING

Let's begin minting new German marks  
for all of the Third Empire. The  
swastika will be on the back, much like  
it was on coins minted in ancient  
Greece. With this new mark, all will  
buy and sell. All other money is  
useless.

## GRECIAN KING

I like this revising of the old Grecian Empire. Let's bring back all of the past.

## FRENCH KING

Lock up the former Pope Peter, the Roman, and place him in the very prison where Jacques De Molay was once held prisoner.

## ITALIAN KING

The NEW Babylonian Captivity? What will you do with the old Pope?

## SATURN

I have special plans for him. Didn't the Christians claim to be the light of the world?

EXT. NOTRE DAME CATHEDRAL - NIGHT

Subtitle: "The Nativity of Saint John. June 24, 2004"

There's a huge bonfire burning in front of the church, now adorned with a sign, "The Temple of Teitan." The name "TEITAN" is painted over the word "REASON" with red paint.

## NARRATOR (V.O.)

This festival commemorated the death and revival of the Babylonian god Tammuz, or Nimrod. The midsummer fires always lit up the hillsides on St. John's Eve.

Upon CLOSER inspection, we SEE that the bonfire is being used to light the former Pope Peter, the Roman!

## POPE PETER

Oh Lord, my God... is there no help for the widow's son?

## NARRATOR (V.O.)

Just before his death, Joseph Smith, founder of the Mormons; cried out this same Masonic plea for mercy.

As the flames get hotter and obviously no one is coming forward to help the Pope, his prayer changes.

## POPE PETER

Oh Mary, Blessed Virgin, Queen of Heaven, wrath-subduer, Mediatrix, Isis, Aphrodite, Venus, Minerva, Semiramis... somebody help me!

The smoke from his body RISES, turning from WHITE to RED! The smoke travels all the way to

INT. GOD'S THRONEROOM - ALTAR'S FIRE

and smoke mixes together with the earthly smoke.  
The SECOND archangel, Uriel, SOUNDS his TRUMPET.

SERIES OF SHOTS

A) Atomic silos opening around the ten European nations of the Third Empire. The rockets lift-off simultaneously as they become airborne.

B) NORAD in Colorado goes to DEFCOM THREE. They track the missiles and see that they are not coming toward their countries.

C) On the nose of one of the missiles, we see the words, "Funded by THIRDDUNION. The mountain will come to you!"

INT. THE VATICAN

Bishops and Cardinals are in distress. They are casting ballots for an election.

FIRST BISHOP

We must not let the Papacy be moved to  
French soil again.

SECOND BISHOP

We must elect a new Pope to challenge  
this Peter the Terrible.

EXT. ST. PETER'S SQUARE

Crowds of onlookers not wearing Teitan's mark are anxiously WATCHING a chimney.

NARRATOR (V.O.)

They await the burning of the ballots  
to see if the smoke burns black or  
white. It's this way that they  
traditionally learn if a Pope has been  
elected or not.

INT. THE VATICAN

A ballot with a black circle on it FALLS carelessly from a pile of ballots. The pile was being held together with a PAPERCLIP.

A gust of wind catches the ballot and takes it out a nearby window.

EXT. ST. PETER'S SQUARE - THE BALLOT

lands in the lap of a statue of Jupiter, now believed to be that of Peter.  
The smoke from the chimney turns from white to red!

INT. THE VATICAN

BISHOP THREE  
(looking out  
window)

This cannot be a good sign.

They immediately clear the room. We see a computer monitor in the b.g.  
As we CLOSE IN on it, we see its tracking all the incoming missiles.

INSERT - COMPUTER MONITOR

with a warning light flashing beside a file named "WORMWOOD."

MONTAGE

- A) The bombs IMPACT with a great EXPLOSION.
- B) Many bombs land in and around the city of Rome.
- C) The Pantheon and other ancient Roman monuments are destroyed.
- D) The obelisk in St. Peter's Square along with the rest of the Vatican are demolished.
- E) Many bombs strike all around the Mediterranean Sea.

END OF MONTAGE

NARRATOR (V.O.)  
The impact and radiation killed a third  
of the fish. Stray bombs and tidal  
waves destroyed a third of all ships in  
the Great Sea.

EXT. VATICAN REMAINS

Among the burning debris, we see the Latin phrase, ADHUC STAT, on a  
broken-off piece of brick.

NARRATOR (V.O.)  
ADHUC STAT... It's still standing.

EXT. OFFSHORE

A FISHERMAN that somehow survived the blast is watching the city of Rome  
burn.

FISHERMAN  
So... Rome was burned in a day.

EXT. SPACE STATION

We SEE the same phrase, ADHUC STAT, on the space station as we PASS  
alongside.

INT. SPACE STATION

Looking at a GPS monitor, we SEE that a third of the Mediterranean is as red as blood, mostly around Italy.

HAL

Global positioning satellites are relaying images of the damage sir. The Space Station is slowly returning from the other side of the planet.

EXT. EARTH'S ATMOSPHERE - ABOVE MEDITERRANEAN SEA

Subtitle: "July 4, 2004"

The SECOND saint, Enos, pours out the SECOND VIAL upon the Mediterranean Sea.

EXT. MARSEILLE (FRANCE) - DAY

Saturn has moved from performing miracles in Paris to the banks of the Mediterranean, just off the coast of France.

He sees the spirit world, since giants are really half angel, and prepares to CLAIM Enos' water to blood miracle.

SATURN

Now, with the whole world watching,  
I'll turn the entire Mediterranean Sea  
into blood.

INT. SPACE STATION - OVER EUROPE

We SEE THROUGH a portal that the ENTIRE Mediterranean is turning to blood.

HAL

I don't see how anything remotely human  
could still be alive in or on that  
ocean.

EXT. MARSEILLE - DAY

Saturn is standing naked and bathing in the blood of the waters.

SATURN

This little blood bath is nothing  
compared to the one I have planned for  
those that refuse to worship Teitan.  
First, I'll move my headquarters to  
Avignon, so I can be close to the  
bloodshed.

EXT./INT. AMPHITHEATER OF NIMES - DAY

Hundreds of Orthodox Christians, Catholics, Jews and Muslims alike, that refused the mark, are being slaughtered in gladiator-style fights with soldiers of the Third Empire.

EXT. BATTLEFIELD IN EUROPE - DAY

Teitan's armies are engaged in warfare with the Soviets and the Chinese. There's much bloodshed on all sides.

NARRATOR (V.O.)

Teitan's popularity grew politically, since Teitan himself was a descendent of Ishmael and Fatima. The pain felt by the dark-skinned Arabs, denied firstborn rights as heirs to Palestine by God when Isaac was chosen, seemed erased. Isn't this how Nimrod became popular?

EXT./INT. WASHINGTON DC - DAY - CAPITOL BUILDING

A live press conference is set to begin momentarily. Crowds fill the White House lawn to capacity in celebration of America's birthday. The obelisk-shaped National Monument is in the b.g.

Hillary Rodnim is introduced and makes her way to the podium, which bears the United States Seal, holding thirteen arrows and thirteen olive branches. Also on the podium, is the CIA's shield with it's Blazing Sun symbol.

HILLARY

I'm pleased to announce on this nations 228<sup>th</sup> birthday, that FEMA will finally give way to our heritage... a constitutional government.

Crowd CHEERS!

HILLARY

George W. Busch, Jr. has done his best to execute the office of President during this difficult time. But, unfortunately he's a Republican and will be running against me in the upcoming November elections.

The crowd breaks into scattered LAUGHTER and APPLAUSE.

## HILLARY

On a more somber note, I must inform Americans with Christian beliefs, I have some bad news. You must report to the nearest relocation center by midnight for your own protection. We've received numerous death threats from extreme left-wing hate groups. So, we feel this is for the best. We don't have National Guard troops to protect you, since they're overseas protecting democracies. This will be a temporary solution, I'm sure, and we'll reunite you with loved ones as soon as all the trouble in the Middle East subsides.

Our VIEW SHIFTS to the inside dome above in the Rotunda of the Capitol Building.

A painting entitled, "The Apotheosis of George Washington" fills the FRAME.

## NARRATOR (V.O.)

Washington is transformed as Satan promised into a new Sun God, Apollo, in the chariot of Apollo being carried by four horses across the heavens.

## MONTAGE

- A) George Washington's statue at the Smithsonian, where he's seated semi-nude, in the pose of the Greek god Zeus.
- B) An MJ12 party with John Rockwell, Sr. wearing a party hat with "Happy 100<sup>th</sup> birthday" sign in the b.g. He smiles.
- C) The Statue of Liberty in NYC.
- D) The statue's replica in Paris.
- E) The LIVING statue of Teitan in Paris. It smiles.

END OF MONTAGE

NARRATOR (V.O.)

Religious freedom founded America.  
 Now, exactly 120 years to the day when  
 the French government gave the U.S. the  
 Statue of Liberty, that freedom was no  
 more. At least not for Christians.  
 Once again, in the length of a man's  
 life as outlined by God, the  
 Illuminated Ones would have their  
 revenge. They had cast down the  
 oppression of religions and kings.  
 They are now... the kings of the world.

EXT. JORDAN DESERT - DAY - ELIJAH

is standing before the huge rift separating Israel from Jordan, where the  
 remnant is now safe with Enoch.

Elijah's SPIRITUAL EYES are opened and SEES yet another plague from God  
 being CLAIMED by the false prophet.

ELIJAH

You want the world to believe you can  
 affect the water, then by your own  
 deception will you pay... again.

He opens a Bible. He takes a bottle of water and pours it into the hungry  
 desert sand.

ELIJAH

The Law of Moses said to take heed to  
 yourselves, that your heart be not  
 deceived, and you turn aside, and serve  
 other gods, and worship them. For the  
 Lord's wrath will be kindled against  
 you, and he will shut up the heaven,  
 that there will be no rain, and that  
 the land will not yield her fruit.

Elijah stretches his staff towards the heavens.

ELIJAH

From this day forward, there will be no  
 rain upon all the Third Empire.

EXT. BABYLON MARKETPLACE - DAY

Arab shoppers are listening via loudspeakers. They wave their hands,  
 dismissing the prophets words.

Some of them suddenly turn around, running back to a nearby store. They  
 start grabbing water bottles from a shelf until they're all gone.

A mad rush develops as others do the same.

EXT. JORDAN DESERT - ELIJAH

throws his mantle across the rift. The ground magically covers the void for him as he walks across.

After he gets to the other side, the land bridge disappears, his mantle lying magically at his feet.

INT. GOD'S THRONE ROOM

Jesus opens the THIRD SEAL.

The third cherub resembling a man, motions for US to LOOK THROUGH his monitor.

CHERUB

Come and see!

INSERT - MONITOR

An Egyptian BANKER rides through the barren streets of Cairo on a BLACK HORSE. His suit is ragged and torn. He carries under his arm the weights and measures used in his former money exchange profession. He is very skinny, hungry and thirsty.

BANKER

I'll pay an entire days wage for a loaf  
of bread and a cup of water.

EXT./INT. GREAT PYRAMID

The THIRD relieving stone over the King's chamber is supernaturally highlighted.

EXT. JORDON DESERT

Enoch is in the wilderness with the third of all Jewish people. They are building suitable shelter for themselves.

Enoch smites a rock for water, and manna from heaven feeds them. The plagues of the earth do not affect them here.

INT. SPACE STATION

Hal is positioning spy satellites with sensitive listening devices and video cameras. A monitor shows he's spying on Elijah.

EXT. JORDON DESERT - DAY - ELIJAH

looks up, as if he knows the world is eavesdropping. Enoch walks up to him, along with several other Jews.

ENOCH

What are you going to do about the  
false prophet's miracle of calling fire  
from Heaven?

ELIJAH

My fire from Heaven will be the rain of judgment upon the wicked. The poison from his lying lips will be poison to the lips of all who follow him.

NARRATOR (V.O.)

The asteroid 4179 Toutatis was discovered by a French astronomer in 1989. Named after a Celtic god, the asteroid's eccentric four-year orbit extended from Earth to the asteroid belt. It was scheduled to come within only four-times the distance from our moon on September 29, 2004. This little course correction has now placed it on a direct path with Earth.

The comet is hurtling straight towards Earth.

Do you recall the comet Hale-Bopp? It was the harbinger of doom foretelling the coming of a comet, which would divide in two. As in the days of Noah when a comet lit the sky for seven days as a warning of judgment to come, so did this comet warn the inhabitants of Earth... with its two tails... seven years ago.

WOMAN TWO

Same people that say Sodom and Gomorrah was destroyed with fire and brimstone from Heaven. It's all just a scare tactic to push their right-wing conservative agenda on us.

EXT. NEW YORK CITY - DAY

Subtitle: "Thursday, Thanksgiving Holiday, 2004 AD"

The Macy's Thanksgiving Day Parade is finishing up. We SEE Santa Claus with one of his elves riding in a sleigh float at the end.

Satan and Apollyon are WATCHING this atop 30 Rockwell Center. Satan is wearing a Santa suit. Apollyon is dressed like an elf.

He NOTICES some rooftop graffiti spelling out: "S-A-N-T-A."

APOLLYON

(imitating  
Dana Carvey)

Oh, who could that be... Satan?

He magically moves the 'N' to the end, after the second 'A' so it now reads, 'S-A-T-A-N.'

Satan, who is studying a lump of coal in his hand, looks up to see Apollyon's graffiti.

SATAN

The writing has been on the wall for a long time. My favorite pupil said it best... they just don't think... they're so lazy... caught up in the pleasures of the world.

APOLLYON

Thanks for letting me be part of the myth by using dwarfs as Santa's magical elves. I liked being the dwarf that made Thor's hammer too.

SATAN

Until I ascend to the North and overthrow God's throne, I'll have to settle for... the North Pole.

Satan stands up now and appears to be deep in thought before finally speaking.

SATAN

Kids believe in many things when they're young. The tooth fairy, the Easter bunny. They go to Sunday school and learn about Jesus and the virgin birth. Then as they get older, they stop believing in all those... fairy tales.

He studies the piece of coal again.

SATAN

Free presents overnight replaced the free gift to mankind through the overnight miracle birth. Coal... kids are taught this came from the Carboniferous Age, almost 220 million years ago.

APOLLYON

(admiring himself)

I look good for my age.

He takes the coal from Satan.

APOLLYON

This is what happened to bad boys and girls from the Old World.

(imitating Carvey)

'Isn't that CONVENIENT?'... they receive a rock made by the flood when they've been naughty?

INT. DENVER AIRPORT - UNDERGROUND CITY

The Secret Society is enjoying their bountiful feast, complete with LOTS of water and wine to drink.

They are standing around HOT heaters, burning the oil from the trading we witnessed earlier.

Some men are sitting around playing "MONOPOLY." A player using the little Scottie dog game piece is moving across the board.

A television is on and most of the men are watching the Thanksgiving Bowl from Nashville.

INSERT - TV SCREEN

The Tennessee Titan's are hosting the New York Giants.

We HEAR a COMMENTATOR talking to Tennessee's Governor, JERRY LAWLESS, former wrestler and past commentator for the WWW; who is a guest color announcer.

COMMENTATOR (O.S.)

Jerry, I understand you're from Memphis and they call you the King.

LAWLESS (O.S.)

That's right. And I still wear my crown when officiating in Nashville.

We SEE a Greek-looking building in Nashville, home of the NFL Titans. Going back to the game, an EFFECT WIPE resembles a mechanized flying machine with a huge oval-shaped monitor in it's middle.

BACK TO SCENE

Johnny and John Sr. are watching the game. A man WALKS PAST them, going to the elevator, where he presses the UP button.

INT. AIRPORT - UPPER LEVEL

Getting out of the elevator, the man walks up to an odd looking keypad in front of the murals.

He enters some kind of secret command, then heads back to the elevator, pressing the DOWN button.

INT. SPACE STATION

Hal is watching the game on TV, while keeping an eye on other screens monitoring space.

HAL

I just love getting triple-overtime while watching football... now in triple overtime!

The Titan's are about to tie the game again with the Giants, when the Cassini probe's weak, signal comes in.

The probe's signal strengthens, verifying that it's orbiting Saturn.

HAL

Hey guys... I'm getting some really strange readings on Saturn.

NASA (O.S.)

Try to get a fix on it and download the  
info to mission control.

HAL

I don't know what it is, but I've got a  
fix on it. It's at 19.5 degrees S.  
Latitude.

Computers inform that the atmospheric probe has detached already and is  
arriving on Titan.

NASA and ESA begin tracking the probe on mission control monitors.

INSERT - PROBE FEED

The first images of Saturn and Titan arrive from the orbiting satellite.  
Something unusual is beneath the clouds of Titan's atmosphere. It's  
registering at 19.5 degrees S. Latitude.

As we get below the thick clouds, entire cities appear! Pyramids,  
skyscrapers, obelisks, towers and other HUGE monuments!

We also get our first look at the Titans. They look human but are almost  
twenty feet tall.

Their royalty is dressed like ancient pharaohs and Mayan tribal leaders.

The layout of their cities is much like Mayan ziggurats in Mexico. We see  
the swastika everywhere.

BACK TO SCENE

WARNING ALARMS SOUND. Hal pushes a button to alert NORAD. There's  
something HUGE on his radar screen.

HAL

Uh... guys. I don't mean to worry you  
or anything... but I think we got  
company.

EXT. SPACE STATION - ORBITING EARTH

A HUGE space ship passes OVER the Space Station.

Smaller escort ships come from the belly of the mother ship and descend to  
Earth, heading towards the Middle East.

HAL (O.S.)

Why is this like a scene right out of  
Kubrick and Clark's original screenplay  
for "2001: A SPACE ODYSSEY?"

EXT. JERUSALEM - DAY

Lightning flashes fill the skies all over Earth. A large UFO and several smaller ones fly over the Dome on the Rock.

EXT. MECCA, SAUDI ARABIA - DAY (STORMY)

The stormy sky and approaching UFO's cause a Muslim Imam to run from the nearby mosque to the Kaaba's south wall.

He grabs the sacred Black Stone, preparing to defend it with his life as the largest UFO lands beside the Kaaba.

NARRATOR (V.O.)

This Kaaba contains the Muslim's most sacred relic -- the Black Stone, which they believe was sent down from Heaven by God.

Teitan makes his way through the crowds, followed by Saturn.

A ramp from the bottom of the UFO opens. A TITAN, wearing a space suit, walks down the ramp. He's carrying a black box in his hand.

The Titan walks up to Teitan, holding out the black box, offering it to him.

Teitan accepts the box.

The Titan gestures for him to open it.

He does.

Inside the box is a black stone -- EXACTLY like the one enshrined in the Kaaba, being guarded by the Imam.

TITAN

The Black Sun.

Teitan and Saturn salute the Titan, displaying the swastika in their palms.

The Titan returns the salute with his six-fingered right hand, also revealing a swastika in his palm.

Teitan's swastika in his right hand is the symbol of life, a reversal of the Black Sun on his forehead. As the Titan presses his palm into Teitan's palm, a camera FLASHES, freezing the mirror-image of the swastika's coming together.

INSERT - NEWSPAPER

headline reading "THE BROTHERHOOD," accompanying the photo of the hand-in-hand swastikas. The photo's caption reads, "The new symbol of unity between Titans and Earthlings?"

INT. BABYLON - WRESTLING ARENA - LATER THAT NIGHT

The Titans are sitting ringside with Teitan and Saturn as the much anticipated WWW rematch begins.

A commentator is interviewing WWW's newest heroes, Thor and Loki.

THOR

I'm the firstborn son of Odin, father of the Gods. Loki, a member of the giants, was adopted into the family of Gods and is now my brother.

LOKI

But today, brother shall fight against brother. And the giant race shall win!

The BELL RINGS, beginning the match. Thor quickly gets the upper hand. He's about to use his golden hammer on Loki when the Midgard Serpent jumps into the ring.

He drop-kicks Thor, takes his hammer, then hits him in the head, knocking him out cold.

TITAN

I like this Midgard character.

With Thor out cold, the referee announces Loki as the winner.

LOKI

Midgard will be my new tag team partner. Together, we'll annihilate Thor in a rematch. He can get whoever he wants as his tag team partner.

Facing Teitan, Saturn and the Titans, Loki and Midgard take their own blood and make a swastika on their foreheads.

LOKI

When in Rome, do as the Romans do.

Hela has made it to Thor's side and revives him with a kiss.

HELA

I'll stand by Thor's side and fight the Serpent and Loki in the rematch.

The Titans are enjoying this soap opera and are anxious to join the WWW.

TITAN

We will join the arena in the next event. But, we'll only fight other Titans, of course.

Teitan stands up and makes an announcement as well.

## TEITAN

This day, the day the Titans came to us, will no longer be known as Thursday. It will be Titansday, to honor these new gods of force.

## NARRATOR (V.O.)

And so the gods of Greek and Roman mythology were given new temples and their shrines were rebuilt.

## EXT. ATHENS, GREECE - DAY

The ORACLE at Delphi debuts alongside Apollo's restored temple. The Oracle, a young girl, talks indecipherably as leaders consult her.

Our supernatural eyes SEE demons talking through her as a form of channeling.

## ORACLE

The Titans will introduce better building techniques and give man an even lighter and stronger substance than Titanium. It will be called Titanium Three, and comes directly from Titan.

The leaders are all nodding in agreement, impressed.

## ORACLE

The Titans will help the Third Empire, but will refuse to intervene in wars or fighting. They'll set up headquarters in Berlin and Babylon.

## EXT. BABYLON - DAY

The Titan is talking to a group of Masons.

## TITAN

If you build the tallest tower ever, at least a mile high, in honor of the serpent race that created man, he will return. Place a homing beacon and torch on top of the tower reaching into heaven, and after three days, they'll come back to Earth.

## NARRATOR (V.O.)

This same logic was behind rebuilding the Jewish Temple. By building it, supposedly the Messiah would come after seven years, completing the 490 years with Daniel's seventieth week.

INT. JEWISH TEMPLE

Teitan is roasting a pig on the altar. After picking one rib clean in his mouth, he holds it up and studies it.

TEITAN

I could make myself a wife from this rib. But everyone knows, I have no need for the love of a woman.

He throws the bone to a little white dog, his companion and best friend.

In the Holy of Holies, he sets up a statue of himself. It mostly resembles Zeus, but with Teitan's face.

INT. MASONIC UNDERGROUND CITY

A FEMA GUARD discovers water stockpiles have turned to blood.

GUARD

Uncontaminated supplies must be limited and reserved for higher-ranking Masons.

An archangel's presence leads us to believe he had something to do with the bloody water.

A Mason is SEEN testing the blood in a DNA testing machine. The blood type comes up UNKNOWN.

JOHNNY

That machine must not be calibrating correctly. Here, use my own blood to see if the machine works at all.

He notices a Christian slave girl nearby.

JOHNNY

You there. What's your name and where are you from?

PATTY

I've just been imported from a relocation center, sir. My name is Patty.

JOHNNY

Fine. Let him have a sample of your blood when I'm finished. Just to double-check that damn thing.

The tester pricks her finger and administers the test to the girl.

A DNA warning goes off.

JOHNNY

What does that mean?

TESTER

The machine must be... malfunctioning. It shows this girl's DNA to match yours so closely, she MUST be your daughter.

Johnny looks at the tester with concern, then the results, and finally the girl. They're interrupted by an announcement over the speakers.

SPEAKER (V.O.)

Everyone will temporarily have to stop taking showers until the water supplies can be verified.

MONTAGE

- A) Dried-up lakes and rivers across the USA.

The leopard seal is the most vicious of the species. Capable of breaking to pieces its prey with its strong teeth and jaws. Christians are sometimes represented by a fish. prepares to kill Johnny's daughter.

JOHNNY

can't bear to watch and suddenly leaps up to help, reaching for a weapon.

Hela throws Johnny back.

Hela breaks Katy's neck instantly. Katy's last VISUAL is the sight of Johnny giving up his place as a protected citizen and trying to come to her rescue.

David's watch falls from her broken neck, hitting the floor.

Johnny reaches across the ring mat and tucks the watch into his fist, unseen by the ringside officials.

NARRATOR (V.O.)

Katy escaped death at the hand of the  
Nazi's long ago, but not this time.  
History has repeated itself... again.

Johnny is in shock as he sees his old wingman's wife die. He now realizes that killing the Jews, as part of their master plan is wrong. But he is now a prisoner himself for his efforts to save Katy.

In the commotion, his daughter lives. Johnny and his daughter are led off together.

From the German broadcast facility, we see the bodies of the dead saints defeated in the matches being burned in great ovens.

This video footage BECOMES a beer commercial.

ANNOUNCER (V.O.)

Our beer is brewed with an  
international fire-brewing method so  
unique, the German's have a patent for  
it.

We see Katy's body being put into the oven that is brewing the beer.

The three BUD-WIES-UR frogs are commenting all throughout.

The smoke from the chimneys once again rises to Heaven where it reaches God's nostrils.

EXT./INT. PARADISE

David is seen under the altar in God's throne room. He catches a whiff of the air and scent of smoke as it passes his nose.

As he turns around, we see his face now. A huge tear falls from his eye.

EXT. JORDAN DESERT - DAY

Subtitle: "Jewish Passover, 2007."

ELIJAH

Soon, we will return to Jerusalem and  
reclaim the Temple.

INT. RUSSIA - DAY - TEITAN

shaking hands with VLADIMIR, the Russian Federation's leader as they make peace between the North and the Third Empire.

TEITAN

Today, I sign a peace treaty with my brother and companion, Vladimir Wolfovich Zhirinovsky. Together, we face anyone who defies us. United, we'll find peace in the Middle East.

The crowd APPLAUDS and repeatedly CHANTS, "Peace!"

VLADIMIR

China has agreed to remain within it's borders, as do all the Kings from the East. I embrace my new brother and peace, as does all the world.

The two men embrace to the CHEERS of the CROWD.

NARRATOR (V.O.)

In the land of Magog where Gog rules, Vladimir WOLFOVICH means Son of a Wild Canine. Jackals were considered wild dogs in Asia. Anubis and Upuaut, two jackal gods, were also the... opener of the ways.

(pause)

"Then shall the lords be two in number, in the north, victorious against Eastern ones. There shall be such warlike tumult, that all the East shall quake for fear of two brothers who are not brothers of the North."

June 27, 1555. Nostradamus.

EXT. PAKISTAN/SYRIAN BORDERS - DAY

Titans are stationed along the Third Empire's borders, wearing UN peacekeeping uniforms. Their armbands and helmet display the swastika.

EXT. SYRIAN DESERT - DAY

Teitan's troops, along with Vladimir's Russian armies, begin mobilizing towards Jerusalem.

TEITAN

We will annihilate the remnant of chosen people, through whom all these plagues came.

VLADIMIR

We will hang their two false prophets from your Hanging Gardens!

INSERT - TV MONITOR

World Wide Wrestling's big revenge match is about to begin.

ANNOUNCER

The event you've all been waiting  
for... tag team partners Thor and Hela  
against the Midgard Serpent and his  
partner, Loki!

The BELL RINGS as the match begins.

INT. GOD'S THRONEROOM

Jesus opens the FIFTH SEAL.

The FIFTH angel, Raphael, SOUNDS his TRUMPET.

EXT./ INT. GREAT PYRAMID

The FIFTH relieving stone over the King's Chamber is supernaturally highlighted.

EXT. ISLAND OF ABYDON (OFF COAST OF IRAN/IRAQ) - DAY

A huge oil refinery on the island is in the b.g. as an angel walks across the water TOWARDS US.

As he get CLOSER, we SEE it's Apollyon. He's holding the keys he stole during the battle in Heaven in one hand, his staff in the other.

He touches the water with his staff.

A huge whirlpool FORMS, clearing the water from around ocean floor and creating a circular wall of water.

Underwater pipelines burst, causing oil to mix with the wall of water and turning it black.

We see the angel of DEATH leaving on his green horse.

HELL stands at the edge of the abyss.

Apollyon opens the abyss with his key.

The FIFTH saint, Jared, pours his VIAL into the opening.

HUGE amounts of smoke come billowing out. The fire from the abyss ignites the wall of oil and adds to the smoke.

Out of the abyss come hundreds of spirit demons, all souls of slain giants.

LILITH, joined by her two male companions, comes out last. She SEES her mother, Lililea, now dressed as HELL.

LILITH

Hello mother... excuse me while I go  
kick some human ass!

EXT. PLATEAU OF TIBET - DARK

Subtitle: "Somewhere near the Gobi Desert."

Out of an opening in the ground, we SEE a huge door opening. From this tunnel come wave after wave of Apache helicopters.

INT. HELICOPTERS

All are piloted by Chinese-looking men with long, black hair. They look as if they're cloned from the same person with black, shark eyes on an expressionless face.

SERIES OF SHOTS

- A) The Apaches HEAD towards the smoke-covered Third Empire.
- B) We SUPERNATURALLY SEE Lilith GUIDING a pilot's hands.
- C) Others are being guided by various demons too, including Lilith's two buddies.
- D) Apollyon is at the front of the helicopter brigade. He now leads them through the smoke cover.

INSERT - TV SCREEN

The WWW match is heating up. Hela has Thor's golden hammer and is wielding it, trying to knock out Loki.

A Special News Bulletin interrupts the match as a news ANCHOR breaks in.

ANCHOR

We interrupt to bring this late-breaking story. A huge oil fire has erupted in the Middle East, the result of Israeli nuclear aggression. The fires are sending huge clouds of black smoke into the atmosphere. It's feared that Israel is preparing to send biochemical elements into the air space over the entire Third Empire. With the latest on the crisis, here's Teitan.

TEITAN

Do not be alarmed citizens. We are sending a massive helicopter evacuation force through the entire Empire. Everyone should immediately leave their homes and wait for a chopper to arrive. Everyone must be evacuated to an Empire sheltered area capable of surviving germ warfare.

We see people responding by standing in droves now all over the Empire. It's very dark. The SOUND of helicopters can be heard everywhere. Everyone on the ground is looking up.

NARRATOR (V.O.)  
 (referring to  
 the demons)

And it was commanded them that they  
 should not hurt the grass of the earth,  
 neither any green thing, neither any  
 tree; but only those men which have not  
 the seal of God in their foreheads.

EXT. JORDAN DESERT

There is no cloud cover at all over the Jews celebrating Passover.

Enoch is still teaching Davie Jr. to play the ram's HORN or shofar.  
 Davie's attempts still don't SOUND all that great.

The 144,000 with God's SEAL on their foreheads are not affected by the  
 plague.

EXT./INT. WORLDWIDE - VARIOUS PEOPLE

Christians SEALED by the Holy Spirit are not affected either. A Christian  
 LEADER of a Passover ceremony reads from the Bible.

LEADER

Ye were SEALED with that Holy Spirit of  
 promise, which is the earnest of our  
 inheritance until the redemption of the  
 purchased possession, unto the praise  
 of his glory. Ephesians 1:13 & 14.

Crowds are lining the open streets, where Titans wearing gas masks are  
 herding them into open areas.

INT. APOLLYON'S HELICOPTER

APOLLYON

All demons hosting a clone, hearken to  
 my voice again and... fire at will!

EXT. APACHES - WIDER VIEW

Firing missiles, armed with chemical warheads, into the crowds of people.

FIRE from the missiles EXTENDS back to the helicopter's tail region,  
 giving the illusion of coming FROM the TAIL.

NARRATOR (V.O.)

And to them it was given that they  
 should not kill them, but that they  
 should be tormented five months: and  
 their torment was as the torment of a  
 scorpion, when he strikes a man.

EXT. CROWED STREET - PEOPLE

grab at their throats, trying to breathe. Huge boils appear on their skin alongside the mark on their foreheads and hands.

APOLLYON (O.S.)

Bugs and viruses. It's "WAR OF THE WORLDS" all over again. How about a little germ warfare, kids? Instead of a common cold virus killing us ALIENS, our virus is gonna do some damage.

INT. HOUSE - A COUPLE

hiding here trying to avoid contamination. Children's VOICES outside the door beg for them to "Please, let us in."

Upon opening their door, they discover they've been tricked by DEMON VOICES, audibly disguising themselves.

They grab their throats as the chemicals in the air take effect.

NARRATOR (V.O.)

And in those days, shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.

We see DEATH leaving the area on his horse. He's heading to the United States.

DEATH

After six millenniums on the job, I'm going to DisneyWorld.

EXT. ATLANTIS - DARKNESS

covers the ocean's surface as a huge ball of LIGHT shoots out of the water.

Two smaller balls of light accompany it as the trio heads undetected into outer space.

EXT. THE ABYSS OPENING - DAY

Subtitle: "Three days later."

The holy archangels are standing beside HELL. They're all tapping their feet impatiently.

HELL

Hey, don't look at me. I knew it for only three days and I'm here, ain't I?

Apollyon arrives with a horde of transparent demons, obviously minus the SOUL-less clones and helicopters.

As the demons are re-entering the abyss, Apollyon tosses the keys to Michael.

APOLLYON

Thanks for letting me borrow the keys  
to Hell, pops!

Apollyon stands outside the pit and morphs back into his normal dwarf-like appearance.

Michael takes the keys and closes the pit, locking it shut.

Apollyon MORPHS into a flying machine again and takes off.

EXT. THIRD EMPIRE - AERIAL VIEW - DAY

The cloud of darkness is gone. People are writhing in extreme pain everywhere.

Russian and Empire soldiers are among them, halting their advance temporarily to Israel.

Construction work on the mile-high obelisk has been halted.

EXT./INT. JERUSALEM TEMPLE

We see the Jews returning to the Temple to cleanse it.

NARRATOR (V.O.)

This was one purpose for the plague.  
To punish evil and illustrate the  
suffering to come for all rebels and  
hopefully, soften hearts. It also gave  
Jews and Christians more time. Except  
those days should be shortened, there  
should no flesh be saved; but for the  
elect's sake, those days shall be  
shortened.

INT. GOD'S THRONEROOM - NEAR ALTAR

Souls of saints killed for their testimony are below the altar. They  
NOTICE via Cherubim monitor's that their killers aren't dying.

SAINT

When will we be avenged? When will our  
murderers die?

GOD

Be patient. Your fellow servants and  
brothers must be killed first as you  
were.

God hands all of them white robes.

EXT. MGM THEMEPARK, DISNEY WORLD - DAY

DEATH is standing in line with other Christians for a ride. A sign  
indicates "the wait from here is ninety minutes."

## DEATH

I'm in no hurry. I've got five months to kill, no pun intended.

He's LOOKING at a Mickey Mouse statue atop a globe, which says, "Crossroads of the World" across its center.

EXT. VALLEY OF MEGIDDO - DAY

It's a hot and dry day and the valley is empty.

DEATH (V.O.)

It's here where the real roads of the world would meet. And I'll be there. It will be my busiest day ever.

EXT. PARIS - PLACE CHARLES DE GUALLE

The place where twelve avenues meet is in the f.g. of OUR VIEW. The Eiffel Tower looms in the distance.

Our VIEW SHIFTS to a nearby window covered with bars.

INT. PARIS JAIL

Patty and Johnny are chained to a wall in the same cell.

PATTY

Sorry I got you in this mess.

JOHNNY

Don't be silly. I should've helped you sooner. And I would've if I'd known you were my daughter. At least we're together now. And can get better acquainted.

PATTY

I don't know anything about you... or my grandparents...

JOHNNY

Forget your grandfather. But your grandmother was special. Mom met dad on a flight across the Atlantic. He was a pilot too. When I was in her womb, she said I kicked nonstop on a flight to Paris from St. Louis. "The Spirit of St. Louis was in me," she said. A movie made the same year of Lindbergh's 1927 flight, "WINGS" had "Shooting Star" written on the nose of the hero's plane. I adopted it for many reasons on my first plane.

PATTY

I wish we had your plane right now and  
could fly all the way back to St.  
Louis.

JOHNNY

Me too.

Johnny looks down at his chest where David's watch now hangs.

EXT. ST. LOUIS - DAY

A man and his five year-old daughter are walking through the dried-up  
Mississippi River. The arch looms just ahead of them.

FATHER

The Gateway to the West... where we're  
headed... not panning for gold... just  
water. Gold would be nice too...

We SEE he has God's Seal in his forehead.

DAUGHTER

What are we gonna do about water?

FATHER

God will take care of us. Maybe when  
the time is right, rain will fall again  
from the sky.

DAUGHTER

I've never seen rain... I'm only  
five... and I don't remember anything  
before I was two. The last three  
years... isn't that how long this dry  
spell has been going on?

FATHER

Yes. That means... you've never seen a  
rainbow either, have you?

DAUGHTER

Only in pictures.

The man looks up at the sky and begins praying to God.

FATHER

Lord, I'd like to show my daughter a  
rainbow just once before we die. We  
could use the rain for water to drink.  
Your word says that if we obey your  
commandments, and love you and serve  
you with all our heart and soul; then  
you will give us the rain in our land.

The sky gets dark ONLY ABOVE where they are. Sprinkles turn to rain as it  
begins pouring all over them.

A RAINBOW appears just above the St. Louis arch, giving the appearance of a DOUBLE rainbow.

The father holds his daughter up as they dance in the rain.

DAUGHTER

Father... you're a Rainmaker!

FATHER

That I am... and soon the peace represented by the rainbow will be upon the earth. His Son will come through the GATEWAY built connecting heaven and earth. It'll be a COLORFUL world again someday. You'll see.

DAUGHTER

Do you think there's really a pot of gold on the other side of a rainbow?

INSERT - TV MONITOR

showing the man and his daughter talking in the rain.

FATHER

Oh sure. I'll bet there's a whole city paved with gold on the other end of that one.

INT. GOD'S THRONEROOM

Our VIEW WIDENS to reveal God is watching and listening to them. He smiles.

EXT. EUROPEAN BATTLEFIELDS - DAY

Subtitle: "Five months later"

Badly wounded soldiers begin dying again.

NEWS ANCHOR (V.O.)

After five months of what everyone has dubbed the five months that death took a holiday, people are again dying.

EXT. PARIS - NOTRE DAME CATHEDRAL - DAY

Teitan is conducting a staged press conference. The ten kings, Saturn and Vladimir are all attending this State of the Union address.

TEITAN

The Jews caused us all to suffer these past five months. We believe they are also responsible for the disappearance of my living, golden statue.

We SEE that the golden statue of Teitan is not on its pedestal.

## TEITAN

We must now continue our charge to Jerusalem and wipe out their entire race. Their two witnesses will die first. I will hang them myself and string up their bodies in the Hanging Gardens of Babylon.

## SATURN

All remaining Christians must be killed at once. I want them dead NOW!

WWW's Titan president and the popular Midgard Serpent stand beside Saturn, who motions for them to step up to the microphone.

## TITAN

During the upcoming live pay-per-view, all Christian prisoners in Germany, the Capitol of World Wide Wrestling, will be killed prior to the Title tag-team main event... the long awaited rematch between Thor and Hel against the Midgard Serpent and Loki.

## MIDGARD SERPENT

The New World Order is about to evolve, as all life evolved. It will now become the Omega Society. We were the beginning, and now, we will be the END!

The crowd CHEERS wildly as Teitan steps back to the mike.

## TEITAN

The construction on the Sun Tower must now be completed before the Armageddon timetable set in motion by the Jews can complete itself. If this evil ET Yahweh comes, we must be ready.

## SATURN

And the transmitter must be placed upon the mile-high obelisk. We'll work 'round the clock to complete it.

EXT. SPACE STATION - HUGE MIRROR

OPENS to its 83-foot diameter. It beams sunlight to Babylon on the dark side of Earth.

EXT. BABYLON - NIGHT - SATAN & APOLLYON

are atop the incomplete obelisk, soaking up the sun's rays being reflected from the mirror. It reflects brightly off of their golden exterior.

Some Christian slaves are working off of a scaffolding rig just below them. Satan creates a gust of wind with his wings, causing one slave to lose his balance.

Together they watch as he

FALLS

all the way to the bottom, where we SEE his body SPLAT next to the Masonic compass and square symbol on the cornerstone.

SATAN (O.S.)

(laughing evilly)

Only I'm the Prince of the Air.

EXT./INT. JERUSALEM - TEMPLE MOUNT

Enoch, Elijah, and the entire Jewish third are here now from Jordan's desert. They are in prayer, rededicating the temple.

ENOCH

The Temple has been cleansed and is ready to receive our Lord.

ELIJAH

Prepare the shofars for the final blast. The Jewish New Year is about to begin.

Subtitle: "Rosh Hashanah"

Davie Jr. stands beside a Rabbi practicing BLOWING on a shofar.

Davie takes out his own HORN and TRIES a NOTE. It still SOUNDS SQUEAKY.

EXT. TEMPLE MOUNT - HANGING GARDENS - ENOCH AND ELIJAH

Enoch and Elijah are deep in prayer.

ENOCH

Lord, we know our hour of darkness is upon us.

ELIJAH

Let your will be done.

He prays so intensely, a drop of blood drips as sweat from his forehead.

EXT. BOTTOM OF TEMPLE WALL - TITAN GUARDS

and Empire Troops are quietly surrounding the Jewish Temple and digging in with artillery.

A titan marksman is scouting along the Temple mount THROUGH binoculars, when he HEARS a car pull up behind him and swings around.

TITAN'S POV - THROUGH BINOCULARS - RED SATURN CAR

pulling up and stopping. Titan steps out, surrounded by his giant bodyguards. He sets his car alarm with TWO BEEPS.

CAR (V.O.)

Protected by Viper! Stand back!

Our BINOCULAR VIEW SHIFTS back around to the top of the wall, where our GAZE meets Davie Jr., who's looking right at US.

BACK TO SCENE

The Titan SEES Davie as he BLOWS his HORN, barely making an audible SQUEAKY SOUND.

He levels his rifle and aims it at the boy.

TITAN'S POV - THROUGH SCOPE

with the cross hairs aimed at Davie's heart. The scope JERKS as we see Davie fall from the wall, followed by the SOUND of a single SHOT.

EXT. TOP OF TEMPLE WALL - JOSH

as he HEARS the gunshot.

JOSH

Oh my God... Davie!

He runs to Davie's post but SEES only his shofar lying there.

He LOOKS DOWN, SEEING him on the ground, with the Empire troops in the b.g.

He picks up the shofar, and begins to BLOW the horn LOUDLY.

EXT. CITY'S WATCHTOWERS - VARIOUS ANGLES - ISRAELI WATCHMEN

SEE the enemy surrounding Jerusalem. They begin BLOWING their TRUMPETS.

EXT./INT. JERUSALEM RESIDENCES - VARIOUS HOUSES - JEWS

HEARING the warning, are SEEN scrambling for cover.

NARRATOR (V.O.)

The Watchman, seeing the sword come upon the land, blows the trumpet, warning the people. He who hears the warning but does not take heed, his blood is upon his own head. But he, who takes heed, delivers his soul.

EXT. WATCHTOWER

One Watchman, fearing for his own life, drops his horn and runs for cover.

NARRATOR (V.O.)

But if the Watchman see the sword come and blow not the trumpet, and the people be not warned, any persons taken away in their sins, his blood will be required at the Watchman's hand by God.

EXT. JERUSALEM ALLEY

The fleeing Watchman runs right past a deaf and blind beggar, who is unaware of the impending danger.

EXT. TOP OF TEMPLE WALL

Enoch and Elijah join Josh, still BLOWING his HORN.

TITAN SNIPER'S POV - THROUGH RIFLE SCOPE - JOSH'S

forehead, with God's seal lined up with the cross hairs of the scope. It makes the sign of the double-cross.

TITAN (O.S.)

How quaint. Joshua blows his horn.

BACK TO SCENE

He FIRES!

The bullet is magically diverted, hitting and knocking the trumpet from Josh's hand.

This causes Josh to lose his balance, falling off and taking Enoch and Elijah with him.

EXT. BOTTOM OF TEMPLE WALL

All three land on the ground beside Davie's body.

TITAN

And from the walls, they came tumbling down... and it looks like I've killed three birds with one stone.

Rebekah comes running toward them from the temple, but is captured with them as well.

GLOBAL TELEVISION

Enoch and Elijah have nooses around their necks.

Teitan kicks the chairs out from under them.

TEITAN

As I spent three days in death's grip,  
three days shall all of the Third  
Empire celebrate the death of these  
two! Their plagues will be upon us no  
more!

INSERT - VARIOUS TV SCREENS

News reports from around the world SHOW people hugging, leaping for joy, feasting, celebrating and exchanging gifts.

One report shows Enoch and Elijah lying in the streets of Jerusalem.

EXT. JERUSALEM STREET

A titan soldier strips Elijah's blue mantle off his dead body and tries it on. It doesn't fit, so he throws it over Davie's dead body lying nearby.

A CLOSER VIEW of Davie as he comes back to life!

DEATH is INVISIBLY looking over him. He winks at him, while handing him a rainbow-colored DisneyWorld souvenir.

Davie slowly gets up and sneaks past the Empire soldiers, who are being addressed by Teitan.

TEITAN

Round up ALL Jews and prepare them for public execution. Send the next train to Berlin. We'll let our Titan brothers and sisters kill this batch on live television.

Josh and Rebekah, handcuffed together, are being led to an awaiting railroad cattle car.

JOSH

(to Rebekah)

Must be what it's like to be married.  
Bracelets optional, of course.

INT. DENVER AIRPORT

A noted Mason leader activates the beacon again with the keypad. Our VIEW SHIFTS to the murals in the b.g.

CLOSER VIEW shows a penguin and a quetzal bird painted on the wall. Both birds are encased in glass and listed as "extinct."

NARRATOR (V.O.)

In the Catholic Church, nuns were nicknamed "penguins." One of Jesus' names given to him in South America after his resurrection was "Quetzalcoatl." The nuns were done away with three and one-half years ago. Next on the New World Order's endangered species list... the quetzal bird.

EXT/INT. TOWER OF BABYLON - TOP

We SEE the beacon atop the mile-high tower being activated.

A torch is lit and placed on the obelisk's highest point, above a sign reading "Enlightening the Universe."

Subtitle: "Three days later."

INT. ATLANTIS - SS HEADQUARTERS

Johnny and Patty are in chains and standing before MJ12 leaders, including Johnny's wife and father.

BUFFY

Traitor!

She spits in his face.

BUFFY

At least you'll be around long enough to witness our success. Too bad you won't be sticking around to enjoy it with us.

JOHN

You were right about Area 51 and Roswell. The aliens, or the Greys, didn't land there. We made people think they did though... that day your Jewish friend came to visit us in '47.

HEAD MASON

Hitler found an ancient flying machine buried below the Gobi Desert. Ancient Indian Sanskrit texts were found to be its flying manuals. Hitler's pulse jet engine came from them. The Nazi's learned another secret... why those tunnels were dug in the first place. Someone had been looking for what Hitler stumbled across. Giants, frozen in ice. And an angel called Azazyel. The giants couldn't be revived but other fallen angels, who had been looking for him, soon joined him.

JOHN

They gave us the computer chip which we began using in '47 and encoded it to fail on true millennial midnight... ushering in the tribulation years. They knew God's timetable and had to stick to it. Which leads us to the UFO abductions.

He looks at Patty, who looks horrified now.

JOHN

Oh yes. Those abductions were real.

(MORE)

JOHN (CONT'D)

Angels were punished for mating with mankind and creating the Nephalim, or giants, before and after Noah's flood. This time... it had to be more... impersonal.

Patty is getting very nervous now.

FBI AGENT

We allowed them to abduct people to create giants from human seed. They also needed blood and tissue, thus the cattle mutilations in the 70's and... missing children. Sacrificial lambs helping cure diseases for us elderly. Our biological and genetic advancements came from this research and titan nursery.

JOHN

A prostitute in St. Louis, Patty's mother, got pregnant and tried to blackmail me for a lot of money. She died, of course. I kept track of her daughter for years, but lost her when she started working under the table... and under the sheets for money, like her mom. Thanks to you, we found her again.

Johnny and his daughter exchange looks.

JOHN

(to Patty)

It wasn't a dream dear, you really were abducted by a UFO, if that's what you want to call it. You were the last person we used. We chose Betty and Barney Clark, a black man and white woman to be the first couple, just like Nimrod and Semiramis. God always did have a problem with mixing seeds. You should be honored though. From your seed we created a real titan in religious circles. Saturn, the false prophet... from the earth.

Patty breaks down in tears.

Johnny's anger turns to rage as he tries to rush at his father but his chains keep him back.

JOHN

Obviously, the giants never came from Titan... an illusion the Cassini probe helped create. Its timing was as crucial as the Space Station's completion.

JOHNNY

I saw your propaganda tape file. TV shows, movies, and the media in general used as a propaganda machine. Cartoons, shows promoting anti-family values, religion-bashing comedy, phony documentaries claiming as fact that the earth was billions of years old. You even used your propaganda machine to influence kids, you bastard!

John's breathing becomes strained again and is forced to temporarily put on his oxygen mask. Then, after several breaths, he speaks.

JOHN

That's right. We even sold drugs to kids to support our illegal operations. Your own family funded the radio experiment known as "WAR OF THE WORLDS."

CIA DIRECTOR

That Halloween broadcast taught us how to pull off chaos and set up FEMA. Wall Street was an obvious target in order to cripple our own economy. Besides, we had everybody's money. We set up Europe as the New World super power with Berlin leading the way. You see, the Nazi's never died. Project Paperclip kept them alive.

A five-star GENERAL from the U.S. enters the room, joining in.

GENERAL

Our Cold War machine kept funding alive from taxes to fight an enemy WE created and controlled. As the "Four X-Presidents" would say, "Aliens and communism are one and the same." CREATED foes.

JOHNNY

I saw your "Four X-Presidents" in the SNL cartoon. There never was bipartisan politics in this country, was there?

## GENERAL

Any President or elected official that refused to play our way was taken out, one way or the other. And yes, that would include all the Kennedy's. Assassinations created cover-up trails so we created accidents instead. Yet nobody thought it odd that Sonny Bono and a Kennedy both died of skiing accidents on the same weekend.

## HEAD MASON

Hitler was right... people don't think.

## MJ12 MEMBER

Our privately controlled Federal Reserve Bank gave us control of the economy's Bullish market. The IRS kept anyone from getting rich the old fashioned way. The average man struggled from paycheck to paycheck. Both mom and dad had to work just to make ends meet. Of course, feminism gave us twice as much tax revenue. We became your kid's babysitters with year-round schooling. Our Channel One media machine kept them... conditioned.

## MASON

A Doctorate degree is really just the THIRD degree from our liberal universities, funded by our blue-blooded, Third Degree Blue-book initiated family. Like, one big Fraternal Order... we are the world police.

Johnny's anger has reached it's peak!

## JOHNNY

You've set yourself up as gods! In Exodus 3, God said to Moses, "I am that I am!" Mason's use God's own label for themselves. Remember March 2, 1999? The day a patent was given for an implanted computer chip bar code. Christians were led to believe it was the mark of the beast.

(MORE)

JOHNNY (CONT'D)

On that day, I read one of the most-read stories in English, "GREEN EGGS AND HAM," to little kids on national TV with other famous celebrities. That story has a "SAM, I AM" character. Could that be... Uncle Sam? Getting the world ready to eat your story about the aliens creating our very life... the egg? And through the seed of Ham... Nimrod? Also the one animal which defiled the Jewish Temple? You've been conditioning the world to accept little green men for years now, father. Well, where are they?

The video monitors all throughout the secret underground city simultaneously lose their signal, leaving only VIDEO NOISE or "SNOW."

JOHN

... They're here.

EXT. SPACE STATION

One large UFO and two smaller ones appear alongside the Space Station.

MONTAGE

A) The ships land in Babylon, where they are greeted by Teitan and Saturn. The Grey aliens look like the serpent from the Garden of Eden.

B) Children greet the ET's. They're not afraid or terrified of them.

C) Dozens of the little creatures come off the ship and mix with the kids.

D) Their parents just smile as their kids become the ambassadors of the world to these similar-sized aliens.

E) Babylonian merchants are selling alien dolls, which people buy until they're all gone.

F) Another vendor is frying green eggs and ham.

END OF MONTAGE

EXT. BABYLON TOWER - PRESS CONFERENCE

The larger GREY steps up to the microphone. A computer-translating device interprets into the various languages.

GREY

What the Titans told you about our race is true.

(MORE)

GREY (CONT'D)

We created your species in their image.  
 Ever since our home planet in the  
 Pegasus star system got too close to  
 our sun, we've been traveling through  
 the galaxy, looking for a new home and  
 sewing seeds of life everywhere we go.

One of the smaller Greys comes forward with a triangular-shaped piece of metal with strange markings engraved up its center.

Saturn brings the other two pieces found on Earth.

The Grey takes them, placing his piece at the bottom of the disk shape now formed by the joined pieces. The MARKINGS up the center, human chromosome strands, combine with the EDGES of each piece to resemble a PEACE SIGN!

GREY

We come in Peace!

The crowd breaks into a thunderous APPLAUSE.

TEITAN

The Jews are liars and the greatest danger to mankind. If we are not able to exterminate him, the war will be lost. They must be destroyed... so mankind can endure!

Crowd CHEERS! Many can be SEEN in the b.g. burning Bibles.

SATURN

The seven-year treaty has expired and their Messiah has NOT showed himself. More proof of their lies! They caused the three-day cloak of darkness, which allowed them to use germ warfare capable of attacking specific genetic types, mostly Palestinians, who are the real heirs of Palestine. Only by destroying them will we be rid of their plagues and lies.

A little girl and boy have made their way up to the platform.

She's holding a stuffed ET doll resembling a Teletubbie in one hand and a dead, potted flower in the other.

The little boy is holding a plate of green eggs and ham.

SATURN

We've not had rain for over three years. All the flowers have died.

The Grey stretches out his longest finger and touches the flower. As he does, his finger and monitor-looking belly begin to glow.

GREY

This is how we create life...

The flower comes back to life, blossoming before our very eyes!

Suddenly, a small dinosaur-type dragon exits the Grey's UFO. It stands next to the Grey and appears to be smiling.

The little boy offers the dragon the plate of green eggs and ham, which he swallows hungrily.

A fly lands on top of the little girl's head, getting one of smaller Greys attention.

Suddenly, he uses his tongue like a frog, catching the fly.

The little girl blushes as the Grey smiles, licking his chops.

NARRATOR (V.O.)

And mankind believed the lie from the serpent beings, that they created all living things. They themselves had swallowed the story about green eggs and ham.

The crowd begins chanting "Armageddon!"

INT. DENVER, UNDERGROUND TRAIN STATION

Hundreds of Secret Service Agents and FEMA State Police guards are everywhere. It becomes obvious why as we SEE England's Queen Elizabeth and Prince William being escorted to a high-speed train.

Several guards are carrying the coronation stone and chair in a procession before them.

EXT. SARGASSO SEA - DAY - THREE UFO'S

hover above the ocean, then dive beneath the surface.

INT. ATLANTIS - UNDERGROUND CITY - THRONEROOM

The secret society has relocated here, preparing for some kind of coronation or religious ceremony. Priests, guards and well-dressed members line the aisles in an orderly fashion.

Johnny and Patty are chained to a wall in the b.g.

The royal procession enters with Queen Elizabeth and Prince William.

They are followed by the three Greys.

John Sr. kneels before Elizabeth, who curtsies.

He then kisses Prince William's hand, bowing his head.

Walking up to the Grey, he kisses him on the cheek, causing him to morph into SATAN!

JOHN

Kiss a frog and he turns into a Prince... of Darkness.

The other two Greys MORPH into Apollyon and Azazyel.

Johnny looks at the three former Greys, now their original selves.

JOHNNY

The three frog-like spirits that lead  
the world astray... and to Armageddon.

Satan takes a golden canteen from his belt and offers it to John.

John takes it, and drinks.

SATAN

(to Johnny)

Water... from the original River of  
Life which flowed from your Garden of  
Eden. It has kept your father alive  
all these years, waiting for this day.  
It's how we struck our little deal.

JOHN

Yes. And now that our plan is almost  
complete, I'll let you know the rest of  
it. God promised David, the first  
beloved King of Israel, he'd always  
have an heir on his throne. His throne  
was the stone known as Jacob's Pillow.  
Believe it or not, Jeremiah brought  
this coronation stone to Ireland from  
Israel. He also brought the king's  
daughters and continued the royal line.  
Sure, the Stone of Scone went from  
Ireland to Scotland to England. But,  
it still roars like a lion when true  
nobility is crowned. Today, after  
Jesus is defeated, we'll be crowning  
young William as the New World Order's  
first beloved king.

JOHNNY

So that's why you had Princess Diana  
killed... to keep an Egyptian from  
taking your coveted throne.

JOHN

Yes. But, I'm not totally without a  
heart. We had her killed in the very  
spot where legends say if you die  
there, your soul goes straight to  
Heaven. Why do you think we chose  
Paris to set up the image of the beast?  
At least "saved" Christians that died  
for their cause... went straight to  
Heaven.

SATAN

Saved souls? God only saved eight people during the flood in order to preserve only his good seed... and his promised redeemer. Here, well below the harmful effects of the sun's radiation, we've kept the dragon alive and grown our own dinosaurs. Made a pretty convincing display, proving to the world that we came from your past, huh? We may have failed to pollute the seed of man and prevent the redeemer from coming, but we won't fail to wipe out the Jew. How can they have a Messiah if they're not around?

AZAZYEL

We'll stop him this time. After Armageddon, all the earth's nuclear weapons will completely purify the earth by fire.

SATAN

Yes, Operation Samson. This time the only survivors will be onboard the Space Station... my ark of safety.

JOHN

Lucifer gave us the design for the Saturn rockets which took man to the moon. Five rockets, like the original five cherubim. Like the five computers which are now needed to fly the space shuttle. Even the names of the shuttles were carefully picked to complete the sentence, "A Colombian Enterprise to Endeavor for the Discovery of Atlantis... and all Challengers shall be destroyed!"

SATAN

After we destroy the rest of mankind, only MY chosen human disciples will repopulate the earth. And I, like the Phoenix, will rise from the ashes.

JOHN

Here's the best part. After we've helped defeat Jesus, Satan will ascend to God's throne and take the Tree of Life. We'll have eternal life in our present sinful state -- the one thing God prevented Adam and Eve from doing.

PATTY

What about my kids? What have you done with my two kids?

JOHN

You mean the ones we abducted and allowed your father to adopt? His own grandkids? They're safe aboard the Space Station already. I'll be making a special blood sacrifice when this is all over. And human flesh of children is most tasty. Ever had some? But you don't eat meat offered to pagan gods, do you?

Patty has managed to slip out of her restraints now and charges John.

PATTY

You BASTARD!

An MI6 royal secret service agent for the Queen of England SHOTS her dead over John's LAUGHTER!

EXT. CHINA - DAY - KARAKORAM HIGHWAY

GLOBAL TV

Two wrestling matches are being broadcast LIVE from Berlin and Babylon.

JOSH AND REBEKAH

are ringside in Berlin, waiting their turn to die.

As Christians are slaughtered in these death matches, we SEE them being burned.

The SMOKE from their bodies burning in the crematories RISE

VIEW WIDENS, showing the angel of the altar and fire is holding the censer.

GOD

It's time for wicked man to taste and  
feel my wrath.

He signals Jesus to open the last TWO SEALS.

Jesus opens the sixth AND seventh seal, together.

The sixth and seventh archangels, Remiel AND Gabriel, BLOW their TRUMPETS.

The sixth AND seventh saints, Lamech & Methuselah, pour out their vials.

EXT./INT. EGYPT - GREAT PYRAMID

We supernaturally SEE the two stone slabs, forming the roof of the King's chamber, being highlighted.

INT. HEAVEN - GOD'S THRONEROOM

The angel with the golden censer fills it with fire from the altar and casts it DOWNWARD INTO the earth.

GOD

It is done.

HEAVENLY VOICES

(shouting)

The kingdoms of this world are now  
become the kingdoms of our Lord, and of  
his Christ; and he shall reign for ever  
and ever.

The twenty-four ELDERS come off of their thrones.

ELDERS

(in unison)

... your wrath is come, and the time of  
the dead, that they should be judged,  
and that you should give reward to your  
servants, the prophets, and to the  
saints, and them that fear your name,  
small and great; and should destroy  
them which destroy the earth.

GLOBAL TV

The dual-simulcast of the wrestling matches in Berlin and Babylon is heating up now as Josh and Rebekah are next to be killed.

Four Hell's Angels ride in on Harley's, escorting the next Titan wrestlers from the New World Order.

Four mean-looking bikers with lots of tattoos depicting evil angels and skull and crossbones remain at the four corners of the ring.

EXT. DAY - EUPHRATES RIVER

RECEIVES the sixth vial upon it, causing it to dry up.

Four angels bound under the river: AMAZARAK, PENEMUE, TURYAL, and TAREL; are released as the SOUND of the sixth TRUMPET reaches them.

These angels look really rough and are heavily armed.

One angel even has a sword with a skull on the handle's top with cross bones as the hand guard.

EXT. SYRIA - DAY - KARAKORAM HIGHWAY - CHINESE TANKS

are lined up and waiting to cross the lower Euphrates.

A Chinese FLAG over the lead Chinese tank, waves in the wind. The flag's four smaller stars DISSOLVE INTO the four angels from the Euphrates.

They lead the tanks across the dried-up river, heading west toward the valley of Megiddo.

EXT. OUTER SPACE - THE SUN

has been burning at an accelerated rate and now burns completely out. It's COLOR goes from the bright YELLOW to a RED, then completely DARK.

NARRATOR (V.O.)

Just ten thousand years after it's creation, the sun became black... and the moon as blood.

The moon reflects the sun's changing colors. Its final reflection we SEE is a dark red.

EXT. VALLEY OF MEGIDDO - NIGHT

All twelve roads leading here are filled with Russian and Empire troops as they arrive.

All carry banners with the SWASTIKA.

NARRATOR (V.O.)

Before Hitler, the swastika represented the sun. By turning it backwards, it became known to Nazis and Satan worshippers as the Black Sun... in honor of the original black son, Nimrod. Once again, as history repeats itself, the sun had become black.

More troops arrive carrying bright red Muslim flags. The crescent moon is very prominent on the flag, which now also carries the swastika.

NARRATOR (V.O.)

The Islamic moon which glorifies the original Moon Goddess or Semiramis, shines over the Red flag of Communism.

Russian armies, carrying their red flag with its iron hammer and the sickle, resembles the Islamic moon on the Arab flag.

NARRATOR (V.O.)

The Russian sickle is seen by their new Arab brothers as the Red Moon.

Darkness is upon all the earth. Only the remaining stars in the sky can be SEEN now.

EMPIRE CAPTAIN

Bring me a thousand Christian prisoners and burn them as torches! Let them be the light for the world's armies, a thousand points of light, showing us the way to Jerusalem!

EXT. ROAD TO JERUSALEM

is now lined with human torches, as we HEAR them SCREAMING.

EXT. SATURN'S ORBIT - CASSINI PROBE

suddenly EXPLODES!

This explosion causes ANOTHER ring to form around Saturn from the impact. The double ring looks like an "X" or a cross.

The explosion literally obliterates the moon Titan.

INT. SPACE STATION

A Titan onboard, witnesses the damage caused by the American probe and is OUTRAGED!

TITAN

I knew 72 pounds of plutonium would jeopardize Titan's safety. We had started building bases there. Now they're ruined!

He addresses Hal, who is backing up with every word.

HAL

Don't blame me! I didn't put the stupid probe there.

TITAN

Maybe not you, but your stupid race did. Now, all of you will pay. An eye for an eye, huh? Let's see how you like losing your moon bases.

EXT. EARTH'S MOON - FAR SIDE

A huge Titan mother ship is positioning itself over the moon's secret bases. A HUGE BEAM of LIGHT comes from the Titan ship, hitting the bases HARD!

EXT. JERUSALEM - NIGHT - CROWDS OF JEWS

are staring up at the heavens with amazement.

CROWD'S POV - THE NIGHT SKY

The huge explosion of the moon's far side has PUSHED it TOWARD Earth and it's being PULLED IN by Earth's gravity.

As the moon ENTERS the Earth's atmosphere, it's surface becomes blood red, BURNING on entry.

Suddenly, we HEAR the SOUND of THUNDER. LIGHTNING fills the night sky as bolts begin arcing between the earth and moon.

EARTH - OVERHEAD VIEW

We can SEE that the gravity of the moon is pulling on the seas and causing the high tide to go crazy. Waves become tidal waves.

NARRATOR (V.O.)

And there were signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring.

EXT. TEMPLE MOUNT - NIGHT

An Empire soldier guarding the dead bodies of Enoch and Elijah receives an urgent message on his remote laptop computer.

INSERT - COMPUTER SCREEN

where Teitan's face appears.

TEITAN

Burn the bodies of those two dead witnesses, NOW!

EXT. JERUSALEM STREETS - JEWISH BYSTANDERS

are looking up.

CROWD'S POV - THE MOON

as it EXPLODES into thousands of little shooting stars, heading into Earth's atmosphere!

A VOICE OVER comment can be HEARD from a BYSTANDER.

BYSTANDER (V.O.)

My God, look at all the stars!

BACK TO SCENE

Another man, looking up, grabs his chest. He falls to the ground, suffering from a heart attack.

NARRATOR (V.O.)

And the stars FELL from heaven. And men's hearts failed them for fear, looking at those things which are coming upon the earth. For the powers of heaven had been shaken, like a fig tree casting her untimely figs when shaken by a mighty wind.

SERIES OF SHOTS

A) Sprinkles of raindrops mix with the THUNDER and lightning, followed by a huge monsoon as the first rain in over three years falls hard.

B) As the officer starts to set Enoch and Elijah's bodies on fire, the rain puts out his torch.

C) The rain everywhere extinguishes the burning bodies of the dead Christians.

EXT. ST. LOUIS - DARK - RAINING

The father, a.k.a. Rainmaker, and his daughter are being drenched with the rain.

DAUGHTER

Daddy, are you making all this?

FATHER

No, this is someone else's work. Someone a lot bigger than me is doing this.

EXT. JERUSALEM - NIGHT - RAINING

People are dancing in the rain. Many are looking up as

THE SKY

opens like a scroll and we can see the light of God's temple, where we SEE the ark of his testament.

We SEE Christ in the air now as the SOUND of the last TRUMPET reaches earth, causing a GREAT EARTHQUAKE to begin.

An ANGEL comes from the Temple in Heaven.

TEMPLE ANGEL

(shouting to Jesus)

It's time!

We SEE Jesus with a sickle in his hand.

TEMPLE ANGEL

Thrust in your sickle and reap for the  
harvest is ripe.

With the trumpet still ECHOING, Jesus reaps.

JESUS

Come up hither.

EXT. JERUSALEM STREETS - ENOCH AND ELIJAH

HEAR the echoing words of Jesus and the SOUND of the archangel's last TRUMP, and RISE as they ascend UPWARDS towards Heaven.

EXT. GRAVEYARD

where graves, opened by the great earthquake, allow the resurrection of dead saints.

NARRATOR (V.O.)

At the last trump, the dead shall be raised incorruptible, and they shall be changed. The sound of a trumpet could raise the heaviest stones. Now, it moved all the tombstones of the saints, causing the greatest earthquake of all time... and raised up the dead.

EXT. BABYLON - HANGING GARDENS

We SEE all the hanged men resurrected.

INT. ATLANTIS

Patty awakes from the dead. Her body has changed to an immortal one now. She looks at her father.

As a guard OPENS FIRE on Johnny, he's suddenly changed too, as he VANISHES!

David's watch drops to the floor with a CLANG!

INSERT - DAVID'S WATCH

as the second hand stops.

NARRATOR (V.O.)

The time of the Gentiles... ends. Those still alive are changed instantly and ALL the saints meet Jesus in the air. For behold, I show you a mystery; not all will sleep but shall be changed, in a moment, in the twinkling of an eye. God has not appointed His Saints to wrath, but to salvation.

EXT. EARTH'S ATMOSPHERE - HIGH ANGLE

We NOTICE that the 144,000 marked Jews do NOT get raptured.

NARRATOR (V.O.)

144,000 were taken with Jesus as the first fruits of the resurrection. That same number was now left behind, marked from the Four Corners of the Earth. The law of gleanings required that someone reaping their harvest, not to reap the entire corners, nor every grape from the vineyard, nor the gleanings of the harvest. This was left for the poor... and the stranger. Or in this case, the Gentiles.

David is reunited with his body.

Katy is reunited with her body.

As the SAINTS go UP, God's WRATH is coming DOWN, truly SNATCHED or CAUGHT AWAY at the LAST SECOND!

The Woe Angel comes again.

WOE ANGEL

(to surviving  
humans below)

The second woe is past; and, behold,  
the third woe comes quickly.

EXT. HEAVEN

It's very quiet here as there is nothing going on at all. An angel looks at his watch.

ANGEL

This is the quietest half-hour I've  
ever witnessed here.

Suddenly, a little girl appears before the angel. It's HEATHER O'ROURKE, the star of the "POLTERGEIST" movies.

HEATHER

They're here!

A great multitude which cannot be numbered, of all nations, peoples and tongues APPEARS in the throneroom.

NARRATOR (V.O.)

These were they which came out of the great tribulation. They shall hunger no more, neither thirst any more, neither shall the sun light on them, nor any heat.

EXT. BERLIN - RAINING

Josh and Rebekah are running away from the sports arena, apparently escaping during the chaos.

REBEKAH

Now what?

A squadron of German fighter jets flies overhead.

JOSH

I have a plan.

EXT. PARADISE

The SOUND of the THUNDER mixes with the JETS as it ECHOES beneath. The saints, reunited with their bodies, are SEEN receiving white robes.

David and Katy are tearfully embracing as they're reunited.

Thousands of white horses are brought in and many of the saints are mounting up.

David, who's still glued to Katy's side, goes to Jesus.

Saints surround Him with happy tears in their eyes, which He wipes away with His hand. We can SEE a nail print in His hand.

DAVID

Can I ride my own personal Mustang when we return to earth at Armageddon?

JESUS

It's okay by me.

EXT. JERUSALEM

Troops advancing towards Jerusalem are killing Jews as they enter the outskirts of the city. Women are being raped.

EXT. MEGIDDO

The Chinese tanks have crossed the Euphrates River and are now lined up FACING the antichrist's armies.

Their four angel leaders give the COMMAND. China begins BLASTING away at them.

Some of the nuclear missiles are FIRED at Teitan's ten kingdoms.

EXT. BETHEL (ISRAEL) - HEAVEN'S GATE

Jesus comes from Heaven with His army of saints and angels to save the Jews. They arrive through a gateway on earth that is connected to Heaven.

NARRATOR (V.O.)

This is Jacob's Ladder. It's here that angels travel back and forth between Heaven and Earth. On one end, Earth. On the other, streets of gold.

As he arrives, the darkness from the loss of the sun and moon's light is lifted as a new light comes with Jesus. It's seven times brighter in the daytime and the night is as bright as the former sun.

JESUS

Let the truth be known!

MONTAGE

- M) After much maneuvering and counter-maneuvering, one of the jets gets a radar lock on David's plane. The WARNING in his cockpit SOUNDS LOUDLY.

N) Just as the jet's pilot is about to squeeze off a missile, his jet EXPLODES in a huge ball of flame!

INT. DAVID'S PLANE

David HEARS an old familiar voice in his headset as his old wing man.

JOHNNY (O.S.)

Just like old times... still making the  
air a safe place for angels to fly.

He comes flying alongside David in his white P-51 Mustang. The nose of his plane reads, "Spirit of St. Louis."

DAVID

Thanks buddy. How would you like to be  
my wing man on one more mission over  
Germany?

JOHNNY

Berlin?

DAVID

Yes... I lost my wife there. Also,  
we're headed to Bergen Belsen. She  
lost a friend there... a girl named  
Anne.

JOHNNY

I lost a friend there myself. Best  
wingman I ever had...

EXT. BERLIN - OVERHEAD VIEW - WWW ARENA

Johnny and David arrive on the outskirts of the city. German surface-to-air missiles explode all around them.

In a Blitzkrieg-style maneuver, they both dive-bomb these ground forces.

Hela and other giants SEEN fleeing the arena facilities get blown to pieces.

David's cockpit radar indicates two fast-moving jets approaching from behind.

DAVID

We've got company!

JOHNNY

Roger that. Two German F-22's.

A VOICE comes over their RADIO from the German jet.

JOSH (O.S.)

Hello gentlemen. Need some assistance?

Josh and Rebekah come alongside the older Mustangs.

REBEKAH

We needed a ride back to Israel. Wanna join us?

DAVID

First, we're going to right a wrong for all the Jews who died here. Wanna join us?

JOSH

We'd be honored to accompany you as your wing.

EXT. BERGEN-BELSEN - OVERHEAD VIEW

We can SEE the concentration camp below. Anti-aircraft tracers are coming from the ground, exploding all around

DAVID'S PLANE

where two bombs are attached under each wing. One says, "BERGEN" on it, the other says, "BELSEN."

DAVID (O.S.)

Bombs away!

He drops them both, while the other three plane's bomb the ground forces below.

The concentration camp EXPLODES!

All four pilots give each other a thumbs-up.

JOHNNY

Now it's my turn to ask a favor. Would all of you accompany me to a place in the Atlantic?

EXT. MOUNT OF OLIVES - DAY - JESUS

stomps his foot three times. The earth starts to shake.

The ground splits under Jesus' feet and water starts gushing out.

JESUS

Mountains and islands, hear and obey my voice... remove yourself and be cast into the sea. For truly I say to you, if you command the mountain to remove itself and to cast itself into the sea, it will obey you.

EXT. EARTH - OVERHEAD VIEW - VARIOUS ANGLES

Mountains are removed from their place and every island sinks into the ocean. This causes huge tidal waves.

EXT. SOUTH ATLANTIC OCEAN - DAY - TITANIC TWO

is slammed into an iceberg.

It breaks in half and starts sinking.

NARRATOR (V.O.)

Did I mention... history has a way of repeating itself?

As the ship is going down, we SEE a male and female Titan on the bow of the ship. They are holding hands for the last time as they await their impending doom.

The female Titan has a flower tattooed on her arm with the word, "Rose."

MONTAGE

A) During the EARTHQUAKE, we SEE all major cities destroyed, including San Francisco, Berlin, Paris, and Moscow.

B) Babylon gets a double portion of wrath as the mile-high Sun Tower falls over, smashing Teitan's Palace and his now empty Hanging Gardens.

C) The torch on the tower's top ignites oil seeping from below the ground.

D) The entire city becomes a huge fireball as we SEE the entire city was built upon a huge bitumen pit.

E) We HEAR AD LIBS from people in ships from far off wailing their cries for the fallen city.

END OF MONTAGE

NARRATOR (V.O.)

And her smoke rose up forever and ever.

EXT. TEMPLE GATE - JERUSALEM - DAY

Satan comes before Jesus now. Satan first appears as a Grey, then morphs to a serpent's original form before the fall.

SATAN

You should've accepted my offer as ruler a long time ago because now, you will bow before me.

Satan notices the nail-prints on Jesus' feet.

SATAN

Looks like someone has bruised your heel.

Satan charges but Jesus quickly sidesteps the advance.

JESUS

Go ahead. Make my Millennium.

Teitan pulls up in his red Saturn car.

Jesus has a fiery rock attached to a chain. He's swinging it in a circle.

JESUS

Name one thing that could bring down Superman? Kryptonite. A piece of the rock... from the home planet. Remember Tiamait? The rock from which you were made?

He swings it, STRIKING Satan.

Satan is HIT so hard, he falls to the ground too weary to get up.

JESUS

Looks like someone bruised your head.

Teitan gets out of his car, sets his alarm with a DOUBLE BEEP, then walks confidently towards Jesus with the Sword of Destiny in hand.

Suddenly, a huge hailstone, the first meteorite fragment from the moon, HITS his arm, severing it from his shoulder, causing him to DROP the Sword of Destiny.

NARRATOR (V.O.)

And whenever the would-be world ruler became separated from the sword, his downfall was soon to follow.

The impact from the meteorite causes the car's ALARM to SOUND.

ALARM (V.O.)

Protected by Viper! Stand Back!

Another hailstone completely OBLITERATES the car!

Teitan, now LOOKING UP, SEES the next one coming right at him, hitting him squarely upon his helmeted head and knocking him out instantly.

EXT. RUSSIA - RUSSIAN SOLDIERS

are literally being dissolved by fire from the incoming Chinese missiles.

NARRATOR (V.O.)

Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.

EXT. RUSSIA - OVERHEAD VIEW

Literally five-sixths of the Russian troops are being destroyed. The heavy tanks can't move because they're getting stuck in the mud, caused by the heavy rain.

One hundred-pound hailstone's are pelting them, further crippling their attempt to flee Chinese missiles that are being fired upon them as well.

JESUS (V.O.)

When Gog comes against Israel, the mountains shall be thrown down and every wall shall fall to the ground. I will call for a sword against him and every man's sword shall be against his brother. I will rain upon him and upon his bands and upon the many people that are with him, an overflowing rain, and great hailstones, fire and brimstone.

EXT. VALLEY OF MEGIDDO - DAY

An eagle swoops down over the crowd of dead bodies. Vultures are following.

NARRATOR (V.O.)

For wherever the carcass is, there will the eagles be gathered together. One third of all mankind was killed in one hour, bringing the TOTAL to half of all mankind since the great tribulation began. One would be taken, the other left behind. Look around yourself right now, wherever you are and imagine half of the people... gone. That's how it'll be on the day of the Lord. Here, for over two hundred miles, the valley was filled with blood, which reached a standing horses bridle.

The eagle dives and retrieves a snake trying to slither away. He takes off and heads towards the sky.

EXT. JERUSALEM - MOUNT OF OLIVES - JESUS

looks upon the dazed and confused Satan, who is nursing his major head wound.

NARRATOR (V.O.)

And thus man's redeemer full-filled his destiny... to bruise the head of the serpent.

The archangel Michael arrives as another eagle swoops DOWN, and picks up the Sword of Destiny still in the clutches of Teitan's severed hand.

He grabs arm and sword both in his claws and takes off.

Teitan is nearby lying unconscious on the ground.

The three fallen angels who possessed him, Yekun, Kesabel, and Gadrel COME OUT.

The fallen archangels Amazarak, Penemue, Turyal and Tarel arrive on the scene.

All seven fallen archangels now surround Michael.

The other six holy archangels Gabriel, Raphael, Uriel, Raguel Seraqael, and Haniel appear suddenly, joining Michael.

The seven holy angels face the seven fallen angels.

JESUS

It's time!

The angels battle, each using their own strengths -- martial arts, swords, etc.

Amazarak, dressed like an Egyptian sorcerer, takes his staff and throws it at Michael.

The staff BECOMES a huge serpent that wraps around Michael and binds him.

Penemue, holding an ink pen, throws it like a dart at Gabriel's hand as he goes for his fire sword.

PENEMUE

The pen IS mightier than the sword.

This pins Gabriel's right hand, thus preventing him from getting to his sword.

Yekun and Raguel are locked in various wrestling maneuvers, as are Kesabel and Seraqael.

YEKEN

For we wrestle not with the flesh...

KESABEL

... but with spirits, principalities, thrones and Dominions.

Gadrel, very proficient in martial arts, has engaged Raphael in mortal combat.

Twins battle twins as Turyal and Tarel take on Haniel and Uriel.

All seven fallen chiefs currently have the advantage.

INT. ATLANTIS

Prince William is about to sit on the throne when something HITS him squarely in the head, KNOCKING him out cold.

Everyone turns around to discover it's Israel's KING DAVID. He has used Yekun's golden slingshot given to him by Michael.

KING DAVID

I believe that's my throne.

Every guard with a gun fires at him.

But the bullets seem to MAGICALLY bounce off his resurrected body and back at the person who fired it, killing them.

John SEES this and disappears down a secret passageway, leaving the rest of the guards to find cover.

Saturn defiantly picks up Prince William's crown and places it upon his own head.

## SATURN

I've already tasted water from the River of Life, shorty. So I don't think there's anything you can do to stop me.

Saturn sits on the coronation chair, which remains silent, refusing to make the roaring lion sound.

King David puts another stone in the slingshot and aims it at the Titan's head.

## KING DAVID

Maybe so, but man doesn't live by water alone.

He releases the stone, hitting Saturn in the forehead.

He falls out of the chair, stone cold!

## KING DAVID

This is how I became king to begin with, isn't it?

Laurianna now APPEARS in the secret room.

## LAURIANNA

I'll take him... to his new kingdom.

EXT. JERUSALEM - MOUNT OF OLIVES

## SERIES OF SHOTS

- A) The seven fallen chiefs still have the advantage over the seven holy ones.
- B) Suddenly, the seven saints who poured out the seven vials, show up and assist them.
- C) While the seven saints help hold down the seven fallen princes, the holy angels bind their fallen foes.
- D) Michael, Raphael, and Uriel take Yekun, Kesabel, and Gadrel by the collar.
- E) All seven archangels take the seven fallen ones to the entrance of the abyss.
- F) Laurianna arrives with Saturn.
- G) She hands him over to Gabriel.
- H) Laurianna takes the keys from her wrist and opens the pit.
- I) Gabriel, Raguel, Seraqael and Haniel cast Amazarak, Penemue, Turyal and Tarel into the pit.
- J) As we LOOK DOWN into the pit, we can SEE the lake of fire.
- K) Gabriel then casts Saturn into the lake of fire, alive, as Michael and company throw in their captives, formerly known as the beast which controlled the antichrist.

L) As they're being cast in, Teitan regains consciousness. He sees what's happening and leaps up to run away.

M) Michael and Gabriel grab him and toss him in the lake of fire, too.

MICHAEL AND GABRIEL

(together)

Go to Hell!

EXT. EARTH'S ATMOSPHERE - OVERHEAD VIEW - AN ANGEL

holding a sharp sickle, stands in the same place Jesus stood when he reaped the righteous.

We SEE the Altar Angel come out of the Temple in Heaven.

ALTAR ANGEL

Thrust in thy sharp sickle, and gather  
the cluster of the vine of the earth,  
for her grapes are fully ripe.

The first angel now makes a reaping movement with the sickle.

NARRATOR (V.O.)

And the angel thrust his sickle into  
the earth, and gathered the vine of the  
earth, and CAST it into the great  
winepress of the wrath of God.

Now, the REST of the HAIL comes down, as the fragments of our moon reach earth.

EXT. MEGIDDO BATTLEFIELDS

The hail utterly destroys any of the Third Empire army left standing, along with ALL of the Chinese tanks.

JESUS

I will tread down the people in mine  
anger, and make them drunk in my fury,  
and I will bring down their strength to  
the earth.

Only one-sixth of Russia's army survives. They are SEEN retreating as Vladimir stands alone.

A large meteorite hits his left hand.

Another one hits his right hand.

Then, a huge chunk of burning debris hits him squarely in the head, killing him instantly.

JESUS

Behold, I am against thee, oh Gog,  
chief prince of Meshech and Tubal, of  
the land of Magog.

(MORE)

JESUS (CONT'D)

I will turn thee back and leave but the sixth part of thee. I will smite thy bow out of thy left hand, and will cause thine arrows to fall out of thy right hand. Thou shalt fall upon the mountains of Israel, thou, and all thy bands, and the people that is with thee: I will give thee unto the ravenous birds of every sort, and to the beasts of the field to be devoured. Thou shalt fall upon the open field: for I have spoken it.

AN EAGLE

is tearing a snake's head off and eating it.

TWO HOLY ANGELS

are standing over Vladimir's body. An evil angel APPEARS beside them, coming FROM the dead Russian leader.

A CLOSER VIEW of the dark-clad angel reveals the name "GOG" written in his forehead.

NARRATOR (V.O.)

As did the double reference in Ezekiel 28 speak to the Prince of Tyre, the man; it also spoke to the cherub, Lucifer. Ezekiel 39 refers to the Russian leader, the man Vladimir; but also the chief prince or high-ranking angel over the land where he came from. Angelic princes rule over land. Boundaries were set according to the number of angels. The inheritance of nations were divided when God separated the sons of Adam. Evil strongholds must be overpowered by holy ones. On the day of the Lord, all strongholds of evil, all kingdoms of men and evil principalities, now belonged to Jesus.

INT. ATLANTIS

John has been watching everything on the video monitors. He gives a launch command.

JOHN

Now, it's time for the final phase. Operation Samson begins.

EXT. AMERICAN MILITARY BASES - MISSILE SILOS

open all across America. Missiles head towards the Middle East.

INT. SPACE SHUTTLE ATLANTIS

John and his wife and all of the other MJ-12 members, are onboard.

INT. SPACE SHUTTLE ENDEAVOR

We HEAR the COUNTDOWN come to its end with "Blast off!"

The pilots onboard are busy monitoring the five onboard computers and their various readouts.

EXT./INT. MISSILES - DAY - OVER ATLANTIC OCEAN

The targeting computers guiding the missiles heading towards the Middle East show they are on course.

INT. SPACE SHUTTLE ATLANTIS

John watches the shuttle pull away from earth on his own personal monitor. Suddenly on his screen, he sees an old lady. It's Katy as an old woman.

KATY

Remember me? I really don't think you should've trusted the ones who gave you your computer chip. After all, it's built on sand.

She's transforming now into her 16 year-old self.

KATY

Let's see how the secret government of the United States and Germany likes wearing the color red.

She clicks away on a computer keyboard.

Now the missiles all change course and one turns back.

INSERT - MISSILE TIP

which reads, "New World Order and The Omega Society." The swastika symbol appears beside the Masonic compass and square symbols.

BACK TO SCENE

It's onboard computer shows its new heading - Atlantis!

JOHNNY'S POV - MISSILE

going through an opening in the ground leading to the underground headquarters known as Atlantis.

JOHNNY

I believe that one had their name on  
it.

INT. UNDERGROUND ATLANTIS

The BOMB EXPLODES, destroying Satan's throne, and the Mason's hideout.  
The BLAST goes through the network of tunnels and kills all of the giants  
inside.

INT. SPACE SHUTTLE ATLANTIS

John is giving orders to manually control the shuttle but the pilots can't  
take it off autopilot.

EXT. ATLANTIC OCEAN

Another missile is now heading towards the shuttle Atlantis.  
The missile IMPACTS the shuttle causing it to EXPLODE.

JOHNNY (O.S.)

As Challengers to their Colombian  
Enterprise -- we Endeavor for the  
Discovery... and destruction of  
Atlantis.

EXT. THE FOUR AIRCRAFT

David and Johnny's planes roll-off, followed by Josh and Rebekah's jets.  
The EXPLODING underwater city can be SEEN below.

JOSH (O.S.)

Where next, gentlemen?

JOHNNY (O.S.)

You and Rebekah can't follow me and  
David on this next mission. You're  
still made of flesh... to preserve the  
Jewish seed during the upcoming reign  
of peace. We're immortal now and have  
to tread where only angels dare fly.

INT. UNDERGROUND CITIES

Men continue to AD LIB blasphemies against God throughout the destruction  
of the hail and earthquakes.

Others are throwing their idols of silver and gold to the fleeing moles  
and bats underground with them.

The RICH try to hide themselves in their underground cities but to no  
avail. Many are begging AD LIBS "for the rocks of the caves to fall on  
them to hide them from God."

Masons and Secret Society people hiding underground, also beg the walls to collapse on them.

As the big EARTHQUAKE HITS hardest, the walls do cave in on them, killing them all.

EXT./INT. WASHINGTON DC

The earthquake topples the National Monument.

It's pointed top section flies up in the air and lands upside down in the

OVAL OFFICE

piercing the presidential seal's eagle with its thirteen arrows and thirteen olive leaves.

INT. SMITHSONIAN (WASHINGTON DC) - GEORGE WASHINGTON'S STATUE

as Zeus, is beheaded. In the b.g., we SEE that Lindbergh's plane, the "Spirit of St. Louis" survives.

EXT. JERUSALEM - AN ANGEL

with the key to the bottomless pit comes down from Heaven with a GREAT chain in his other hand.

He grabs the dazed and confused Satan and binds him with the chain.

EXT. THE ABYSS - THE ANGEL

opens the bottomless pit and casts Satan in.

He seals and locks the abyss and places a "CLOSED" sign over the door.

INSERT - SIGN

with "For a Thousand Years" handwritten under "Closed."

BACK TO SCENE

We see thousands of birds in the air.

EXT. THE DARKENED SUN - OUTER SPACE

An ANGEL is standing in the sun.

ANGEL

All fowl that fly in the midst of heaven, come and gather yourselves together unto the supper of the great God; That you may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.

## BUZZARDS AND VULTURES

head toward the dead bodies. The valley of Armageddon is filled with blood for almost two hundred miles and as high as the bridle of a standing horse.

NARRATOR (V.O.)

And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.

## EXT. JERUSALEM - AN EAGLE

flies DOWN towards Jesus. In one claw, he has the Sword of Destiny. In the other claw, he holds an olive branch.

Jesus takes the sword in his hand and places the olive branch around his head as a wreath or Liberty cap.

He smiles.

The Eagle takes off TOWARDS the United States.

## EXT. OUTER SPACE - SPACE STATION

Johnny and David's supernatural P-51 Mustangs arrive alongside the International Space Station.

DAVID

Hal... open the Shuttle Bay doors...  
NOW!

## INT. SPACE STATION - HAL

is frantically trying to reach anyone on his radio but is having no success.

HAL

I'm sorry Dave... but I can't do that.

J.J. and D.D. are watching in the b.g. They spot two space-walking suits used earlier by astronauts working on the huge mirror.

## EXT. OUTER SPACE - TWO SHOT - DAVID AND JOHNNY'S PLANES

Johnny SEES something near the back of the Space Station and maneuvers around.

JOHNNY

I've got a fix on something. Follow me.

David joins him. They both spot J.J. and D.D. coming out an emergency door, dressed in the space-walking suits.

DAVID

I'll get the girl.

JOHNNY

(laughing)

You always do.

EXT. NEW YORK CITY - VARIOUS ANGLES

of the city in ruins. Our FOCUS NARROWS on the United Nations statue of a man beating swords into plowshares with his hammer. The statue is melted and badly dinged.

INT. STATUE OF LIBERTY

Hillary Rodnim is inside the statue's torch. Miraculously, she has survived. A media cameraman is with her.

HILLARY

All right. Now, I want you to get a shot of me taking a bite out of an apple... taking a bite out of the Big Apple, get it? Obviously I've survived the attacks from above so it's meant to be that I alone lead this nation as it rises out of the ashes. Here, get ready to start taping... wait until I take the first bite. This will prove to the world it's okay to eat the forbidden fruit... nothing bad will happen... you can do whatever you want... you won't DIE!

EXT. STATUE OF LIBERTY - TORCH

as the LAST fragment from the moon hits the torch, obliterating it entirely.

NARRATOR (V.O.)

Ironic that one who associated herself with the original Moon Goddess was destroyed by a rock from the very thing that created her light. She illuminates the world with her false light... no more.

EXT. ST. LOUIS - A HUGE RAINBOW

has replaced the metal arch, now destroyed by the hail and earthquakes. The father and daughter are standing on the banks of the overflowing Mississippi again.

DAUGHTER

There's that rainbow you always promised.

The father SEES something shiny near the base of the rainbow.

FATHER

Come with me. I want to show you something.

As they head towards the rainbow, Johnny's plane, the "Spirit of St. Louis" APPEARS in the sky.

It flies right through the rainbow, just under its highest point.

David's plane now APPEARS and follows the same path.

INT. DAVID'S PLANE

D.D. is sitting behind David.

DAVID

Are you all right?

D.D.

I am now.

Upon CLOSER inspection, we can see that D.D. IS the very little girl that was dressed like an angel in all of David's flashbacks.

D.D.

I always knew I'd be rescued by my own guardian angel. They always watch over and protect you.

EXT. BOTTOM OF RAINBOW

The father and his daughter have reached the place where the colors seem to come from the ground. He SEES something shiny and bends over to pick it up.

It's a gold bar with the words, "Federal Reserve" written on it. There's a whole pile of them, apparently buried but exposed now because of the great earthquake.

DAUGHTER

Wow! There really is gold at the end of a rainbow!

INT. DENVER AIRPORT - MURAL

showing the German boy with a hammer beating swords into plowshares is also ruined.

A CLOSER VIEW shows a handwritten letter from a Jewish boy who died during the holocaust of World War II.

BOY'S VOICE (O.S.)

I was once a little child who longed for other worlds. But I am no more a child for I have known fear, I have learned to hate...

(MORE)

BOY'S VOICE (CONT'D)

How tragic, then, is youth which lives  
with enemies, with gallows ropes. Yet,  
I still believe I only sleep today,  
that I'll wake up. A child again, and  
start to laugh and play.

DISSOLVE TO:

EXT. ISRAEL - DAY - GREEN MEADOW

where kids of all colors are playing together. Black, white, Indian,  
Asian, Russian, Chinese, and Jewish.

Katy's little brother is SEEN playing with Anne Frank.

Davie Jr. is seen playing with two other kids, fraternal twins.

Subtitle: "The Millennial Reign of Peace. In the year 2525."

Many different animals are also playing together. A lion and a lamb play  
together in the f.g.

Other children are beating swords into plowshares. We NOTICE they each  
have the Name of God written upon their foreheads.

NARRATOR (V.O.)

All instruments of death are a distant  
memory. No one is learning war  
anymore.

EXT./INT. JERUSALEM - THE TEMPLE

has been completely rebuilt. All Islamic shrines are gone.

King Jesus, holding the Sword of Destiny as his scepter, stands next to  
King David as both rule in Jerusalem.

The throne chair is the coronation chair, formerly of England and the  
stone under it is Jacob's pillow.

JACOB LOOKS at the stone under the chair.

JACOB

(to David)

It never was all that great of a  
pillow.

The SOUND of a lion ROARS as Jesus sits down.

Crystal clear water flows from the Mount of Olives and has healed the Dead  
Sea.

ADAM and EVE, who look as young as they did when they were created, drink  
from the water there.

ADAM

The Fountain of Youth, like I remember  
it tasting.

EVE

(tasting)

It's a perfect world... again.

David and Katy, standing in the b.g., HEAR this and smile at each other.  
Katy's hair is very long, as is all the women here.

As Katy lifts her glass to her lips, we NOTICE she's wearing a new golden  
watch resembling David's old watch.

KATY

I'll drink to that...

Also standing along the river are the other righteous sons, including  
Seth, Abel, Noah, Enoch, Elijah, Moses, and the twenty-four elders.

NARRATOR (V.O.)

All the nations of the world now come  
to the crossroads of the world, Israel.

We SEE multitudes of people coming in and out of Jerusalem.

EXT. ISRAEL MEADOW - DAY - HIGH ANGLE - A BUTTERFLY

flies slowly to the ground, above the kids we saw playing earlier.

It LANDS between Josh and Rebekah, who are watching Davie Jr. playing with  
their own fraternal twins, JOSH JR. and BECKY.

Johnny and Patty are standing next to them, watching J.J. and D.D. play as  
well.

All the kids are playing softball. Their uniforms say "Saints." Becky is  
pitching to Josh Jr., who's hitting pop flies to Davie Jr. deep in the  
outfield.

THE BUTTERFLY

MORPHS into a twelve year-old Laurianna, resembling her appearance in the  
Garden of Eden as the flower girl. She's dressed in a softball uniform,  
which says "Angels."

LAURIANNA

Ah baseball and softball... a little  
piece of Heaven on Earth. What other  
game allows twenty-seven outs per side,  
spread out over nine innings?

JOSH

Our little Josh Jr. is very excited  
about the big game today. He just  
loves when the SAINTS play the ANGELS.

REBEKAH

(teasing)

I still say it's a little unfair. Who can out-hit an angel?

LAURIANNA

I have something I want to give your boy and girl.

REBEKAH

I'll call them over. J.J.! Becky!

Patty's little boy comes running and arrives at the same time Josh Jr. does. He's in uniform but hasn't put his cleats on.

J.J.

You need me?

REBEKAH

(laughing)

I keep forgetting you two have the same initials.

PATTY

We've got to give one of them a nickname.

JOHNNY

Hey, I've got it! My grandson loves baseball so much, let's call him Shoeless!

They all LAUGH.

Laurianna takes out two gold bracelets with matching symbols, the same ones she made for herself and Apollyon.

She gives them to Josh Jr. and Becky.

They each give her a kiss on the cheek.

JOSH AND BECKY

(together)

Thanks!

UMPIRE

(interrupting)

It's game time! The Saints are in the field first.

Since angels can out-hit saints, the outfielders back up deep as they take the field. The angels all MORPH into children, evening up the game.

CRACK! The SOUND of the first HIT ECHOES LOUDLY.

As Becky goes deep for the well-hit ball, she stumbles into a crack in the ground.

Josh Jr., playing right field, already backing her up, comes to her rescue.

Upon removing her foot, Becky discovers something buried in the crack, apparently caused by the great earthquake over 500 years earlier.

It's THE golden box or phylactery that used to belong to Laurianna, and then Eve.

Becky opens it, discovering it's contents -- seeds. They resemble the seeds from the fruit that Adam and Eve both ate from -- the tree of good and evil.

The bracelets Laurianna and Apollyon used to wear shine brightly around their wrists as they hold the golden box.

Laurianna comes running up to see if Becky's okay, and SEES them holding something.

LAURIANNA

(laughing)

What did you two find?

She NOTICES the golden box, then realizes it used to belong to her. Her expression turns more serious.

BECKY

It's a golden box with some kind of seeds in them. Do you think it would be all right to plant them?

Laurianna holds out her hand to receive the seeds.

JOSH JR.

Yeah, do you think it would be okay to plant them? Maybe it would be something good to eat.

As the seeds are poured into her hand, we SEE her mark on the back of her hand.

DISSOLVE TO:

INT. THE ABYSS - CLOSE ON - MALE HAND

in chains with the SAME mark. As our VIEW WIDENS, we are expecting to see Apollyon. As we get to the man's face, we see it's SATAN! It's the first time we've ever seen the glove off of his left hand since the Fall.

Satan begins laughing a long, sinister LAUGH as a MALE VOICE is heard O.S.

MALE VOICE (O.S.)

When God created the first angel from fire, there was enough flame to create a sister angel. Enough was even left over to create a third, but smaller angel. The only angel triplets.

(MORE)

MALE VOICE (CONT'D)

The leftover fire for the third was tiny, therefore he became smaller than his first two siblings. His name was Apollyon. The first angel was Lucifer, now Satan. The sister of the two... Laurianna. The first became a cherub while the other two... simply angels. After the fall, Apollyon became the companion star, a white dwarf to the brightest star in the heavens.

EXT. EARTH - HIGH ANGLE - MINUTES LATER

We HEAR Satan's LAUGH over our VIEW of the children in the field as our VIEW PULLS BACK, taking us farther away.

MALE VOICE (O.S.)

As in the millennial day of rest from creation, the same circumstances have presented themselves during the final day of rest for mankind. History repeats itself... until the end.

The earth is literally covered with hundreds of rainbows.

Song "I CAN SEE CLEARLY NOW" begins.

EXT. EGYPT

An altar has been set up in the middle of Egypt.

The Great Pyramid has new white outer casing stones. Upon closer inspection, we SEE one of them says, "It's still standing."

FADE TO: BLACK

VIDEO GLITCH

Then, a computer readout displays the following words as they are typed ONSCREEN over BLACK:

When the thousand years are expired,  
Satan shall be loosed out of his  
prison. He'll deceive the nations once  
more but will be defeated when fire  
from God out of Heaven devours them.  
This is the last destruction by fire.  
After which, the Holy city, the new  
Jerusalem will come down from Heaven,  
as will God, to dwell with men forever.

Our VIEW WIDENS, revealing the MONITOR to be oval-shaped.

Further WIDENING reveals it's the MAN CHERUB'S monitor we've been reading. As he SPEAKS, we realize the MALE VOICE has been his.

MAN CHERUB

In the beginning when darkness was upon the face of the deep, the Spirit of God moved upon the face of the waters, H<sub>2</sub>O. When 3-D space began roughly 10,500 BC, God became three-dimensional. Like separating the three isotopes of hydrogen, the Trinity split and separated from itself. If you'll understand this mystery of God and the three isotopes of hydrogen, the foundation of 3-D space reveals itself. God was a Spirit, like protium or the lightest and simplest isotope of hydrogen. From this, come the isotopes of tritium, which is likened to God; and deuterium, which is compared to Jesus. These three are also represented by the three stars in Orion's belt, the first three stars created in the Heavens. Something represented by the Giza Pyramid complex, built by the Righteous Seed of Seth. The pyramid shape is the basis of three-dimensional geometry. Two inverted tetrahedrons create the male and female Star of David. The pyramid bases are at 19.5 degrees North or South latitude within the sphere. These are the foundation stones. Understand this and you'll understand how God created all things by establishing the laying down of foundations. God's only begotten son is your foundation. He's your rock of Salvation. He died so you might have eternal life. Accept Him, believe in Him. Worship the Creator, not the created. God loves you. What more could I possibly reveal to you?

FADE OUT.

THE END
